

The rank requirements are official as of Jan. 1, 2021. If a Scout has started work toward a rank before that date using requirements that were current before Jan. 1, 2021, except as noted below, the Scout may complete that rank using the old requirements. Any progress toward a rank that is begun after Jan. 1, 2021, must use the requirements as they are presented on [this webpage](#).

(The project must benefit an organization other than the Boy Scouts of America.) A project proposal must be approved by the organization benefiting from the effort, your Scoutmaster and unit committee, and the council or district before you start. You must use the *Eagle Scout Service Project Workbook*, BSA publication No. 512-927, in meeting this requirement. (To learn more about the Eagle Scout service project, see the *Guide to Advancement*, topics 9.0.2.0 through 9.0.2.16.)
6. While a Life Scout, participate in a Scoutmaster conference.

¹¹Assistant patrol leader and bugler are not approved positions of responsibility for the Eagle Scout rank. Likewise, a Scoutmaster-approved leadership project shall not be used in lieu of serving in a position of responsibility.

In preparation for your board of review, prepare and attach to your Eagle Scout Rank Application a statement of your ambitions and life purpose and a listing of positions held in your religious institution, school, camp, community, or other organizations, during which you demonstrated leadership skills. Include honors and awards received during this service.

7. Successfully complete your board of review for the Eagle Scout rank.¹² (This requirement may be met after age 18, in accordance with *Guide to Advancement* topic 8.0.3.1.¹³).

Notes: For Venturers working on Scouts BSA requirements, replace “troop” with “crew” and “Scoutmaster” with “crew Advisor.” For Sea Scouts working on Scouts BSA requirements, replace “troop” with “ship” and “Scoutmaster” with “Skipper.”

¹²APPEALS AND EXTENSIONS

If a Scout believes all requirements for the Eagle Scout rank have been completed but a board of review is denied, the Scout may request a board of review under disputed circumstances in accordance with *Guide to Advancement* topic 8.0.3.2.

If the board of review does not approve the Scout’s advancement, the decision may be appealed in accordance with *Guide to Advancement* topic 8.0.4.0.

A Scout who foresees that, due to no fault or choice of their own, it will not be possible to complete the Eagle Scout rank requirements before age 18 may apply for a limited time extension in accordance with *Guide to Advancement* topic 9.0.4.0. These are rarely granted and reserved only for work on Eagle.

¹³AGE REQUIREMENT ELIGIBILITY

Merit badges, badges of rank, and Eagle Palms may be earned by a registered Scout or a qualified Venturer or Sea Scout. Scouts may earn these awards until their 18th birthday. Any Venturer or Sea Scout who has achieved the First Class rank as a Scout in a troop or as a Lone Scout may continue working up to their 18th birthday toward the Star, Life, and Eagle Scout ranks and Eagle Palms.

An Eagle Scout board of review may occur, without special approval, within three months after the 18th birthday. Local councils must preapprove those held three to six months afterward. To initiate approval, the candidate, the candidate’s parent or guardian, the unit leader, or a unit committee member attaches to the application a statement explaining the delay. **Consult the *Guide to Advancement*, topic 8.0.3.1, in the case where a board of review is to be conducted more than six months after a candidate’s 18th birthday.**

If you have a permanent physical or mental disability, or a disability expected to last more than two years or beyond age 18, you may become an Eagle Scout by qualifying for as many required merit badges as you can and qualifying for alternative merit badges for the rest. If you seek to become an Eagle Scout under this procedure, you must submit a special application to your local council service center. Your application must be approved by your council advancement committee **before you can work on alternative merit badges.**

A Scout, Venturer, or Sea Scout with a disability may also qualify to work toward rank advancement after reaching 18 years of age if the guidelines outlined in section 10 of the *Guide to Advancement* are met.

EAGLE SCOUT RANK

Alternative Requirements

The Eagle Scout rank may be achieved by a Scout or a qualified¹⁴ Venturer or Sea Scout who has a physical or mental disability by completing the Application for Alternative Eagle Scout Rank Merit Badges, No. 512-730, and by qualifying for alternative merit badges. This does not apply to individual requirements for merit badges. Merit badges are awarded only when all requirements are met as stated. See the *Guide to Advancement*, topic 10.2.2.3, for details.

The physical or mental disability must be of a permanent rather than of a temporary nature or a disability expected to last more than two years or beyond age 18. The application must include a written statement from a qualified health professional related to the nature of the disability. This person may be a physician, neurologist, psychiatrist, psychologist, etc., or, when appropriate, an educational administrator in special education.

Before applying, the Scout must earn as many of the Eagle-required merit badges as possible. However, where a permanent disability clearly precludes completing specific merit badges, a Scout who has earned at least First Class may apply for an alternative merit badge without waiting until all other Eagle-required merit badges are complete. Any alternatives must present the same challenge and learning level as those they replace, and must be completed prior to the 18th birthday unless the member is registered beyond the age of eligibility (reference *Guide to Advancement*, topic 10.1.0.1–10.1.0.2).

1. Obtain a clear and concise statement related to the nature of the disability from a qualified health professional.
2. The unit leader meets with the candidate and the Scout's parent or guardian to determine the alternative merit badges to replace those impeding the Scout's advancement.
3. The unit leader, parent or guardian, and the Scout (if possible) prepare supporting letters to accompany the application.
4. The district and council advancement committees, in turn, review the proposed alternative merit badges. They may choose to speak with the Scout, the Scout's parent or guardian, or unit leader. If the council advancement committee approves, then the candidate may start work on the approved alternative merit badges.

Note: In approving the application, the district and council advancement committees must utilize the expertise of a health-care professional involved with youth who have disabilities.

¹⁴In order to be an Eagle Scout candidate, a Venturer or Sea Scout must have achieved First Class rank as a registered Scout or as a Lone Scout.

5. Upon completion of the Eagle Scout rank requirements, using the alternative merit badges, the candidate appears before a board of review. The approved Application for Alternative Eagle Scout Rank Merit Badges must be attached to the Eagle Scout Rank Application.
6. Following a successful board of review, the council processes both applications and forwards them to the National Advancement Program Team. Local council action on alternative merit badges does not require national approval.
