

Invigorating Head Massage Oil with Rosemary, Peppermint & Coconut product information sheet

Product batch number: *****, made by Donna. Size: 100ml. **Expiry date:** _/_/_.

Ingredients: *Cocos nucifera* (Coconut oil), *Ricinus communis* (Castor oil), Tocopheryl acetate (Vitamin E) and essential oils (2%) of *Rosmarinus officinalis* (Rosemary), *Mentha piperita* (Peppermint), *Citrus paradisi* (Grapefruit), *Cananga odorata* (Ylang Ylang) & *Lavandula angustifolia* (Lavender), ***Eucalyptol**, ***Linalool**, ***Linalyl acetate**, ***Menthone**, ***alpha-Pinene**, ***beta-Caryophyllene** and ***dl-Limonene**. *Occurs naturally in essential oils. **Allergens listed in bold**. CONTAINS COCONUT OIL.

Storage instructions: Store in a cool, dark place, **out of direct sunlight**. **Keep out of reach of children and pets**. Store in original container. Refrigerate if possible, as this will keep your blend fresher for longer. Discard after expiry date.

Instructions for use: Shake well before use. Warm a small amount of oil in the palms of your hands and massage into the scalp, avoiding the face area and ensuring product doesn't drip into the eyes. Leave on the head for at least 30 minutes or for best results apply at night and leave overnight (using a towel to cover your pillow) and wash off in the morning. Apply usual shampoo onto hair before wetting to help release oils from the hair during washing. Use 2-3 times a week. Avoid using daily for long periods, to ensure the essential oils keep their beneficial aromatic properties and to reduce adverse effects. If using daily, have a 1 week break for every 6 weeks, to avoid this.

WARNING: NOT TO BE USED ON BABIES, CHILDREN AND PETS, DURING PREGNANCY OR BREASTFEEDING OR BY THOSE TAKING DIAZEPAM/PENTOBARBITALS OR THOSE WITH EPILEPSY, HYPERTENSION, HYPOTENSION, CARDIAC FIBRILLATION OR G6PD DEFICIENCY. DO NOT USE IF YOU HAVE OR SUSPECT YOU HAVE AN ALLERGY TO ANY OF THE INGREDIENTS. DO NOT USE ON SENSITIVE/DAMAGED SKIN OR DERMATITIS. Perform a patch test if necessary. Contains Eucalyptol, Linalool, Linalyl acetate, Menthone, alpha-Pinene, beta-Caryophyllene and dl-Limonene. May produce an allergic reaction. Discontinue use if there is any redness/itching. FOR EXTERNAL USE ONLY. DO NOT INGEST.

KEEP AWAY FROM THE EYES. If Product gets into the eyes, wash with copious amounts of water and seek medical attention if irritation persists.

If you experience a rash, redness or itching on your skin after using this product, this may be a reaction to the product. This is a rare occurrence, but in this instance wash your skin thoroughly with pure unperfumed soap/shampoo and leave to air-dry. Discontinue use. If irritation persists, seek medical advice.

Harmful to aquatic life with long lasting effects (your skin loves oils, aquatic wildlife does not!). Avoid disposing into drainage systems and the environment.
