Principal's Note

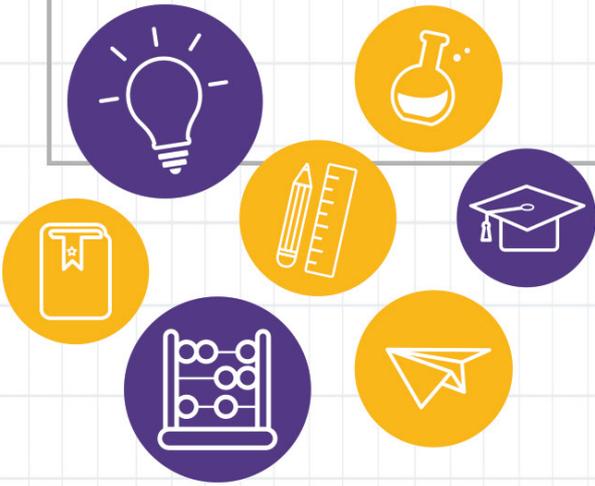

"Education is the passport to the future, for tomorrow belongs to those who prepare for it today".

I feel elated to mention that our school is scaling new heights with the sign of progressive and quality education. With team of dedicated teachers, we always aim to create an environment where students eagerly look forward to come to school.

This newsletter is a platform that reflects vibrant talents of our future ready children.

My Heartiest Accolade

My heartiest accolade goes to all my wonderful students who have made this newsletter more meaningful by contributing effectively and making it to the mark.

A

"Education is the key that unlocks the golden door to freedom."

B

"Education's purpose is to replace an empty mind with an open one."

C

"Education is not preparation for life; education is life itself."

Magnificent May

Educational Enrichment Initiatives

Weaving Creativity: Grade II Students Embrace String Figures on Global Day of Unplugging

Global Day of Unplugging, on this day Grade II students engaged in string figures activities. Through this activity, children learned the importance of engaging in non-digital activities, creating simple crafts, exploring traditional arts, and improving their fine motor skills.

This hands-on experience helps children to develop creativity, problem-solving abilities, and patience, which are essential skills for their overall development. Additionally, it encourages children to appreciate the value of unplugging from screens and enjoying real-world interactions.

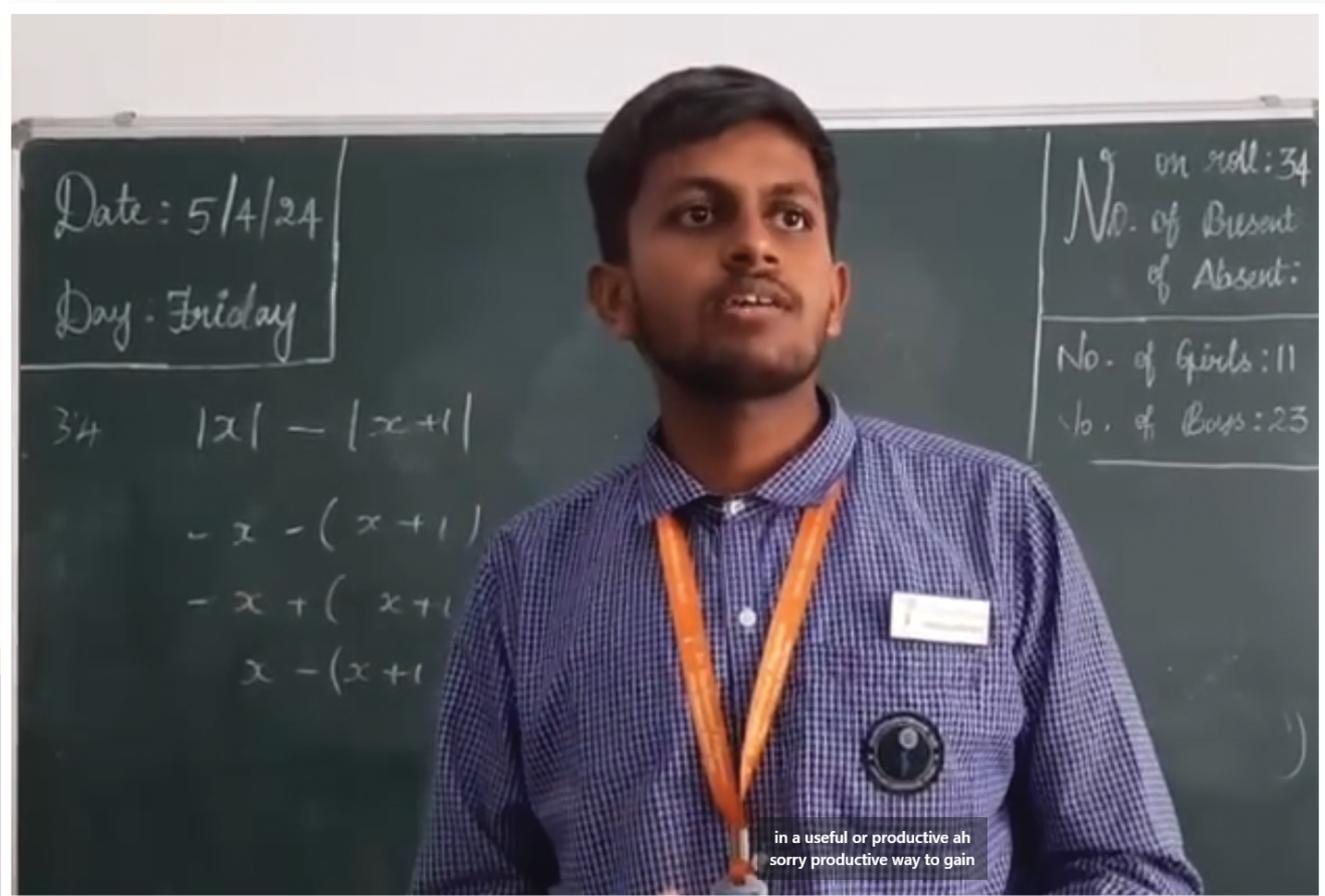

Overall, this activity fosters a healthy balance between digital and offline activities while nurturing important skills for children's growth and development.

Navigating the Digital World: Grade 12 Social Media Audit

To empower grade 12 students to navigate a complex landscape, our social media audit activity was a valuable exercise. This audit involved self-reflection and analysis of their online habits.

Students tracked their platform usage, the content they engage with and the impact it has on their well-being. By understanding their social media footprint, they learnt to make informed decisions about how to optimize it; and how it impacts their online experience promoting positivity and productivity

.Empowering Athletes: Injury Prevention Awareness Session

Injuries are an unfortunate reality in sports, but with the right prevention program, athletes can significantly reduce their risk. To provoke awareness about injury prevention for sportsmen, we organised a session for Grades 6 to 10 students on the topic 'Injury Prevention' by Dr A.Periyasamy, Assistant Professor at Revathi Institute of Physiotherapy guided by Dr.T.S.Muthukumar, Principal of Revathi Institute of Physiotherapy and Research.

Our honourable speakers outlined key principles and strategies for developing effective injury prevention tailored as a presentation to athletes of all levels. He explained in detail the various types of injuries that happen during sports and elaborated on how they can be rectified/prevented.

He added that by implementing a structured injury prevention program that addresses individual risk factors and fosters a culture of prevention, athletes can minimize their risk of injury and stay healthy and competitive in their sport.

Students understand that prevention is always better than rehabilitation, so it is important to invest time and effort into proactive injury prevention strategies to keep themselves performing at their best.

Our honourable speakers outlined key principles and strategies for developing effective injury prevention tailored as a presentation to athletes of all levels. He explained in detail the various types of injuries that happen during sports and elaborated on how they can be rectified/prevented.

"Flight of Conservation: Grade IX C's Bird Sanctuary Endeavor"

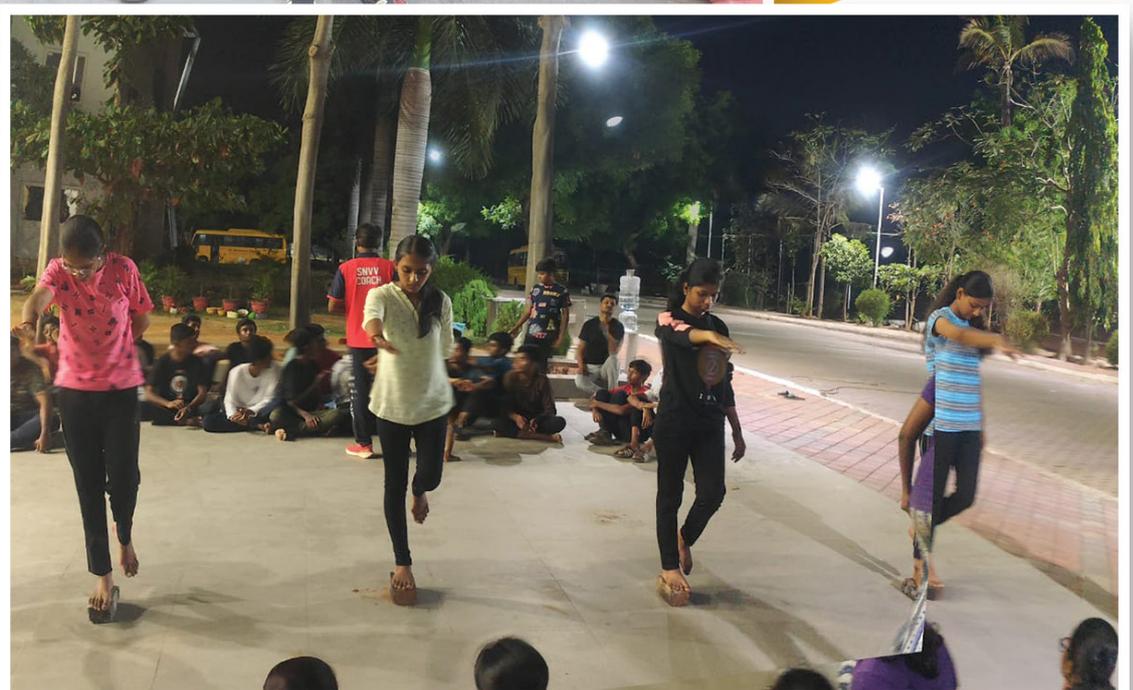

Our students of Grade IX C designed a bird sanctuary, incorporating various features to attract and support local bird populations. They researched native bird species and their habitat requirements, including food sources, nesting preferences and plant diversity. Strategically placing feeders, nesting boxes and water sources, they created a welcoming environment for birds.

Additionally, students selected a variety of plants known to attract birds, such as flowering shrubs, fruit-bearing trees, and native grasses, enhancing biodiversity and ecological balance within the sanctuary. Through this project, students learnt about environmental stewardship, habitat conservation and the importance of preserving wildlife diversity.

Moonlight Memories: Strengthening Bonds in Grade 12

A moonlight day was organized for our students of grade 12 to strengthen the bond among them. They stayed in the school with their friends and teachers and had fun making memories through various games and freehand exercises. They also had delectable snacks and delicious dinners satisfying their taste buds, making it more merrier.

Grade 3 Students Inspired by Yuri Gagarin Documentary

Our Grade 3 students had an opportunity to witness a great documentary that flickers to life on the screen of Yuri Gagarin, the first human to journey into space.

The documentary unfolds, telling the story of Yuri, a young pilot with a twinkle in his eye and a thirst for adventure. It is a story of triumph of human achievement that pushes the boundaries of what's possible.

Yuri's day becomes a symbol of daring exploration and the limitless potential of humankind. The film took students back to a time when space travel was just a dream, a distant ambition. Children learnt about the Impact and Influence, Challenges and Triumphs, and Cinematic Style offering valuable lessons and inspiration.

STOP-MOTION ANIMATION VIDEO

This summer, Our students explored the magical world of stop-motion animation! Students learned how to bring characters and stories to life through the exciting technique of moving objects one frame at a time. コマ撮りアニメーション (Koma-dori animēshon) in Japanese, stop motion lets you turn anything from clay figures to toys into stars of your own mini-movie.

Rida Haniya, Grade -6

Capturing Moments: Time-Lapse Adventures

This summer, our students explored the fascinating world of time-lapse video making. They have learnt how to capture a sequence of photos at set intervals, transforming everyday moments into captivating sped-up visuals. This engaging project had not only honed their creativity and videography skills but also helped them to see the world in a whole new light.

Rida Haniya - Grade 6

Journey Across Continents: Virtual Tours of Museums Worldwide!

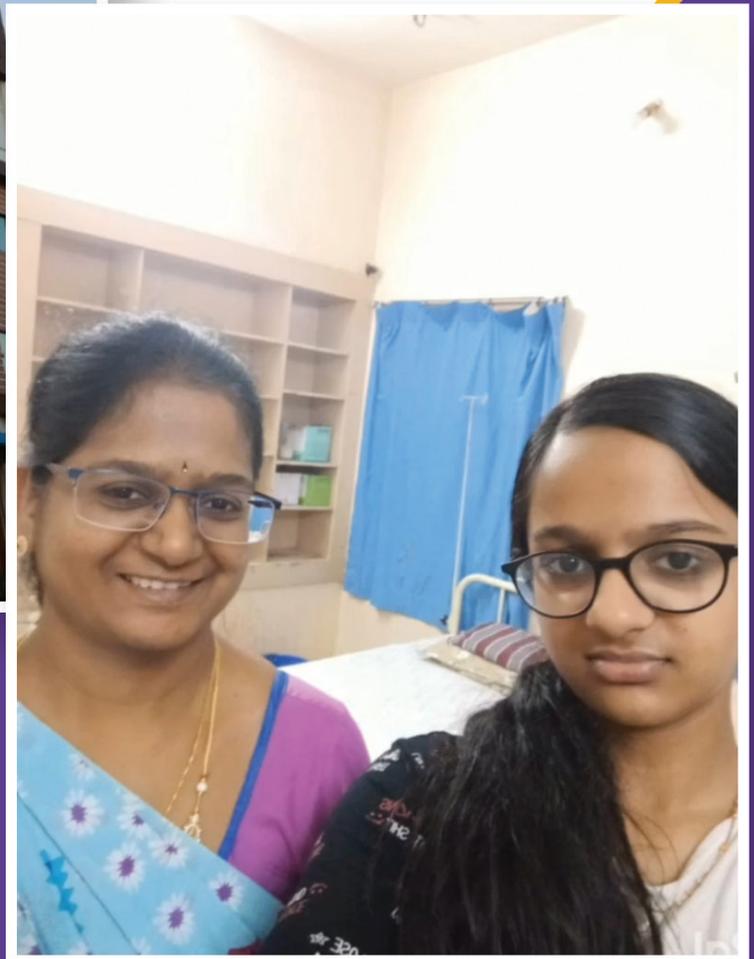

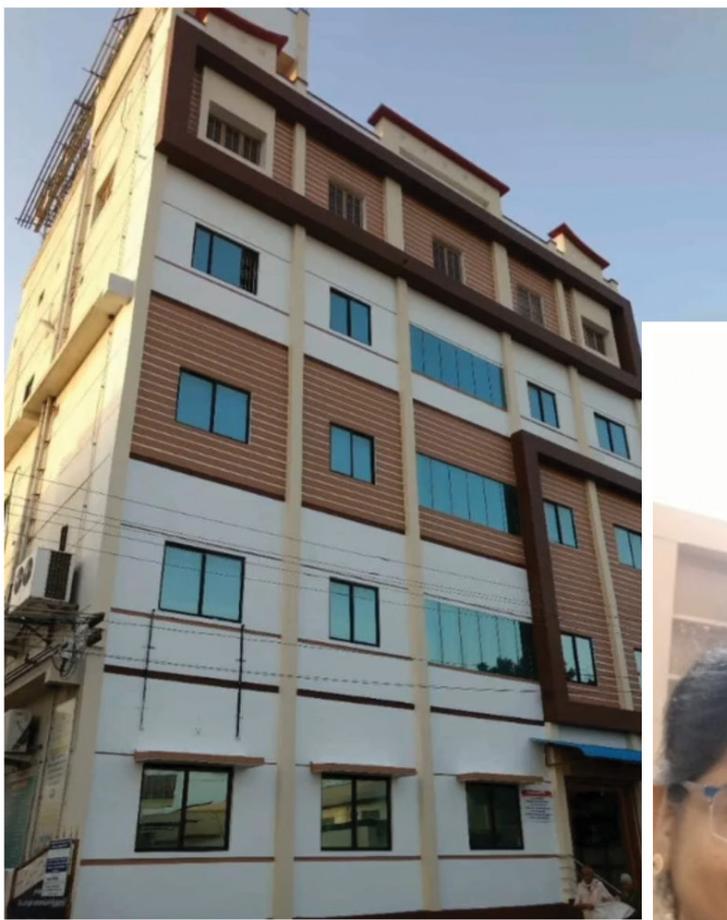

This summer, Our students traversed on a global adventure without leaving their homes! Diving into the wonders of art, history, and science through exciting virtual tours of renowned museums like Dinosaur Museum and British Museum across the world.

V.S. Nakshatra - Grade 8

Day in my life with parents:

Turns out, grown ups don't have just meetings all day! This textbooks for a backstage pass to her Mom and Dad's workplace. Join her on a video adventure where she explored her parents office jungle, witness the magic of task a parent does, and maybe even unlock a secret talent for career path!

The Hogwarts Chronicles: A Magical Escape Challenge

Hogwarts Digital Escape Room:-

Calling all Witches and Wizards! Can you solve the puzzles and overcome the obstacles to escape the room before the time runs out? This summer A Hogwarts Digital Escape Room adventure was unfolded by Our students Mohammad Roshan of Grade 9 by testing the skills of magical puzzles and challenges.

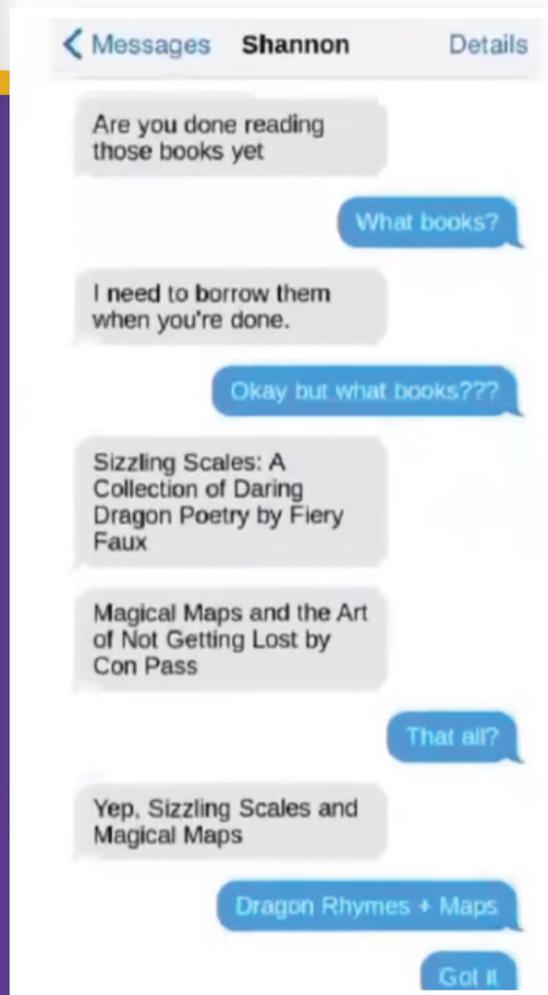

Hogwarts Digital Escape Room

Hello and welcome to our Harry Potter themed Digital Escape Room!

You can complete this escape room as a group or as individual. You can compete against friends and try it multiple times. Just make sure you have fun!

If you are accessing this through a social media app, we recommend opening this escape room in a separate web browser so you don't lose progress when clicking on necessary links.

This escape experience was created by Sydney Krawiec, Youth Services Librarian at Peters Township Public Library in

Sathmika's Summer Bliss: Homemade Brown-Spotted Banana Milkshake

One sweltering summer afternoon, Our Student Sathmika from Grade 2 decided to turn up the cool factor with culinary creation. Armed with a blunder and a brilliant ideas,bananas speckled with brown spots and begging for a refreshingly sweet fate were peeled and prepped. A triumphant sip revealed a cool,creamy banana shake - the perfect reward for hot,summer day and a testament to student's creativity in the kitchen.

Dhakshina's Virtual Odyssey: Navigating the Oregon Trail in Grade 9

Our Student Dhakshina of Grade 9 embarked on a virtual adventure along the Oregon Trail, a historical computer game that simulated the challenges of a pioneer trek westward in the 1840s. She carefully made decisions to ensure the well-being of her virtual party, facing challenges such as river crossings, resource management, and unforgiving weather. Dhakshina's journey provided a captivating glimpse into the hardships and triumphs of America's westward expansion.

Road to Knowledge: Field and Educational Expeditions

Adventure Camp at Turning Point: A Journey of Learning and Fun

An exciting Adventure Camp was organised by our school to Turning Point located at Puluwapatti, Coimbatore. Students were encouraged to participate in High rope, Low rope, Zipline and Rope climbing.

These activities help students to learn skills like goal-setting and decision-making. Students were also involved in fun activities which encouraged them to mingle in groups and improve leadership qualities and team spirit. Students had great enjoyment in the swimming pool.

End of the camp students learnt to overcome fear and have the confidence to face the obstacles in life.

Exploring Science: Saranya Sri's Adventure at Coimbatore Regional Science Centre

Our student Saranya Sri of Grade 9 recently embarked on a three-day educational trip to the Coimbatore Regional Science Centre. The science center offered a stimulating and interactive environment for the children to explore various scientific concepts. The camp covered a variety of topics including robotics, 3D printing, real-life mathematics, and astronomy.

TEDx Pollachi 2024: The Old, the New, and the Timeless - A Day of Inspiring Ideas

On May 17th, 2024, the vibrant town of Pollachi pulsed with the energy of ideas at Tedx Pollachi. A dedicated group of students gathered to be inspired by a diverse range of speakers like Mrs. Barathy Baskar, Dr. Divya Mudappa, Dr. Sankar Raman, Dr. Ashwin Sangamesh, Mr. Ranganathan.

The theme, "The Old, the New and the Timeless", resonated throughout the day, weaving together, innovation and enduring human spirit.

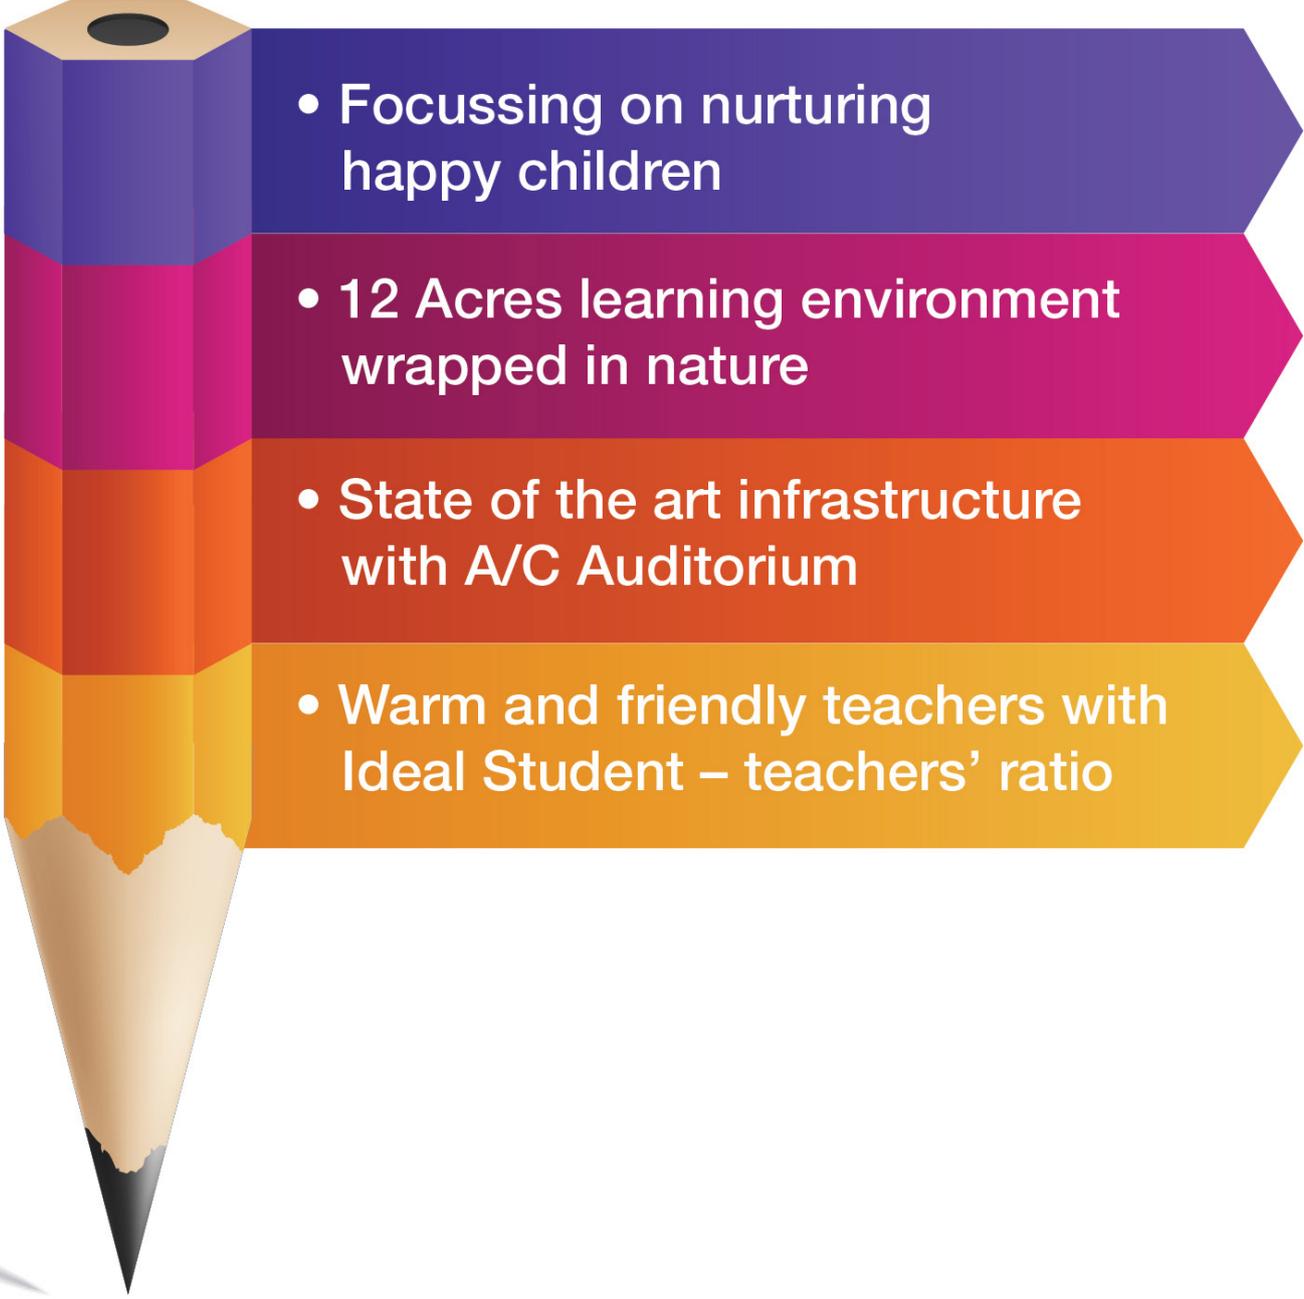

Thank you

We express our heartfelt gratitude to our students, teachers and parents for their valuable contributions and also for their incredible support to make every event happen in a great manner. Together we make learning and development good, better and best.

Thank You!

Why Choose Us

- 
- Focussing on nurturing happy children
 - 12 Acres learning environment wrapped in nature
 - State of the art infrastructure with A/C Auditorium
 - Warm and friendly teachers with Ideal Student – teachers' ratio
