

IVY TECH
COMMUNITY COLLEGE

AI ESSENTIALS WORKSHOP Presented by Google

FREE AI ESSENTIALS WORKSHOP

Learn how to use cutting-edge **AI technology** through instructor-led training and hands-on activities. In this interactive class, students will learn industry-essential skills such as **prompt engineering**, working with AI in an **enterprise environment**, and **using AI tools** safely and responsibly. Upon completion, students will earn an **Ivy Tech certificate** and be prepared to earn the **Google AI Essentials Certificate**.

WHEN

Tuesday, July 21 from 8:30 am to 2:30 pm - Lunch provided!

WHERE

Jennings County Educational Center (JCEC) Computer Lab
100 S. Webster St.
North Vernon, IN 47265
