This form is NOT valid without a signature from one parent or guardian listed above.

By signing this form, I certify that the above information is correct and accurate to the best of my knowledge. I understand that the Carpenter Center is not liable for any damage or injury occurring during the participation of each and any program for which the scholarship money is used. Each scholarship recipient is responsible for his/her own transportation and equipment required for participation in the program(s). I also understand that my child's participation in the program requires commitment to attend and participate in a minimum of 80% of scheduled practices, games and/or performances.

Scholarship Guidelines

The Carpenter Center's mission is to provide the opportunity for all youth to participate in and enjoy our recreational programs/experiences. To that end, the scholarship program is offered for those meeting the specific requirements. The Carpenter Center requires that individual(s) provide the requested income, family, expense, and household information/documents required to assist in making a fair and consistent decision. The Carpenter Center also requires that individuals re-apply, when instructed/requested, to keep the personal & all other information up to date.

- Scholarship funds are intended to cover a portion or full amount of registration cost for youth programs. ANY/ALL information provided to the Carpenter Center for scholarships is and will remain confidential.
- Residents in the Panhandle of Nebraska are eligible to apply for scholarships on a first-come, first-served basis.
- Funds are based on household income, which follows the State of Nebraska's School lunch program. In order to qualify for a full/partial scholarship program, you must provide a copy of your free/reduced lunch approval verification form at the time of application.
- Funding is limited. Due to the limited amount of funding, only ONE scholarship per family/household will be given/allowed.
- Once a scholarship recipient is registered for a program(s), participation in the full session is required (80% participation/attendance of each scheduled practice, game or performance). This will be reviewed regularly and can be subject to dismissal if a participant is not participating/attending. Withdrawal from a program(s) can be subject to scholarship elimination.
- All scholarship applications will be reviewed, and all applicants will be notified of their status, approved or not.
- Scholarships are ONLY available for those under 18 years of age.
- Applications have to be resubmitted yearly by December 15th.
- If you apply for a scholarship and are ALREADY participating in a program(s), ALL program fees MUST be paid in full before a scholarship is awarded (if requirements are met).
- The Carpenter Center reserves the right to limit the number of scholarships based upon available funds and the right to decline funding for those applicants who do NOT meet the necessary requirements. Not ALL applications are subject to approval.

Thank you for your cooperation and interest in our programs and specifically the scholarship program! Please review your application carefully and completely to ensure that all sections are complete and accurate to the best of your knowledge. Incomplete sections/application will NOT be accepted.
