Principal's Note

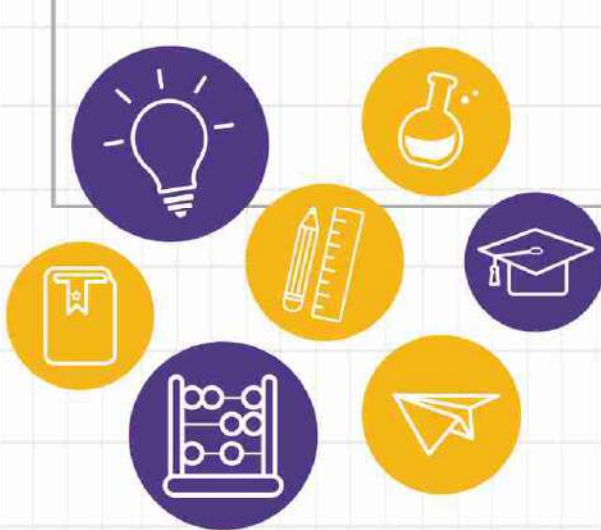

"Education is the passport to the future, for tomorrow belongs to those who prepare for it today".

I feel elated to mention that our school is scaling new heights with the sign of progressive and quality education. With team of dedicated teachers, we always aim to create an environment where students eagerly look forward to come to school.

This newsletter is a platform that reflects vibrant talents of our future ready children.

My Heartiest Accolade

My heartiest accolade goes to all my wonderful students who have made this newsletter more meaningful by contributing effectively and making it to the mark.

- A "Education is the key that unlocks the golden door to freedom."
- B "Education's purpose is to replace an empty mind with an open one."
- C "Education is not preparation for life; education is life itself."

MAGNIFICENT MARCH

LEARNING ENHANCEMENT PROGRAMS

Press Conference

The Press Conference was successfully conducted by the students of Classes IX and XI as an engaging and meaningful leadership activity . The event served as a dynamic platform for students to confidently present their ideas, respond to questions, and interact openly with the school community .

Through this initiative, the students of Classes IX and XI enhanced their public speaking skills, strengthened their self-confidence, and demonstrated a clear understanding of leadership, accountability, and responsibility . The press conference also promoted teamwork, transparency, and active participation, reflecting their maturity and readiness to take initiative .

Overall, the activity proved to be a valuable experiential learning opportunity that empowered students to develop essential communication and leadership qualities. The programme was guided and coordinated by Ms. Razeedha R, Department of Social Science .

Activity : மக்கள் குறையும் தீர்க்கும் முறையும்

Teacher : ந. சிந்தியாபூரணி

சேதமடைந்த சாலையை சரிசெய்ய வேண்டி பொதுமக்கள் அதிகாரிகளை அணுகும் நிகழ்வு role play ஆக நடத்தப்பட்டது . இது சாலை பாதுகாப்பின் அவசியத்தையும், மக்கள்-அரசு ஒத்துழைப்பின் முக்கியத்துவத்தையும் எடுத்துரைக்கப்பட்டது .

Tamil Nadu Architecture Build Activity

The Grade 7 students actively participated in the Traditional Engineering activity under the guidance of Mrs.Suganya .

Students learned about the beautiful tiered structure of a traditional gopuram and worked together to recreate it using natural materials . They carefully balanced height and stability while constructing their model, showing teamwork and creativity .

This activity encouraged experimentation, problem-solving, and a deeper respect for our rich traditional engineering and local knowledge . It was truly a meaningful and engaging learning experience for all the students .

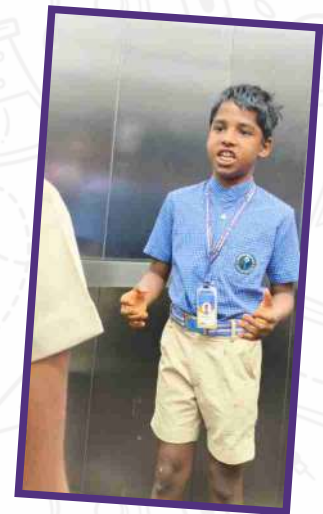

Elevator Pitch Relay

The students of grade V actively participated in a fun activity called Elevator Pitch Relay on Environmental issues and global warming.

This session helped students to work in teams to discuss the issue and agree on one practical solution.

This activity also enhanced students to elevate their ideas for a sustainable future. Through effective teamwork and clear communication the students came to a conclusion that Global Warming is a Global Warning and small steps today can make it greener tomorrow.

This activity was conducted by Ms. Nithyapriya that gave young minds a voice for the planet.

Moonlight Day – A Night of Courage & Joy

Will children cry for sleeping without mom and dad?

Oh no... not when school turns into a moonlight adventure!

Our Little Seniors stepped into a night full of giggles and glowing smiles. From racing around the playground to enjoying tasty snacks, the fun just kept getting better. Zumba beats, exciting games, and joyful laughter filled the evening air. Dinner under the twinkling moon made the night even more special.

Snuggled up with friends and teachers, our little champs listened to a cozy bedtime story and drifted off like shining stars.

Morning began with refreshing yoga stretches, bright smiles, and hearts full of happy memories. Moonlight Day wasn't just a night stay — it was a beautiful experience of courage, friendship, and magical moments!

Emotional Compass Activity – Grade 3

The Grade 3 students actively participated in the Emotional Compass activity under the guidance of Ms. K. Susithra . This engaging session helped them understand and express their emotions in a joyful and meaningful way.

The children explored the four emotional directions — North (Fast & Energetic), East (Loud & Active), South (Calm & Slow), and West (Quiet & Focused) — and realized that every feeling is natural, important, and valuable.

This thoughtful activity encouraged students to express themselves confidently, respect others' feelings, and develop strong emotional awareness. It was wonderful to see them growing into confident, caring, and emotionally intelligent learners.

Negotiation Bazaar

Grade 4 students enthusiastically participated in the Negotiation Role-Play – Classroom Bazaar, where they explored negotiation strategies in buying and selling handmade items. Each attempt was recorded and analyzed, helping learners understand the importance of trust and effective negotiation for better communication and improved business skills. The activity was effectively guided and supervised by Ms.Swathi, from our English department, making the session practical, engaging, and informative.

Ready, Set, Fan!

Our students took "horsepower" to a whole new level with our Fan Powered Car Rally! Using a bit of ingenuity, some recycled materials, and plenty of "wind power," these mini-racers zoomed across the finish line.

It was a fantastic day of hands-on learning, where our young engineers explored the principles of force and motion through creative play. We are so proud of their hard work and team spirit!

Fortune Favors the Bold: Grade 3 Investment Challenge

The Grade 3 students actively participated in the Wheel of Fortune Investment activity under the guidance of Ms. Manjureka from the Mathematics Department.

Students invested tokens in sectors like farming, textiles, and education, representing their shares. They took turns spinning the wheel, which showed “+” or “-” amounts. If it landed on “+”, their shares increased; if on “-”, their shares decreased.

Through this fun activity, students learned basic financial concepts such as profit, loss, and smart decision-making. Some students also demonstrated and explained the results, enhancing their confidence and communication skills.

Shining Stars: Grade 3 to 8 Talent Hunt Show

Our Grade 3 to 8 students enthusiastically participated in the Talent Hunt Show conducted in our school . The event provided a wonderful platform for students to showcase their unique talents and creativity.

The programme featured a variety of performances including art and craft , melodious singing , energetic dancing , and confident speeches . Each performance reflected the students' confidence, preparation, and passion.

The Talent Hunt Show was truly a vibrant and memorable event that encouraged creativity, self-expression, and stage confidence among our young stars .

Hydration Station – Student-Led Community Service

Grade IX A students organized a Hydration Station to support exam-appearing students, staff, and visitors by serving refreshing natural drinks like lemonade and buttermilk. Guided by our teacher Ms. Jeevanandhini, the students planned, prepared and distributed the drinks with enthusiasm. This initiative fostered teamwork, responsibility and a strong sense of community service.

Circuit Scavenger Activity – Grade 7

Our Grade 7 students had an exciting hands-on learning experience with a Circuit Scavenger Activity! conducted by our Science teacher Ms.Mithraa Using a battery, LED, resistor, students also creatively used safety pins, leaves, buds and keys as switches to build their own simple circuits.

Through this fun activity, they clearly understood one important concept: Electric current flows only when the circuit is a closed path.

Learning by doing made Science more joyful and meaningful for our young innovators!

Steady Hands: KG I Ball Balancing Activity

Activity :Ball Balancing

Grade : KG I

The Ball Balancing activity was conducted to improve students' hand-eye coordination, reaction time, and focus. Students actively participated by quickly responding to ball movements, which enhanced their agility and alertness. The activity promoted physical fitness, concentration, and enjoyment through movement-based learning.

School Bank Activity

Grade XI students set up a school bank under the guidance of Ms. Sai Sangeetha from the Commerce Department to understand real-life banking operations. They learned how to open accounts, manage deposits, process loans, and maintain records.

As part of the activity, they evaluated a loan application by analyzing the applicant's purpose and repayment ability. After discussion, the loan was approved.

This hands-on experience improved their financial knowledge, teamwork, decision-making, and leadership skills while connecting theory with real-world practice.

Innovative Acoustic Walkway

Our Grade 9B students designed an innovative acoustic walkway near the exam area using leafy plants as a natural sound barrier. Guided by our teacher Ms. Poornima from Math Department.

They used a decibel meter to analyze noise levels before and after the setup.

This creative project highlights how simple, eco-friendly solutions can reduce noise and create a peaceful learning environment. A wonderful blend of innovation, science, and sustainability!

Physical Wellness and Stress Management

Led by Physical Education Teacher Ms. Yogeswari K, students explored energizing exercises, mindful breathing, and calming relaxation techniques to tackle exam stress with confidence. These practices boosted focus, eased anxiety, and nurtured both body and mind — empowering students to stay balanced, resilient, and ready to perform at their best.

AWARDS AND ACHIEVEMENTS

Kindergarten Graduation Day Celebration 2026

BEYOND BOUNDARIES: EDUCATIONAL EXPLORATIONS AND FIELDTRIP

Field Visit – A Day with a Farmer

Our Tiny Tots had a wonderful and exciting field trip to Rudram Farms, Thekkalur . The children explored the beauty of nature, observed green crops , saw farm animals , and learned about plants and farming life. They understood where our food comes from and expressed their gratitude to our hardworking farmers .

Under the loving guidance of our Kindergarten teachers , the students enjoyed fun outdoor activities like running games and blindfold games , which filled the day with laughter and joy .

It was truly a memorable and meaningful learning experience that helped our little ones connect with nature and appreciate the importance of farming .

Industrial Visit to Agni Steels - Learning Beyond Classrooms

Grades 7 and 8 explored the manufacturing processes at Agni Steels, Erode. Students witnessed how iron ore and natural ores are converted into steel at an intense temperature of nearly 1600°C.

Watching the molten metal, massive furnaces, and advanced machinery in action was truly a thrilling and educational experience!

The visit beautifully connected classroom concepts with real-world industrial practices.

The day ended on a joyful note with refreshments and a branded painting kit gifted to every student.

A day filled with knowledge, curiosity, and unforgettable memories!

A Sporting Adventure at Decathlon Coimbatore

Our Grade 4 students went on a fun field trip to Decathlon, Coimbatore. It was an exciting and happy day for everyone.

The students saw many types of sports items like footballs, cricket bats, badminton rackets, bicycles, skates, and camping tents. The staff explained how to use sports equipment safely and why exercise is important for good health.

Students learned that:

Sports keep our body strong and healthy.

We must use safety gear while playing.

Playing games teaches teamwork and discipline.

The children enjoyed the visit very much. They came back to school with new knowledge and wonderful memories.

Tiny Explorers: Little Juniors at Amaravathi Crocodile Park

Our Little Juniors had an exciting and unforgettable day at the Crocodile Park, Amaravathi. With wide eyes and curious minds, our tiny stars enjoyed observing crocodiles up close and learning interesting facts about these fascinating reptiles. The trip was filled with laughter, wonder and joyful moments as the children explored nature, listened to their teachers, and shared their excitement with friends.

From spotting crocodiles resting by the water to enjoying the beautiful surroundings of Amaravathi, it was truly a day full of learning and fun!

Farmyard Fun: Play Group & Toddlers at Rutram Farm

Our Play Group and Toddlers children had a joyful and exciting visit to Rutram Farm. The little ones were very happy to see the beautiful farm and its natural surroundings. They enjoyed looking at the water and watching it flow peacefully. The children were excited to see the cute baby goats and ducks. They happily observed how the animals moved and made sounds.

They also saw mango trees and learned how mangoes grow on trees. The teachers explained about agriculture and how farmers grow crops and take care of plants. It was a fun and educational trip for our tiny tots. The children returned with smiling faces and sweet memories of their farm visit.
