\*Pricing is current as of May 2023 and is subject to change with or without notice. Actual costs may change once all project elements are discussed, negotiated, and finalized. Prior to any change in costs, the client will be notified. Upon acceptance, Weezy's Mechanical will perform the services described and any additional services requested by the client will incur additional charges. Changes to the delivery including quantity, specifications, and scheduling, do not become binding until approved in writing by both parties. Any changes may result in additional or increased charges.
