

## A LASTING PARTNERSHIP BUILT ON INTEGRITY AND TRUST

The Jennings County Community Foundation is a countywide not-for-profit organization created to meet the philanthropic needs of individual donors and, by working through strategic partnerships and impactful initiatives, build a resilient and thriving community for current and future generations.

Started in 1994 by a small group of committed residents, the Foundation has time and time again responded to addressing various needs and strengthening our community.

Mason Investment Advisory Services, Inc. works with 50 community foundations nationwide and more than 80 institutional clients in total. The firm manages approximately \$13.3B in assets for their institutional and individual clients as of March 31, 2025, and community foundations comprise over half of their institutional assets. Mason is an institutional specialist with over 25 years of community foundation experience.

***At the Foundation, we rely on Mason's support and guidance in managing our assets as well as their consultative and educational approach with our committee and board.***

### Community Foundation Mission

*Our mission is to develop endowments that will greatly improve the quality of life for Jennings County residents in perpetuity, to provide responsible stewardship of those gifts, to promote leadership in addressing community issues, and to make grants in the fields of community service, social service, education, health, environment, and the arts.*

*The Jennings County Community Foundation holds over 200 funds in trust with current assets totaling more than \$8 million dollars.*
