## MOON DAY CELEBRATIONS

---

Looking at the moon on a full moon night is a blissful experience and we at SNVV make it a practice to enjoy the moon light together as students and teachers. We enjoy "NILACHORU", a moon light dinner together and students talk about their dreams with others. Positive energy on a full moon day is more compared to other days and anything that's spoken on a Full Moon Day attracts positivity and has higher chances of manifesting. The whole experience is enchanting and energising.

## NACHAA MARKET DAY

On all new moon days children are provided with an opportunity to set stalls and sell their own products which help them attain financial intelligence by earning and saving their money in their post office accounts.

## DAY OUT

Excursions and field trips to the places of historical, cultural richness and religious significance are organized every year. Students of Senior secondary classes are registered for internship program which helps them earn while they learn.

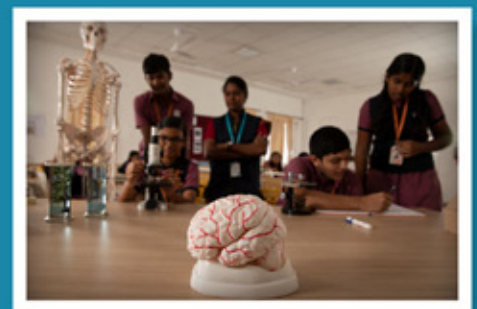

## HOME ECONOMICS

Students here learn to repair vehicles, home appliances, cooking, with the help of teachers to facilitate and supervise them just to prove that they are not only prepared for education rather they are educated to solve their day today problems in their lives.

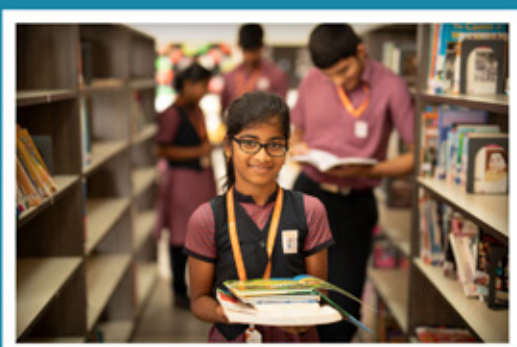

## LABORATORIES

The school provides well equipped laboratories to nurture their interest in learning the subject with practical approach.

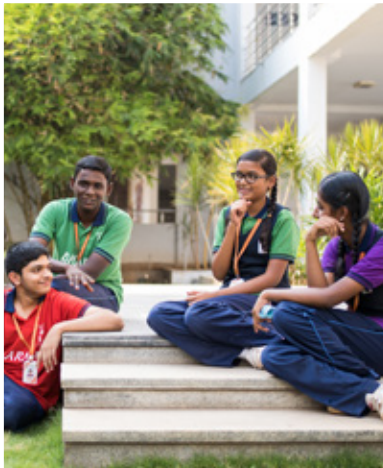

## LIBRARY

Libraries continue as an integral part of their class activities. The books they read are suitably selected for their age.

# Curriculum

The school follows Rhetorical Curriculum at the Pre Primary Level and NCERT Curriculum at all other levels. The educational program is so comprehensive that it helps each and every child to progress in the path of success and deepen their understanding. It fosters social, emotional, cognitive, and physical development, through art activities, games, music, story-telling, number, reading readiness, dramatic play, science, social studies and the culinary arts. The curriculum helps teachers to develop a holistic educational program that is customised for each child and makes it an exciting learning experience.

## Nature Covered Environment

The sprawling 12 acre campus is situated in a calm atmosphere that's conducive for learning. The campus is situated away from the hustle and bustle of the city in the lap of nature.

## Smart Classrooms with Sunlight

Deep understanding of subjects also kindle the creative essence in every child. An enriching learning experience is guaranteed.

# NEET/JEE/UPSC/CACPT

Doors of the future easily opens for a well prepared student. Specialised coaching for NEET, JEE , UPSC and CACPT is offered for the students. One hour in a day is allocated for this with experienced faculty handling the sessions for the children of class 9 to 12.

## Scholarships

“SNVV provides scholarships to both its existing students and new students based on

- 1.Merit
- 2.Excellence in Sports

Students who have proved themselves in either academics or sports will be encouraged with a generous scholarship to excel even more.”

## Sports

A medal in olympics cannot just remain a dream for us. Righteous action to encourage students in sports, from a very young age is essential. We have designed “ONE KID, ONE SPORT” concept in which every student will choose one sport at the beginning of every academic year and will be trained in that particular sport. Every kid will be trained one hour a day. Based on their interest and performance, they can continue with the sport or switch to another in the next year. Mandatory involvement in a sport and eventually finding the right one to continue is ensured through this concept. To support a talented kid who’s participating in district/state/ national level competitions outside school, a dedicated coach will be appointed by the school and facilitate professional coaching.

# Club Activity

Sri Nachammal Vidyavani always believes in excellence beyond academics. It gives ample opportunities and avenue for students to express and hone their multiple talents. Students can actively participate in intra school competiitons and club activities that are conducted throughout the year. Club activities are not just about pursuing interests, but also they help the students in improving their communication, social and leadership skills. More than 10 clubs are offered by the school and students from KG to XII can choose the club of their choice based on their interests and skills. During the club periods, students share their ideas and enjoy the experience of learning from each other. Not only do the teachers guide the students but also experts are invited to share their ideas and experiences with the children.

# Internship Program

The school offers a well designed internship program to students in which they can gain professional experience. It helps the students to be exposed to the professional culture and also equip themselves for future careers. A taste of the professional world while still at school, is a unique opportunity for children.

# Special features
