*The Knott Lecturer, Petra Davidson, is sponsored by the John Knott Educational Lecture Program of the American Society of Electroneurodiagnostic Technologists, Inc. [ASET] and ASET Foundation.

The Knott Lecture and accompanying handout are prepared by the lecturer who is responsible for their technical content. The mention or involvement of any types of instruments or

NESET Fall Educational Meeting

supplies in this presentation should not be construed by program participants as an endorsement of the instrument[s] by ASET or the ASET Foundation.

ASET - The Neurodiagnostic Society has granted ASET Continuing Education Units [ASET-CEUs] for this program. Such crediting, however, should not be construed by program participants as an endorsement of any type of instruments or supplies mentioned or involved in these presentations.

Agenda subject to change.
