Principal's Note

"Education is the passport to the future, for tomorrow belongs to those who prepare for it today".

I feel elated to mention that our school is scaling new heights with the sign of progressive and quality education. With team of dedicated teachers, we always aim to create an environment where students eagerly look forward to come to school.

This newsletter is a platform that reflects vibrant talents of our future ready children.

My Heartiest Accolade

My heartiest accolade goes to all my wonderful students who have made this newsletter more meaningful by contributing effectively and making it to the mark.

A "Education is the key that unlocks the golden door to freedom."

B "Education's purpose is to replace an empty mind with an open one."

C "Education is not preparation for life; education is life itself."

LEARNING ENHANCEMENT PROGRAMS

Building Bonds Through Play: A Day of Teamwork and Fun!

To promote teamwork and coordination among students, a special gaming activity was conducted on our school campus. Students actively participated in the fun-filled task designed to enhance their motor skills and cooperative abilities.

The enthusiasm and spirit displayed by the students made the event lively and impactful. Overall, the activity successfully fostered physical fitness, focus, and collaboration, providing a refreshing and educational break for the kids.

Celebrating Our Green Olympiad Stars!

Green Achievers of Sri Nachammal Vidyavani School!

Many of our students have participated in the prestigious Green Olympiad, with several earning Certificates of Merit for their outstanding performance!

We are proud of our young eco-champions for showing their dedication to sustainability and environmental awareness.

Keep up the great work!

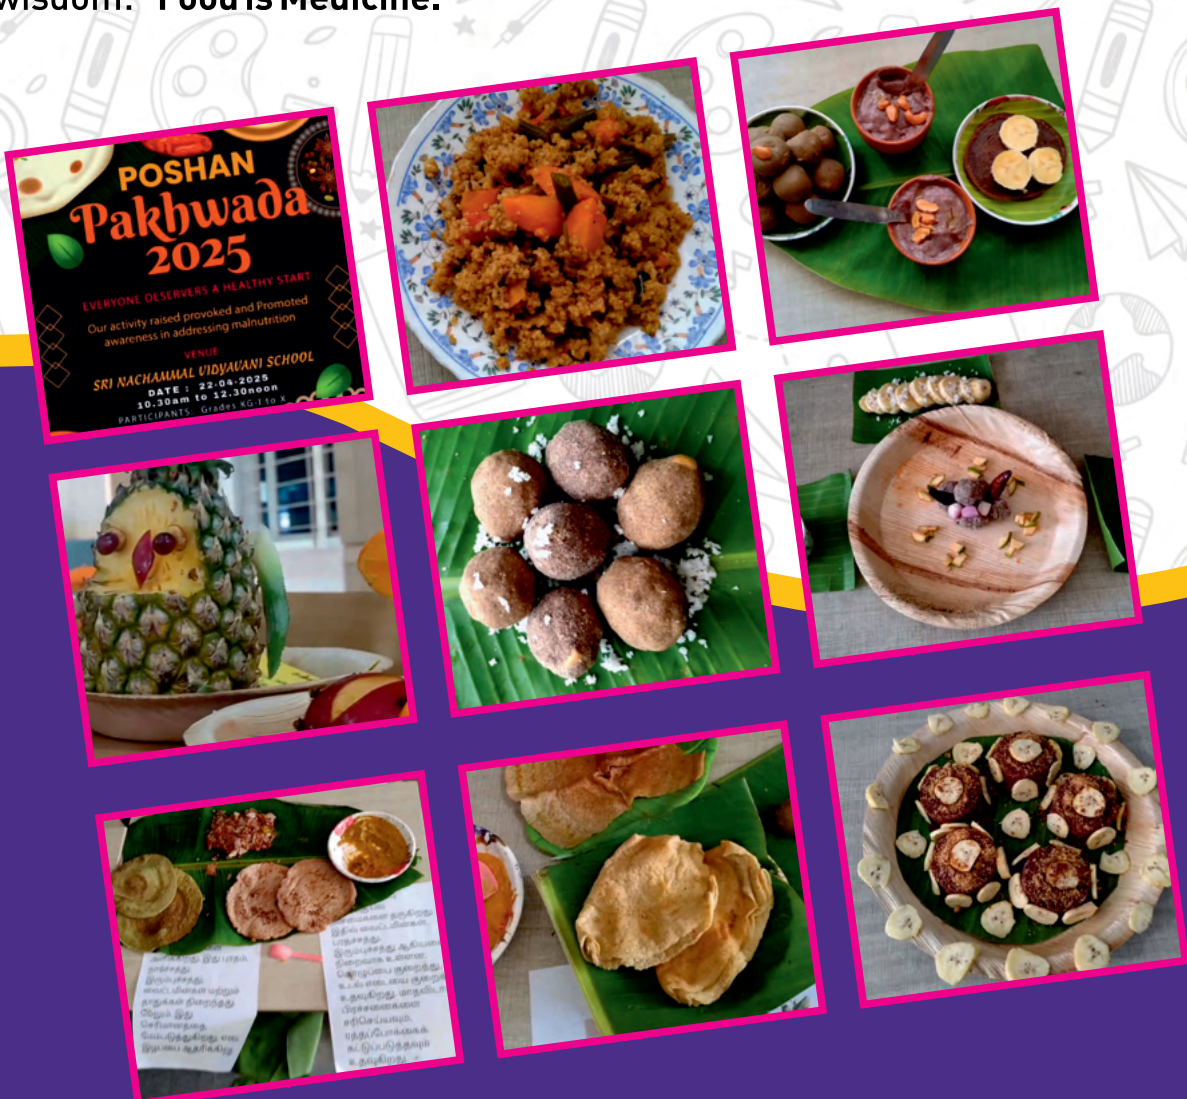

"Food is Medicine" – Millet Food Festival under CBSE Poshan Pakhwada

As a small yet meaningful initiative to promote healthy eating habits and highlight the health benefits of including millets in daily meals, a special event titled Millet Food Festival – CBSE Poshan Pakhwada was organized. Students from kindergarten to Grade 10 showcased a wide variety of dishes made using millets, including idli, dosa, pongal, puttu, upma, adai, porridge, kali, and laddus. To spread awareness about the benefits of greens, students prepared and brought various green-based dishes made at home for display.

They also made fresh fruit and vegetable salads at school with the help of teachers, sharing and enjoying them together with joy. In addition, creative figures and art forms were crafted using fruits and vegetables.

The festival was celebrated with great enthusiasm, and it successfully instilled the value of healthy food habits among students—emphasizing the timeless wisdom: **"Food is Medicine."**

Doodle A Day Marathon - Summer Just Got More Colourful!

Our kids are taking creativity to the next level with #DoodleADay – one doodle, every day during summer!

From wild imagination to wonderful masterpieces, they're expressing themselves one sketch at a time — and staying joyfully engaged while at it!

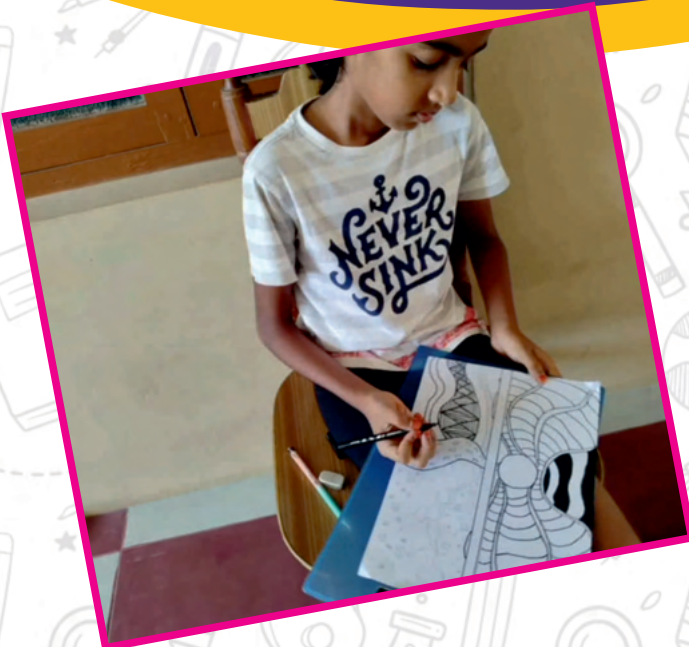

Take a look at their daily doodles and get inspired to start your own! Because sometimes, all it takes is a pencil and a little time to spark something magical.

A Doodle a Day Keeps the Boredom Away!

This summer, our kids are turning imagination into magic—one doodle at a time! We're on a Doodle-a-Day Marathon, where each day brings a brand new creation filled with color, creativity, and kid-sized wonder.

From trees to butterflies, every stroke tells a story straight from a little heart and big imagination.

A Jar Full of Stories: Sparking Imagination One Prompt at a Time!

The "Story in a Jar" activity sparks creative writing and imagination. Nownika from Grade XI created story starters inside a jar and crafted a unique and engaging story. This activity not only promoted creativity and enjoyable learning but it also made it perfect for a holiday assignment.

Beyond the Classroom: Discovering Mrs. Maheshwari's Creative World!

Our multi-talented teacher, Mrs. Maheshwari, from the Tamil Department has shared her exciting interests and hobbies with us.

With passions for singing, cooking and creating beautiful Rangoli art, she has shown us her special skills.

This will help students with similar interests to connect with her on a deeper level, building a stronger bond and making learning even more fun!.

மாங்காய் பச்சடி

Shadows of Imagination: Nithilan's Artistic Twist

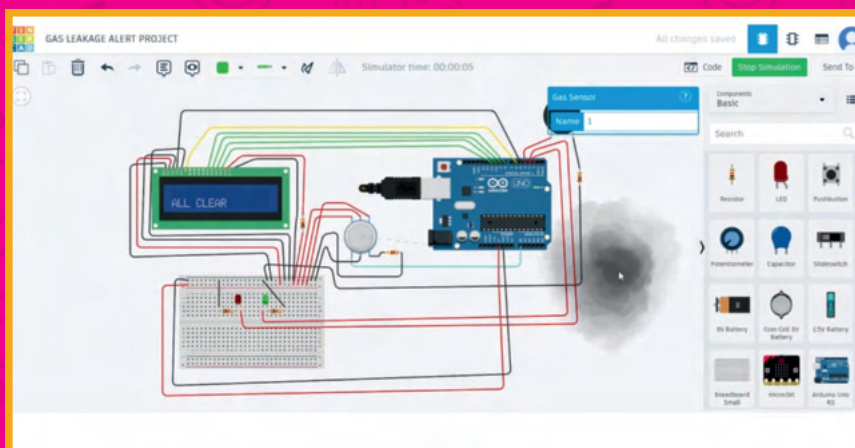

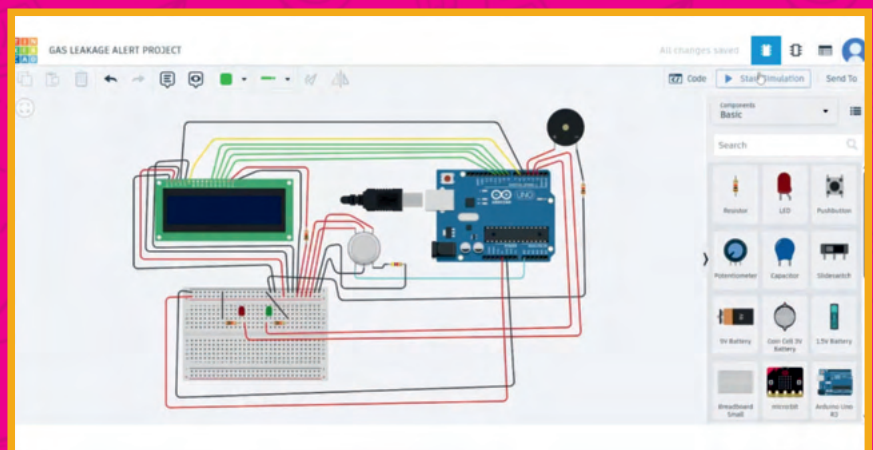

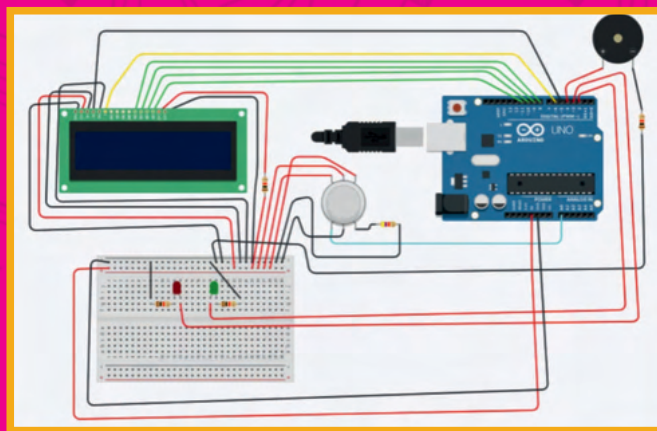

Nithilan from Grade IX showcased his creativity by crafting intriguing shapes using everyday objects. This activity not only honed his observation skills but also sparked his visual imagination, bringing out the artistic skills in him.

Innovative Minds at Work: Alfrin's Gas Leak Detector

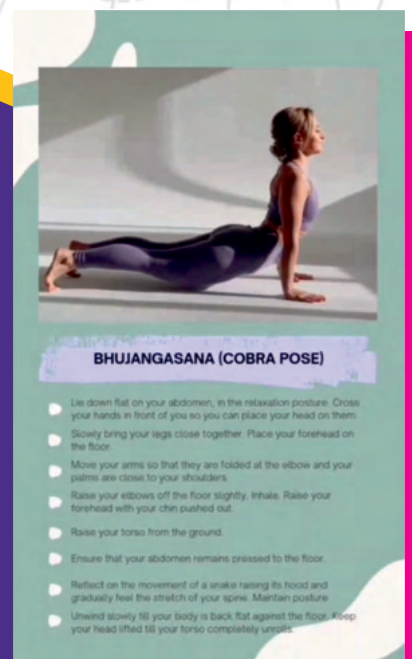

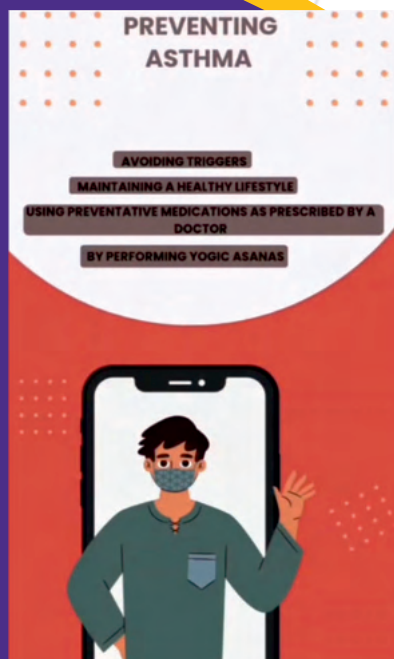

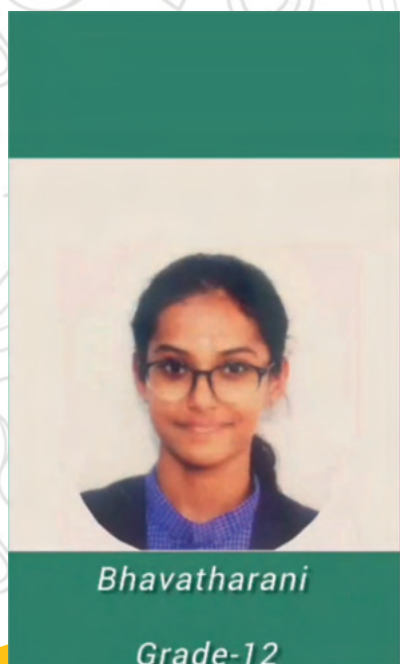

Alfrin Thapasiya V of Grade IX has showcased her ingenuity by developing an innovative solution to detect gas leaks from cylinders at home.

This activity encouraged critical thinking and problem-solving skills, empowering her to think creatively and make a positive impact. Her invention has the potential to enhance home safety and prevent accidents.

Breath of Relief: Bhavatharani Advocates Yoga for Asthma Awareness

Asthma Day Our student Bhavatharani of Grade XII, sheds light on asthma, its effects, and the transformative power of yoga. Learn how simple yet effective yoga practices can alleviate symptoms, enhance respiratory health and boost overall wellness.

Sunday Spiced with Love: Sanjusam's Family Time

Here we have a joyous moment where our Grade-6 student Sanjusam has spent a special Sunday with his family members by engaging in cooking his favourite dish.

This moment signifies the importance of family bonding. Family time makes us feel happy, safe and loved.

Family is like a dough kneaded with love, care, and affection making it delicious for a lifetime. Hence cherish the family that you are blessed with.

A Refreshing Break in Munnar!

Blissful moments in Munnar! Our ICT Teacher, Ms. Begam Nazia, shares her delightful experience from our recent staff trip: 'No lessons, no bells, just steaming cups of chai, chats and joyful moments amidst nature's splendour. What a wonderful escape with an amazing group of colleagues!'

Superpower Spotlight: Young Creators at Their Best!

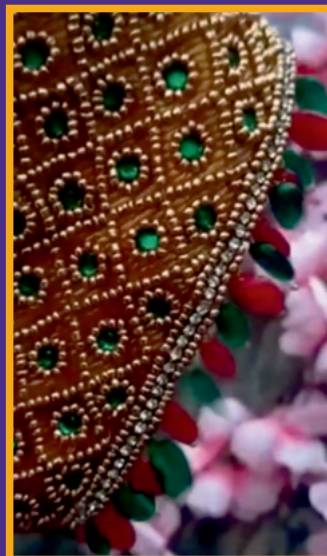

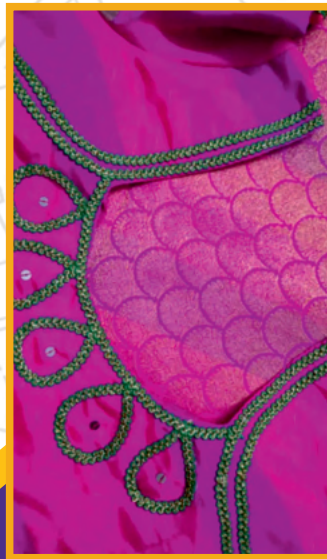

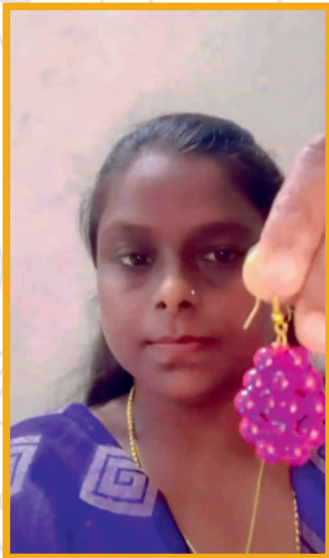

Kudos to Mithunan and Mithran of Grade VIII! Their superpower-themed video is a huge success, showcasing engaging storytelling and boundless imagination.

This project has not only honed their creative skills but also has boosted their confidence. Well done, young talents – You've proven to be talented young stars!

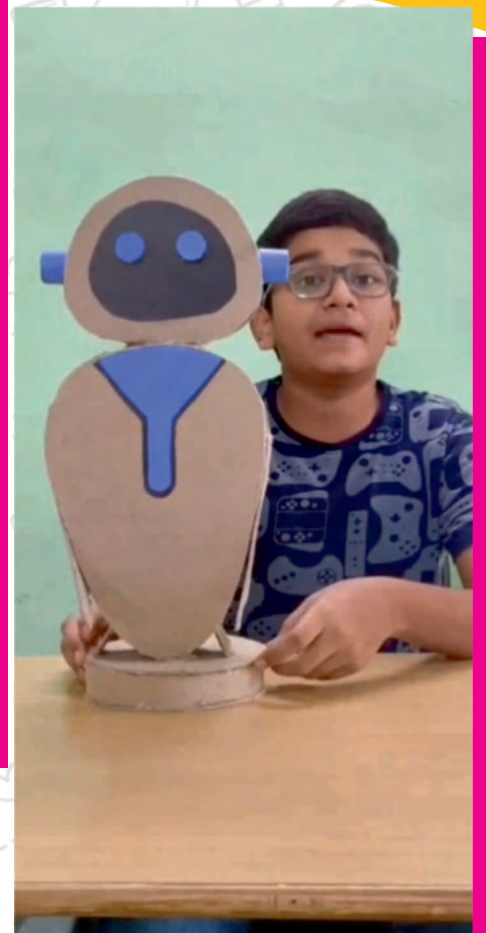

Beyond the Classroom: Ms. Hajira's Creative Spark!

Beyond the classroom, Ms. Hajira our Cultural Coordinator shines in our Skill Spotlight, flaunting her stitching, jewellery making and makeup artistry! Her attention to detail and creativity are truly inspiring. Her approachable nature makes the kids feel happy to have her as a role model.

Tiny Bot, Big Dreams: Ashwanthvel's Summer Innovation!

This summer our young innovator, Ashwanthvel of Grade IX has built a tiny robot that showcases his creativity and technical skills. This hands-on project not only sharpened his problem-solving abilities but also fostered his imagination and passion for robotics.

Librarian's Pick: Fuel for Young Minds!

Book Recommendation - A must-read for young minds!

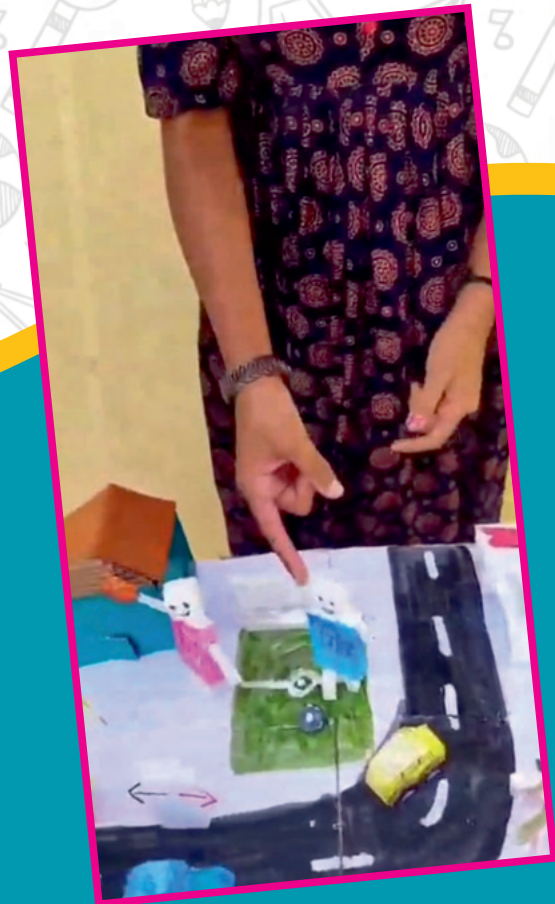

Our Librarian, Ms. Gandhimathi has highly recommended a wonderful children's book that will foster intellectual curiosity and promote well-rounded learning. Her thoughtful suggestion will be a great way to spark young minds and encourage a love for reading!

Deethya's Dream City: A Future Built with Innovation and Joy

Deethya of Grade 8, has created a Dream City where robots work together to build houses, making construction faster and more efficient. The traffic is managed by intelligent systems that instruct and guide vehicles, reducing congestion and ensuring smooth flow.

Amidst the hustle and bustle, an ice cream seller brings joy to the citizens, spreading happiness throughout the city. This futuristic city will combine innovation, technology, and community, making it a wonderful place to live.

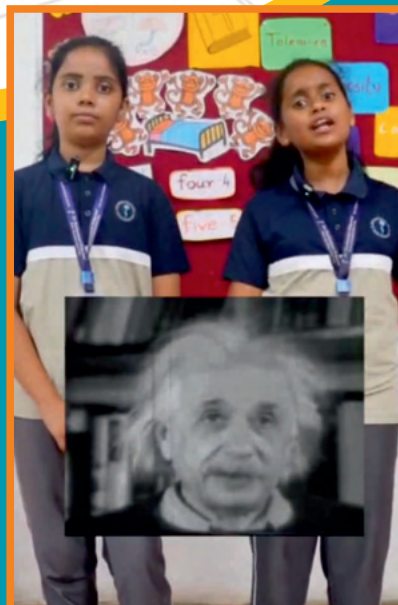

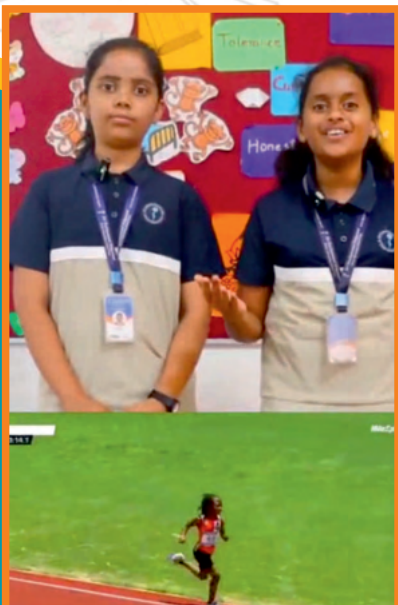

Think Before You Believe: Detecting AI Fakes at SNVV!

Can you believe everything you see online?

Our students explore how to detect AI-generated videos that look convincing—but are completely fake- from talking cats to Einstein using smartphones!

With AI tools getting better every day, it's more important to question, verify and not fall for fake news. Because as Nachammalian's we don't just learn-we learn to think smart.

Doodles with a Heartbeat!

Little Hands, Big Imagination!

Look what our tiny artist has been up to this summer! Instead of just playing around, she picked up her colors and filled the page with the most adorable doodles—from beautiful houses to rainbow sky!

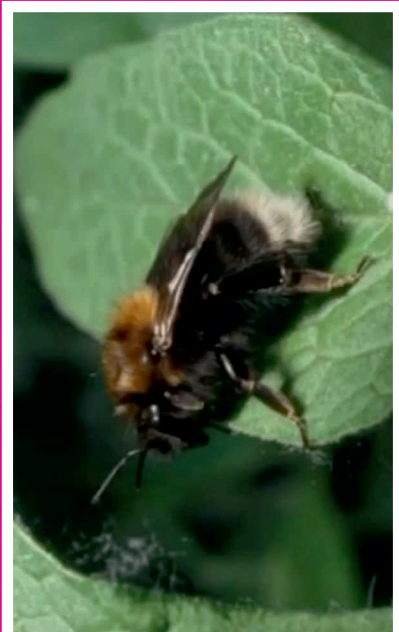

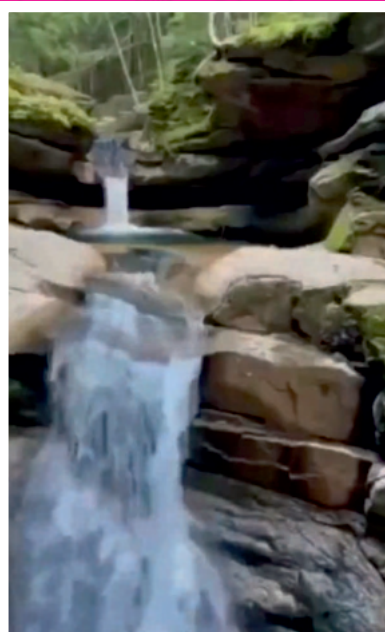

But wait—the best part? She explained each drawing in her own cute little words! Every doodle comes with a story only a child could imagine—pure, sweet and full of wonder.

We just can't stop smiling... and we bet you won't either!

Dharshanya's Nature Sound Hunt Adventure!

Our student Dharshanya of Grade 7, went on a Nature Sound Hunt adventure! Learning beyond the classroom!.She discovered the sweet sounds of nature - birdsong, waterfalls, and more!

Serving with Devotion: Neer Mor Pandhal at Avinashi Temple Chariot Festival

As part of our humble community service, Sri Nachammal Vidyavani and Srinachaakids School set up a Neer Mor Pandhal (buttermilk distribution stall) during the grand Temple Chariot Festival at the sacred Avinashiappar Temple, Avinashi.

We were honored to serve refreshing buttermilk to all devotees, offering them comfort and care as they braved the summer heat to participate in the spiritual procession. This gesture reflects our institution's deep-rooted values of compassion, culture, and service to society.

BEYOND BOUNDARIES: EDUCATIONAL EXPLORATIONS AND FIELDTRIP

Aquatic Adventure at Black Thunder: A Day of Splash, Smiles & Thrills!

Our school organized a fun-filled Aquatic Adventure Trip to Black Thunder Water Theme Park in Mettupalayam for students from grades 4 to 12. Excitement filled the air as our kids arrived at the park, surrounded by green hills and a refreshing breeze.

They enjoyed thrilling water rides like the Wave Pool, Lazy River, and Twister Slides, while younger kids had a blast in the Kids' Pool. They also explored dry rides and relaxed with friends. The trip was safe, well-organized, and filled with laughter, making it a memorable day for everyone.

Recharged in Munnar: A Journey of Joy & Togetherness

Our School Management organised a rejuvenating two-day trip for the teachers and administrative staff. Munnar's breathtaking beauty provided the perfect blend of relaxation, enjoyment and created a strong sense of togetherness. The scenic drive also had set the tone for an unforgettable experience.

The trip was not just a break from routine, but also a wonderful opportunity to bond, unwind and return with renewed energy.

Thank You

We express our heartfelt gratitude to our students, teachers and parents for their valuable contributions and also for their incredible support to make every event happen in a great manner. Together we make learning and development good, better and best
