Honesty – The Best Policy Assembly

This week our assembly was conducted on the theme "Honesty", highlighting the value of being truthful and trustworthy in our daily lives.

Ms. Anjali from our English Department led the programme with inspiring thoughts and engaging activities that helped students understand why honesty is the best policy.

The assembly concluded with a positive message encouraging everyone to practice honesty at home and at school.

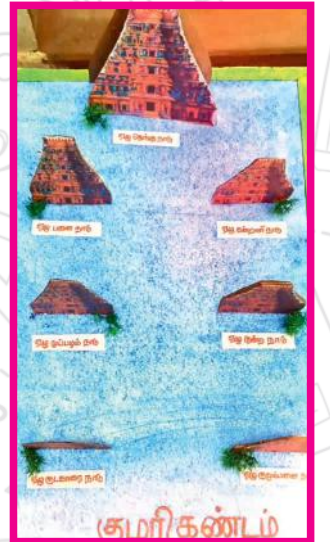

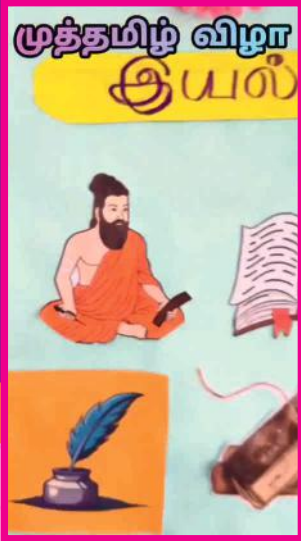

வாழ்வோடு இணைந்த கலை:

பள்ளி முத்தமிழ் விழாப் போட்டிகள்!

கலையும், இலக்கியமும் தமிழரின் வாழ்வியலோடு இணைந்தது. அதனை மெய்ப்பிக்கும் வகையில் எங்கள் பள்ளியில் தமிழ் துறையின் முத்தமிழ் விழா போட்டிகள் நவம்பர் 21,22 ஆகிய இரண்டு நாட்கள் நடைபெற்றன.

முதல் நாள் ஒன்று முதல் எட்டாம் வகுப்பு மாணவர்களுக்கான திருக்குறள் ஒப்புவித்தல் போட்டியும் இரண்டாம் நாள் அவர்களின் திறனை நிரூபிக்கும் வகையில் பலவிதமான போட்டிகளும் சிறப்பான முறையில் நடைபெற்றன.

Laundry Logic – A Smart Life Skill for Grade III!

Our Science Teacher, Ms. Kavitha conducted Laundry Logic Activity for grade III in which our student of grade Viveagan D did a useful and prominent life skill activity, a task which is important to maintain our personal hygiene, neatness and looking smart with proper dressing.

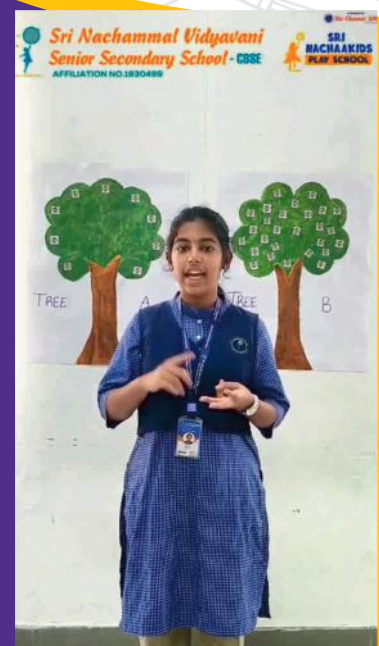

Activities like this reminded our children to learn basic needs and know it's importance in daily life.

The Savings Ladder – How Small Savings Grow Big!

In this activity, Ms. Thangamani and Grade 11 students created two "savings trees" to compare simple interest and compound interest. One tree grew with steady, fixed steps, while the other grew faster as it earned interest on both the principal and previous interest.

Through the growing branches, students clearly saw how small savings grow bigger with compounding —showing the power of long-term saving!

Melodious Moments in Music Class

Our talented music students showcased their skills with great enthusiasm, creating a wonderful harmony of rhythm and melody.

They played the drums, guitar, and keyboard beautifully, filling the air with vibrant tunes. This activity helped them explore teamwork, creativity, and the joy of expressing emotions through music.

Cross Body Writing – A Fun Challenge!

Our students of Grade III D took on a unique and entertaining challenge — writing their names using both their left and right hands! What started as a simple task quickly turned into a fun test of coordination, creativity and laughter.

Activities like these remind us that learning can be fun, hands-on, and full of surprises!'

A Colourful Children's Day Filled with Love & Happiness

Our teachers made Children's Day extra special with wonderful performances. The children enjoyed every moment, cheering, laughing, and celebrating with excitement.

It was a joyful day filled with love, happiness, and bright smiles all around! Wishing all our little stars a Happy Children's Day!

Garden Leaf Exploration – A Fun Outdoor Learning!

Our Grade 4 students went on an outdoor adventure to collect different shapes of leaves. They explored the garden and found leaves of various shapes and sizes. Some leaves were long and narrow, while others were round or heart-shaped and also observed the different patterns and colors on the leaves.

Students enjoyed collecting leaves and learning about the different types of plants in our garden...

It was a fun and exciting experience!

Balanced & Safe Internet Use – Assembly by English Department

Today's assembly was conducted by Ms . Abirami from our English Department, focusing on the theme "Internet Usage."

Students presented a meaningful mime, a lively dance, a calming yoga demonstration, and a disciplined silambam display, all highlighting the importance of using the internet wisely and maintaining a healthy balance in daily life.

The assembly reminded everyone to stay safe online and use technology responsibly.

Quantum Dice Game – Discovering the Magic of Observation!

Our Grade 9 & 10 students explored the fascinating world of quantum mechanics through the Quantum Dice Game! Each student rolled the dice twice and noted both outcomes — just like how quantum particles can exist in multiple states. Once an observation rule such as "the smaller number counts" was applied, they circled their final result.

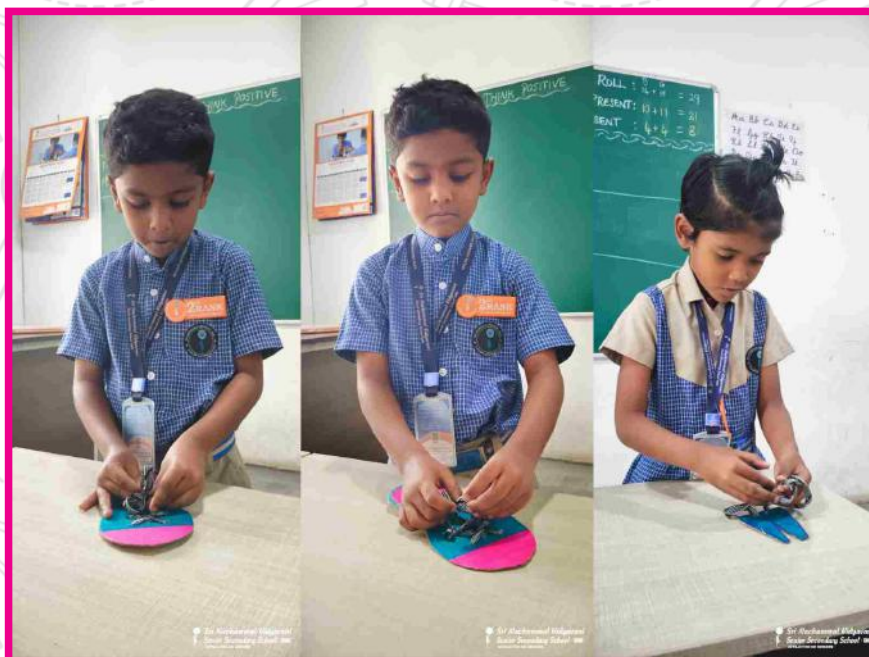

This engaging and thought-provoking activity helped students understand that in the quantum world, many outcomes are possible — but only one becomes real when observed!

Tying a Shoe Lace Activity – Grade 1 Students

Our Grade 1 students learned to tie their shoe laces properly — an important daily skill for keeping shoes secure and comfy! They practiced crossing, looping, and tightening the laces while improving their focus, patience, and hand coordination.

This fun and engaging activity also helped build teamwork, responsibility, and independence among the young learners!

Unit Price: Learning to Buy Smart

Unit Price Deduction

In this activity, our students learned how to be smart shoppers by checking the unit price of different products before buying them. They compared prices, calculated which item offered the best value, and made wise choices while shopping.

Through this fun and practical lesson, our students understood the importance of spending wisely, saving money, and making smart decisions.

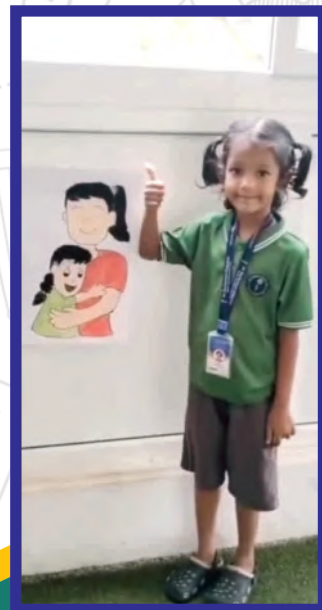

My Safety – Awareness about Good and Bad Touch!

Our Little Seniors took part in a meaningful theme-based activity focused on Good Touch and Bad Touch. Through a song, toy demonstrations and picture recognition activities, our Lil learners were gently guided to understand the difference between safe and unsafe touch.

The interactive sessions empowered them with age-appropriate knowledge and helped build awareness, confidence and trust.

They now know when to say NO, and the importance of speaking to a safe adult. It's never too early to teach kids to be aware, confident and protected!

Drone Animal Rescue Activity – Grade 7C

Our students of Grade 7C participated enthusiastically in an exciting "Drone Animal Rescue" activity conducted as part of their Robotics and STEM learning program.

During the session, students learned the basic principles of drone flight, balance, and control mechanisms. They then designed a simulated rescue mission, where their drone models were used to identify and transport lightweight animal figures from a danger zone to a safe area.

This engaging hands-on activity not only enhanced their understanding of robotics and aerodynamics but also encouraged teamwork, innovation, and empathy for animals.

Economics Activity – Emoji Economics Debate

Our students took part in an exciting Emoji Economics Debate where they explored the concept of value using fun emojis!

They rated classroom objects and habits, discussed why some are more valuable than others, and shared their ideas in a lively debate session.

This creative activity helped them build economic understanding and improve their communication skills

Happy Children's Day

Our little stars are eagerly waiting to shine bright with joy, laughter, and excitement as they are going to celebrate Children's Day tomorrow!

The school is going to be filled with colour, music, and happy smiles everywhere! Happy Children's Day to all our little angels — you always make our world bright and beautiful!

Composting Club (Life Skills)

Our young eco-warriors launched a Composting Club! They collected leftover food and waste, layered it carefully, and watched it turn into rich compost for our garden. Through this, they learned to care for nature and reduce waste.

Eco-News Tracker: Balance with Nature Watch

Grade 9A students promoted environmental awareness through the Eco-News Tracker Activity. They collected and displayed news from Tamil Nadu on water conservation, organic farming, and waste reduction.

Guided by their teacher, they discussed balancing human needs with nature and learned that sustainability begins with awareness. Inspiring steps toward a greener tomorrow!

Nacha Market for Students – Grades 5 & 6

Our Grade 5 & 6 students had an exciting real-life learning experience through the Nacha Market Activity! Students turned into little entrepreneurs as they set up creative stalls like Accessories Stall , Wax Sculptures , Healthy Food Stall , Saplings , and Stationery Stall . They sold items, managed money , and interacted with customers .

This fun-filled activity boosted their confidence , teamwork , responsibility , and financial skills .A perfect blend of learning + fun = Nacha Market!

Food Mela 2025 – A Fireless Feast by Grade 6!

Our Grade 6 students showcased amazing creativity and teamwork through a fun Fireless Cooking Activity under Vocational Education. From healthy salads to tasty chaats, every dish was made with love, hygiene, and joy! Kudos to our young chefs for making the Food Mela a delicious success!

மனிதத்தை கற்றுக்கொடுக்கும் மாணவர்கள்! எங்கள் மாணவர்கள் எடுத்த அழகிய முயற்சி!

எங்கள் மாணவர்கள் தங்களது அன்பான ஆயம்மா அவர்களுக்கு அவர்களின் பெயர்களை எழுத கற்றுக்கொடுத்தனர் இந்த அன்பான செயல், மாணவர்களின் மரியாதை, கருணை, மற்றும் பொறுப்புணர்வை வெளிப்படுத்தியது. அவர்களின் இந்த நெகிழ்ச்சியூட்டும் செயல், அனைவருக்கும் ஒரு முன்மாதிரியாக அமைந்தது.

மாணவர்களின் இதயம் நெகிழ்ந்தது.
அன்பு மனிதத்தின் முகம் என தெரிந்தது.

Morning Assembly – Education Changes Life

Today's morning assembly was wonderfully hosted by Ms. Begum Nazia from our Computer Science Department. The theme "Education Changes Life" highlighted how learning empowers and transforms our future.

A thoughtful skit and inspiring messages reminded students to value education, stay curious, and keep growing with confidence and determination.

Nacha Uzhavar Sandhai – Grades 1 & 2

Our little students from Grade 1 & 2 enjoyed a joyful and hands-on learning experience through the Nacha Uzhavar Sandhai!

Children turned into tiny vendors as they set up colourful stalls with fresh vegetables, fruits, flowers, grains and hand crafted items. They learned to sell and handle digital money while cheerfully interacting with customers. This fun-filled market activity helped children build confidence, communication, responsibility, and practical life skills.

A perfect blend of learning and fun – our Uzhavar Sandhai was truly a harvest of happiness!

Grade 9 News Corner – Young Minds, Big Ideas!

Our Grade 9 students have launched a News Corner — where learning meets the real world!

Each week, they share and discuss current news on environment, science, sports, and world events, boosting their confidence and communication skills. It's a step towards shaping informed, responsible, and thoughtful citizens!

National Energy Conservation Awareness!

Our students from Grades 5–9 participated in the National Level Painting Competition organized by Power Grid Corporation, Chennai, showcasing creative ideas on saving energy and protecting our planet.

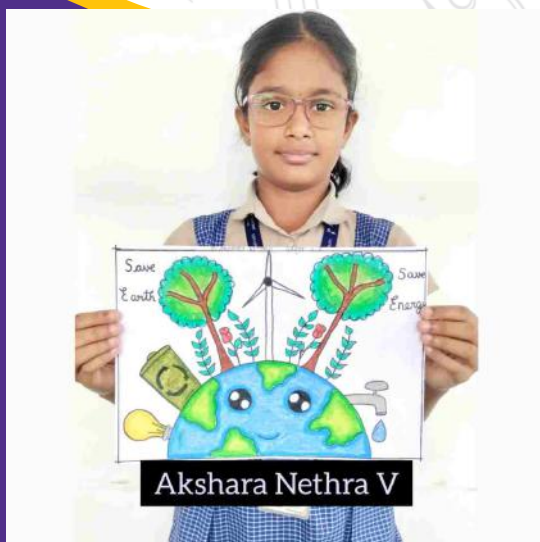

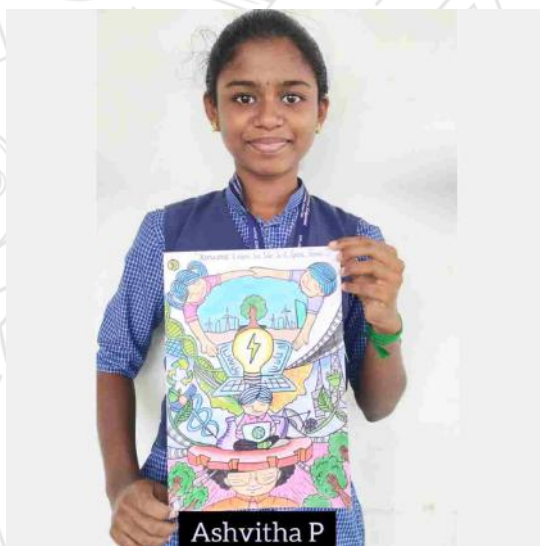

Selected for Next Level:

Akshara Shree – Grade 5, Meha Shree – Grade 5, Threya – Grade 8

Ashvitha – Grade 9

Their artworks beautifully reflected sustainability and innovation for a greener future.

Here are some of the best paintings from our talented young artists!

Birthday with a Green Twist!

At our school, students celebrate their birthdays in a special way by donating saplings instead of chocolates or gifts. This thoughtful act spreads love for nature and teaches the importance of giving back to our planet.

Each sapling planted becomes a living memory of their special day, growing strong and beautiful just like them!

Musical Chairs Fun – Joy in Every Beat

Fun, Music, and Giggles All Around!

The room was filled with laughter, excitement and lots of happy faces as our little ones danced to the music and raced to find a seat when it stopped.

Activities like these not only bring joy but also help our young learners develop listening skills, coordination and the spirit of friendly competition.

Class V-B Assembly – Theme: "Respect"

Class V-B presented an inspiring assembly on "Respect."

Students performed a lively skit highlighting the importance of respecting parents, teachers, and elders. The Repartee session (Thiruvilayadal Style) added fun and thoughtful exchanges on valuing respect in daily life. The assembly ended with a positive affirmation to stay kind, respectful, and caring toward everyone.

Make Friends" Field Trip!

Our students from Nachaakids, Cheyur went on a joyful "Make Friends" field trip! Children had a wonderful time playing games and meeting new friends in the main school.

They learned to share, help, and care for one another — building bonds of friendship and kindness. It was a fun-filled learning experience that filled their hearts with happiness and love!

உண்மையான நட்பு

செயற்கரிய யாவுள நட்பின் வள்ளுவப் பெருந்தகை தமது திருக்குறளில் நட்பின் மகத்துவத்தையும், தீய நட்பின் பாதிப்பையும் அழகுற விளக்கியுள்ளார். அவரது சிந்தனைகளை அடிப்படையாகக் கொண்டு, எம் மாணவர்கள் எளிய தமிழில் ஒரு அழகிய சிறு பட்டிமன்றம் நடத்தினர்.

இந்த நிகழ்ச்சி மாணவர்களுக்கு நட்பின் உண்மை அர்த்தத்தை உணர்த்தியதுடன், தங்கள் எண்ணங்களை தன்னம்பிக்கையுடன் வெளிப்படுத்தும் வாய்ப்பையும் அளித்தது.

Celebrating Our TA-1 Rank Holders!

Proud Moment! We are delighted to celebrate our Terminal Assessment 1 - Rank Holders from Grade 1 to 12. Their hard work, dedication, and excellence have made us all proud!

A special Rank Holder Badge was proudly presented during the Assembly. Congratulations to all our shining stars for their outstanding achievements! Keep reaching for success and inspiring others!
