Engage in dynamic panel discussions led by experienced moderators, offering in-depth analysis and expert opinions.

Build impactful connections with like-minded professionals by exchanging ideas and expanding your professional network.

8.00 am	Registration & Welcoming Delegates
8.50 am	Welcome Address <i>Abdul Halim Jantan, Chairman of ARiMM</i>
9.00 am	Opening Remarks by Guest of Honor <i>Stephen Sidebottom, Chairman, IRM Board</i>
9.15 am	Keynote Address: The Evolving Risk Landscape: Market Volatility, Regulatory Shifts, and Economic Uncertainty. <i>Datuk Johan Idris, Chairman, KPMG Malaysia</i> <i>In today's fast-changing global environment, organizations face growing challenges driven by market volatility, regulatory changes, and economic uncertainty. The shifting dynamics of global markets, geopolitical tensions, inflation, and evolving regulations are redefining risk exposures across industries—demanding greater agility, foresight, and resilience from business leaders.</i>
9.45 am	Global Risk Management: Navigating Cross Border Challenges in a Volatile World <i>Dato' Yusof Annuar Yaacob, CEO & Non-Independent Executive Director of Deutsche Bank</i> <i>As globalization accelerates, businesses face rising cross-border risks — from regulatory discrepancies and geopolitical tensions to supply chain vulnerabilities and cyber threats. Thriving in a volatile world demands strategic risk management that balances global ambitions with local realities and builds resilience against emerging challenges.</i>
10.30 am	Networking Break
10.45 am	Competing in a Global Market: Risk Management Strategies for Small and Midsize Businesses in Malaysia <i>Abdul Halim Jantan, CEO, Sterling Insurance Brokers Sdn Bhd, and Chairman, ARiMM</i> <i>Small and midsize businesses (SMEs) in Malaysia are increasingly stepping onto the global stage, seeking growth opportunities beyond domestic borders. However, with greater opportunity comes greater exposure to risks—ranging from currency fluctuations and international regulatory compliance to supply chain disruptions and geopolitical instability.</i>
11.30 am	Panel Discussion: ESG Risk: Balancing Profit & Sustainability <i>Environmental, Social, and Governance (ESG) factors are reshaping how businesses define success in today's economy. Beyond traditional financial performance, companies are increasingly expected to demonstrate sustainable practices and ethical governance. However, integrating ESG principles poses challenges, including balancing short-term profitability with long-term sustainability goals, managing regulatory expectations, and addressing stakeholder demands.</i> <div><div><p>Moderator <i>Nurasyikin Rosni</i> <i>General Manager Sustainability, Telekom Malaysia</i></p><p>Panellist I <i>Ir. Dr. Noor Azam Md Saad</i> <i>General Manager</i> <i>FGV Group Transformation Division</i></p></div><div><p>Panellist II <i>Arina Kok</i> <i>Partner</i> <i>Ernst & Young Consulting Sdn Bhd</i></p><p>Panellist III <i>Mohd Fauzi Puniran</i> <i>Chief Commercial Officer</i> <i>PLUS Malaysia</i></p></div></div>
12.30 pm	Lunch Break & Prayer

2.00 pm	IRM Signing MoU Ceremony	
	Fireside Chat	
2.10 pm	Stephen Sidebottom, Chairman, IRM Board Moderated by Ranjit Singh, Chairman, Axcelasia Group and Board of Director, ARiMM	
	How AI, Resource Wars and Digitalisation are Redefining Business Risks Prof. M. Nazri Muhd, Founder & Chairman, Centre for AI Innovation <i>The business risk landscape is undergoing a profound transformation driven by the rise of artificial intelligence, escalating resource competition, and rapid digitalisation. AI brings new efficiencies but also introduces ethical, security, and regulatory challenges. At the same time, global competition for critical resources—energy, data, and rare materials—creates new vulnerabilities and geopolitical tensions. Digitalisation, while unlocking new business models, also exposes companies to cyber threats and operational disruptions.</i>	
2.30 pm	Panel Discussion: Navigating Cybersecurity Risks in a Digital Future <i>As businesses accelerate digital transformation, cybersecurity risks grow more complex and relentless. From data breaches to ransomware attacks, threats are evolving faster than traditional defenses. Navigating this digital future requires more than just technology — it demands a proactive, strategic approach to risk management that protects assets, builds resilience, and ensures trust.</i>	
	Moderator Tanvinder Singh Director, Cyber Security & Privacy, PwC South East Asia Consulting	
3.15 pm	Panellist I Saurabh Sarawat Managing Director Across Verticals Group	Panellist II Lim Boon Hung Director, Cybersecurity & IT Consulting Axcelasia Group
	Panellist III Gautam Mahey Head of Property, Casualty & Financial Lines Pacific Prime Insurance Brokers	
4.00 pm	Networking Break	
	Parallel Session	
	White Paper Strategic Discussion on the Future of Risk Management and its evolution. Lead by Nuranisah Mohd Anis, Chief Risk, Integrity & Governance Officer, S P Setia and Board of Director, ARiMM	MSMEs Risk Management Practices: Barriers, Enablers and the Way Forward Assoc. Prof. Dr. Arpah Abu Bakar, Director of CIAC, UUM and Board of Director, ARiMM <i>Small and medium enterprises (SMEs) are the backbone of economic growth, but they face unique risks that can threaten their sustainability and long-term success. From financial pressures and operational challenges to market volatility and regulatory shifts, navigating these risks requires a proactive and resilient approach.</i>
4.15 pm		
5.15 pm	End of Session

Abdul Halim Jantan
Chief Executive Officer
Sterling Insurance Brokers Sdn Bhd

Abdul Halim Jantan, FMII and a Certified Risk Management Practitioner. A Malaysian citizen aged 68, he sits on multiple private company boards, Independent Chairman of Jentayu Sustainables Bhd and Chairman of ARiMM.

As founder and CEO of Sterling Group of Companies, he runs a leading-edge insurance consultancy and transactional enterprise. With his leadership, the Sterling Group has grown from strength to strength since its establishment in 2000.

He thoroughly enjoys endurance sport, hence a triathlete at heart. He hopes to pass down the same love for 'business enterprise', he passionately inherited from his revered predecessors.

Stephen Sidebottom
Chairman
IRM Board

Stephen has over 30 years' international experience of working in HR and Organisation Development primarily in global financial services and in both private and public sectors. He has also had nearly 20 years' experience on the boards of various membership associations.

He is a Non-Executive Director and Chair of Kent Savers Credit Union and provides strategic business and HR advice to business leaders through his own consultancy practice. He is a Fellow of the Chartered Institute of Personnel and Development (CIPD) and a member of the Court of the Guild of Human Resource Professionals. Stephen was appointed as the Chair of the IRM Board in June 2021

Datuk Johan Idris
Chairman
KPMG Malaysia

YBhg Datuk Johan worked on various complex engagements both locally and globally covering various industries/sectors. His professional experience transcends Malaysia to include the audit and consulting experiences in the USA (1995 – 1997), Indonesia (1999) and the UK (2012).

He had led various corporate exercises including providing assurance services for the only Fortune 500 company in Malaysia. In recognition of his diversity, inclusion and work life balance advocacy - where he introduced the signature KPMG Golden Week of a one-week office closure, in 2015 and is still relevant till today, Datuk Johan was awarded Talent Corporation (TalentCorp)'s CEO Champion in 2015.

Dato' Yusof Annuar Yaacob
CEO & Non-Independent Executive Director
Deutsche Bank

Ybhg Dato' Yusof qualified from the Chartered Institute of Management Accountants. Dato' Yusof has distinguished experience in the telecommunication industry and over 20 years of experience in investment banking, financial management, accounting and corporate management of international firms.

Prior to joining the Bank, Dato' Yusof was the Managing Director and Chairman of the Investment Banking Division, Goldman Sachs Malaysia. Dato' Yusof held positions as Executive Director/Group Chief Financial Officer of Axiata Group Berhad and served as a Board Member of several public listed companies, both local and international.

Prof. M. Nazri Muhd
Founder & Chairman
Centre for AI Innovation

Prof. Nazri specialises in AI and cognitive analytics, having spent more than two decades as a practitioner in these fields. Regarded as one of the early pioneers to deploy AI-based analytics in Asia-Pacific since early 2000, Nazri leads the digital transformation strategies for public, private and non-profit organisations globally where he serves as the AI advisor to public and private institutions (enterprises and public listed companies) via the Group's Digital AI Labs (DIAL) Programmes.

Prof. Nazri is the Chairman of the AI World Summit (AIWS) Steering Committee and has successfully built a strong global community of AI adopters and practitioners in more than 30 countries.

Assoc. Prof. Dr. Arpah Abu Bakar
Director of CIAC
Universiti Utara Malaysia

Arpah has more than 20 years of experience in risk management and insurance education. Her extensive involvement within the university spans various leadership capacities, including those related to curriculum enhancement and quality assurance.

Beyond her university contributions, Arpah has been a key figure in bridging academia and industry within Malaysia's risk management sector. She is active in her advisory roles at the national and international levels. She has served as a member of the Technical committee of the Risk Management Standard by the Standards Development Agency. She also served as the Head, Cluster Risk Management and Insurance, STEP for DRR, an advisory panel set up by the National Disaster Management Agency (NADMA), an agency under the Prime Minister Department of Malaysia.

Ranjit Singh
Chairman
Axcelasia Group

Ranjit Singh has over 30 years' experience in the fields of risk management, governance, internal audit and forensic accounting. He has led and completed internal audit and risk management projects at more than 150 companies (PLCs, GLCs & MNCs) covering various industries. Ranjit has a truly international perspective of best practices as he has completed assignments in more than 30 countries.

He was a member of the Board of Directors of Global Institute of Internal Auditors ("IIA") for the term 2017 to 2021. Ranjit was also a member of the Global IIA Audit Committee and IIA's International Internal Audit Standards Board. He was the President of Asian Confederation of Institute of Internal Auditors (ACIIA) and President of the IIA Malaysia.

Ranjit has led workshops for Bursa Malaysia Berhad on risk management, internal controls and internal audit for 5 years (2013 to 2017) covering participants for more than 300 listed companies and spoke at various conferences and Board training programmes.

Nuranisah Mohd Anis
Chief Risk, Integrity & Governance Officer
S P Setia

Nuranisah has over 25 years of experience in Internal Audit, Compliance Audit, Status Review, establishing the Enterprise Risk Management and Business Continuity Management functions, Investment Management mainly monitoring of investment performance and Finance.

She was previously attached to several established GLCs which includes Khazanah Nasional Berhad, Pos Malaysia Berhad and Axiata Berhad. Anisa started her career in ERM at KPMG as a Senior Consultant mainly specialising in Internal Audit and ERM. Anisa is a Chartered Accountant by profession, a member of the Malaysian Institute of Accountants (MIA), Associate member of the Institute of Internal Auditors Malaysia (IIAM), an Associate Business Continuity Professional (ABCP) and a Certified Integrity Officer (CeIO).

Nurasyikin Rosni
General Manager
Telekom Malaysia

Nurasyikin Rosni is the General Manager of Sustainability at TM Berhad. With a Ph.D. in Environmental Science and 20 years of experience spanning Finance, Risk Management, and Sustainability,

Nurasyikin brings a rich, multi-sector perspective to the ESG landscape. Her doctoral research focused on the impact of climate change on water and air quality, underscoring her deep expertise in critical environmental issues.

Ir. Dr. Noor Azam Md Saad
Head, Special Projects
FGV Holdings Berhad

Ir. Dr. Noor Azam Md Saad completes his Engineering Doctorate Study at Razak Faculty of Technology and Informatics, Universiti Teknologi Malaysia, Kuala Lumpur in Engineering Business Management.

He is a qualified Lean Six Sigma Black Belt from the Council for Six Sigma Certification, USA, Certified ISO 9001:2015 Lead Auditor, and First Grade Engineer (Steam) Certificate from DOSH, Malaysia. Ir. Dr. Noor Azam has served for more than 35 years in industries, namely Power Generation as well as Oil & Gas, prior to his assignment at FGV Holdings Berhad.

Throughout his career, Ir. Dr. Noor Azam has been involved in various Risk Management as well as Sustainability aspects, ranging from Enterprise Risk Management to Operational Risk Management as well as Project Risk Management. He was one also of the internal risk assessors for the Operational Risk Assessment Program (OpRAP).

Mohd Fauzi Puniran
Chief Commercial Officer
PLUS Malaysia

En. Fauzi brings over 21 years of experience in consultancy, advisory, project management, corporate compliance auditing, business development, and engineering disciplines. He has served clients and organizations across a broad geographic footprint, including Malaysia, Singapore, the UAE, Hungary, China, Thailand, Vietnam, Russia, Tanzania, Lesotho, and Papua New Guinea.

Known for his maverick and enterprising personality, En. Fauzi is a firm believer in setting Olympic-level targets, aligning with a clear True North, and practicing the “Discipline of Action in Doing”. His leadership and strategic approach have enabled the successful delivery of high-impact projects across diverse sectors.

Arina Kok
Partner
Ernst & Young Consulting Sdn Bhd

Arina is a Partner, Malaysia Climate Change and Sustainability Services (CCaSS) Leader, Asia-Pacific Climate Change Advisory Leader, Asean Climate Change and Sustainability Services Co-Leader at Ernst & Young Consulting Sdn Bhd. She assists clients integrate sustainability into their long-term strategic and operational plans, creating lasting value, enhancing their reputation and build public trust. Her expertise lies primarily in sustainability consulting, ESG strategy, due diligence, framework development, outcome measurement and stakeholder management.

Under her leadership, EY released the inaugural Climate Risk Disclosure Barometer 2020 Malaysia, which analyzed the reporting disclosures of Malaysia’s top 100 public-listed companies against the global Taskforce on Climate-related Financial Disclosures (TCFD) recommendations.

Tanvinder Singh
Director, Cyber Security & Privacy,
PwC South East Asia Consulting

Tanvinder is a Director within the Cyber Security practice of PwC Malaysia. He has 18+ years of cross industry experience in defining, developing, and executing change and cybersecurity strategies in large organizations.

He has a proven track record as a thought-leader with broad subject matter knowledge in information security domains and success in developing and implementing cybersecurity technologies for large institutions.

Tanvinder is adept at managing both projects and people, as seen through his experience in formulating technology strategy and platform architecture while leading large change initiatives across cybersecurity.

Lim Boon Hung
Director, Cybersecurity & IT Consulting
Axcelasia Group

Boon Hung is a highly accomplished IT security specialist with over two decades of extensive experience across cybersecurity, IT project management, internal audit, and risk advisory services.

He possesses a comprehensive suite of industry-leading certifications that underscore his profound expertise in information security. These include the CISSP, CISA, CEH, and ISMS Certified Lead Implementor. He is also serving as a board of director for ISACA Malaysia Chapter for the year 2025/26.

Boon Hung leads audit and advisory work for Public Listed Companies (PLCs) and Small and Medium-sized Enterprises (SMEs). He is adept at translating complex technical concepts into actionable insights for diverse stakeholders, guiding organizations through the intricacies of modern cyber threats and regulatory demands.

Saurabh Sarawat
Managing Director
Across Verticals Group

Saurabh has over 23 years of IT experience working with Big-4 Consulting firms and various multinational companies in the sectors like Banking, Insurance, Financial Services, Telecommunications, Petroleum and Pharmaceuticals in Australia and the Asia Pacific region.
