DEFT EXPERTS

QUALITY POLICY
QUALITY ASSURANCE

Quality Policy

Our quality policy is to take all reasonable steps to ensure the health and safety of the people whilst at work, and prevent damage to the company property, the environment, and members of the general public

This being achieved by

Assessing the risk to health and safety and the environmental impacts associated with our activities

Providing appropriate tools, equipment, operational processes and safe systems of work

Ensuring information, instructions, and trainings are timely and appropriate

Continuing to provide suitable facilities for the welfare and monitoring health surveillance where necessary of employees at work

Periodically auditing and reviewing methods and procedures to ensure they are still valid

Reappraising working practices when circumstances change or new hazards arise and identifying hazards through incident reporting in order to strengthen our precaution

Quality Assurance

We aim to attain business excellence in our work by meeting and exceeding our customers expectations in terms of quality, timely completion and safety with absolute compliance with the regulatory and obligatory requirements

We ensure continued satisfaction of our customers by meeting and complying with their requirements as well as the relevant statutory and regulatory requirements by continuous improvement with proper adherence to the quality management system
