8.00 am	Registration & Welcoming Delegates		
9.00 am	<b>Welcome Address</b> <i>Abdul Halim Jantan, Chairman of ARiMM</i>		
9.10 am	<b>Keynote Address</b> <i>Dato' Fad'l Mohamed, Chief Executive Officer of Bursa Malaysia (Invited)</i>		
9.30 am	<b>Market Volatility Is the New Normal: Managing Risk in an Era of Persistent Uncertainty</b> <i>Market volatility has become the new normal, driven by geopolitical tensions, economic shifts, technological disruption, and evolving regulations—demanding stronger strategic resilience from organizations. Organizations must adopt proactive risk management, leverage data-driven insights, and enhance strategic agility to anticipate risks, respond to uncertainty, and sustain long-term performance in an unpredictable marketplace.</i>		
10.30 am	Networking Break		
10.45 am	<b>The Double-Edged Sword: Harnessing AI While Managing Its Risks</b> <i>This session explores the transformative potential of artificial intelligence alongside the risks it introduces in today's evolving landscape. It examines key challenges such as ethical concerns, data privacy, model bias, and overreliance on automated systems, while highlighting strategies to harness AI responsibly. Emphasis will be placed on governance, risk management frameworks, and human oversight to ensure AI serves as a driver of innovation without compromising trust, accountability, and organisational resilience.</i>		
11.45 am	<b>C-Suite Forum</b> <b>Emerging Risks Are No Longer Distant Risks: Why Tomorrow's Shocks are Already Forming Today</b> <i>In an increasingly interconnected world, emerging risks are evolving rapidly and can impact organizations sooner than anticipated. This forum highlights how C-suite leaders can identify early warning signals, anticipate potential shocks, and implement strategic measures to safeguard their organizations against risks that are already taking shape today.</i>		
12.45 pm	Lunch Break & Prayer		
2.00 pm	<b>Parallel Session</b> <table><tr><td><b>ARiMM White Paper</b></td><td><b>UNITEN White Paper</b></td></tr></table>	<b>ARiMM White Paper</b>	<b>UNITEN White Paper</b>
<b>ARiMM White Paper</b>	<b>UNITEN White Paper</b>		
2.45 pm	<b>Panel Discussion</b> <b>From Sustainability Strategy to Survival Strategy: Managing ESG Risk in an Era of Shocks and Disruption</b> <i>Organizations must integrate ESG considerations into their core strategies to navigate today's volatile and disruptive environment. This discussion focuses on identifying and managing ESG-related risks to ensure resilience, long-term sustainability, and organizational continuity.</i>		
3.45 pm	Networking Break		
4.00 pm	<b>Fireside Chat: Stories of Grit, Growth and Leadership</b> <i>Through personal reflections and real-world experiences, the session will explore how perseverance, resilience and a strong sense of purpose can shape leadership and drive meaningful success. This session aims to motivate and empower participants by demonstrating that behind every success story lies a journey defined by courage, resilience and the willingness to keep moving forward.</i>		
5.00 pm	End of Session
