CONTAINS SWEET ALMOND OIL.**

Storage instructions: Store in a cool, dark place, **out of direct sunlight. Keep out of reach of children and pets.** Store in original container. Refrigerate if possible as this will keep your blend fresher for longer. Discard after expiry date.

Instructions for use: Shake well before use. Warm a small amount of oil in the palms of your hands and massage over muscles and joints as required, avoiding the face area, ensuring product is rubbed in before dressing. For baths, add up to 10ml to a full, warm bath. Bath surface may become slippery, so take extra care. Avoid using daily for long periods, to ensure the essential oils keep their beneficial aromatic properties and to reduce adverse effects. If using daily, have a 1 week break every 6 weeks, to avoid this.

Safety Information: **Not to be used on babies, children or pets. Not for use in pregnancy/breastfeeding. Do not use if you have or suspect you have an allergy to one of the ingredients, have epilepsy, hypertension or take Pentobarbitals/Diazepam. Perform a patch test on dermatitis & sensitive skin before use. Contains Eucalyptol, Linalool, alpha-Pinene, beta-Caryophyllene, beta-Pinene, d-Limonene. May produce an allergic reaction. Discontinue use if there is any redness/itching. FOR EXTERNAL USE ONLY.**

KEEP AWAY FROM THE EYES. If Product gets into the eyes, wash with copious amounts of water and seek medical attention if irritation persists.

If you experience a rash, redness or itching on your skin after using this product, this may be a reaction to the product. This is a rare occurrence, but in this instance wash your skin thoroughly with pure unperfumed soap and leave to air-dry. Discontinue use. If irritation persists, seek medical advice.

Avoid disposing large quantities into drainage systems and the environment.
