Carpenter Center Camp 2022

The Carpenter Center's Summer Day Camp program will kick off on June 6, 2022 and conclude on July 1, 2022. Enrollment for 2022 will be limited to the first 50 children registered, with 25 available registrations open for Pre-K-2nd and 25 available registrations for grades $3^{rd} - 5^{th}$. Camp sessions will be split into 2 sessions per day, Monday through Thursday. Fridays will be field trip days. Each age group will have 2 all-day field trips during the course of camp. Camp staff will assign your child to a session and notify you of your child's schedule the week of May 23^{rd} , 2022.

As in years past, the Carpenter Center remains committed to providing a summer camp experience at **NO COST** to participating children. You are encouraged to register your child(ren) as soon as possible. Another great perk to the Carpenter Summer Camp is **FREE LUNCH** every day, Monday through Friday. As a Summer Food Service Program, we are delighted to offer free, nutritious meals for any child up to 18 years old.

This year's camp is centered around service to others, fun in the sun, and gardening/food sustainability. All positive ways to nourish our bodies, minds, and souls. There is no better place for kids to connect, make new friends, try new things, and discover their potential.

Sincerely,

Matt Carpenter, Executive Director, Carpenter Center Laura VanHousen, Head Teacher, Carpenter Center Camp 2022
