9.30 am **Market Volatility Is the New Normal:
Managing Risk in an Era of Persistent Uncertainty**
Abdul Halim Jantan, Chief Executive Officer, Sterling Insurance Brokers Sdn Bhd
Market volatility has become the new normal, driven by geopolitical tensions, economic shifts, technological disruption, and evolving regulations—demanding stronger strategic resilience from organizations. Organizations must adopt proactive risk management, leverage data-driven insights, and enhance strategic agility to anticipate risks, respond to uncertainty, and sustain long-term performance in an unpredictable marketplace.

10.30 am **Networking Break**

10.45 am **The Double-Edged Sword: Harnessing AI While Managing Its Risks**
Ranjit Singh, Chairman, Axcelasia Group
This session explores the transformative potential of artificial intelligence alongside the risks it introduces in today's evolving landscape. It examines key challenges such as ethical concerns, data privacy, model bias, and overreliance on automated systems, while highlighting strategies to harness AI responsibly. Emphasis will be placed on governance, risk management frameworks, and human oversight to ensure AI serves as a driver of innovation without compromising trust, accountability, and organisational resilience.
