All of my pieces are originals with **ZERO cookie-cutter bases** used, making your commission a one-of-a-kind! My prices will vary on whether it's a portrait or a composition, as well as the amount of detail involved in which this document will help determine. Let's get started!

The down-payment is collected either during or after the virtual meeting with me reviewing your order and ID confirmation. This down-payment is **NON-REFUNDABLE** as they are the means to secure the commission slot. After the down payment is made, you have the option of these types of payments to suit the needs of your payment...

- 50% at start of commission, 50% at end of commission.
- Payment Plans; will be discussed on the amount paid at determined intervals.

Additional paperwork will be required.

Failure to pay will result in the halting of work upon the project, cancellation of the project, and/or withholding of the full resolution / unwatermarked files until payment is made for their release.

NSFW Policy (Not Safe For Work)

NSFW includes any form of nudity, adult themes, and sexual situations that are for only those of 18 years of age or up, **NO EXCEPTIONS!** With this in mind, **ANY** commission involving any (*or all*) of these themes will require the presentation of a valid ID to confirm the client's age as well as both a photo of the ID and turning on your camera during the scheduled meeting so that I can confirm the validity of the ID. This has to be some form of legal documentation that can confirm your age and will be kept with your order for record-keeping purposes, and can be utilized for future commissions for return customers.
