Principal's Note

"Education is the passport to the future, for tomorrow belongs to those who prepare for it today".

I feel elated to mention that our school is scaling new heights with the sign of progressive and quality education. With team of dedicated teachers, we always aim to create an environment where students eagerly look forward to come to school.

This newsletter is a platform that reflects vibrant talents of our future ready children.

My Heartiest Accolade

My heartiest accolade goes to all my wonderful students who have made this newsletter more meaningful by contributing effectively and making it to the mark.

A "Education is the key that unlocks the golden door to freedom."

B "Education's purpose is to replace an empty mind with an open one."

C "Education is not preparation for life; education is life itself."

EDUCATIONAL ENRICHMENT ACTIVITIES

Hindi Utsav: A Celebration of Language, Creativity & Expression!

A series of engaging Hindi activities were organized for students from Grades 1 to 5, fostering creativity, linguistic skills, and artistic expression. The Spell Bee Competition showcased students' proficiency in Hindi spelling, promoting accurate pronunciation and vocabulary enrichment.

In the Handwriting Contest, students demonstrated dedication by crafting neat and legible scripts, refining their writing skills. The "Best Dad" Cap Making activity encouraged artistic expression as students designed unique caps to convey love and gratitude for their fathers.

Through Poster Making, students created visually appealing and meaningful posters advocating social causes, blending creativity with effective use of Hindi. Enthusiastic participation and spirited engagement marked the event's success, making it a memorable and enriching experience that strengthened language skills while fostering teamwork and self-expression.

Our SNVV school students are explaining how to use idioms in everyday phrases.

SNVV students present an engaging explanatory video on using idioms in everyday conversations. Through creative examples, they demonstrate how idioms add color and depth to language. The video simplifies complex phrases, making them easy to understand and use. With lively explanations and relatable contexts, students bring idioms to life. Watch and learn how to make your speech more expressive and impactful!

Magic Moonlight Day: A Celestial Celebration

Under the enchanting glow of the moon, our Grade V students immersed themselves in the much-anticipated Moonlight Day celebration, a night dedicated to the beauty and mystery of the celestial world.

The evening began with exhilarating games that fostered strength and spirit among the students. Creativity soared during the kite-making activity, where vibrant kites took shape through skillful hands, enhancing concentration and coordination.

The highlight of the night was sky gazing, where a telescope unveiled the breathtaking spectacle of a planet parade, leaving the children mesmerized and eager to explore the wonders beyond. The Magic Moonlight Day unfolded as an unforgettable experience, filled with joy, learning, and a deep appreciation for the cosmos.

Little Patriots Ignite Bharathiyar's Spirit

Our tiny tots brought Bharathiyar's fiery spirit to life as they dressed up in his iconic attire and confidently recited the powerful verses of Achamillai Achamillai. With their expressive voices and spirited gestures, they embodied the poet's fearless determination, captivating everyone present. The rhythmic recitation, combined with their adorable yet passionate portrayal, created a mesmerizing atmosphere, celebrating the timeless words of the great revolutionary poet.

Bubble Bath Day: A Splash of Joy!

On Bubble Bath Day, our children of Totys delighted in a world of shimmering bubbles, their laughter echoing through the air as they splashed in the warm, frothy water. Tiny hands reached out to catch the floating spheres, watching in wonder as they burst into misty whispers.

The scent of gentle soap filled the room, wrapping the moment in a comforting embrace. Joy and innocence wove together, creating a memory as light and fleeting as the bubbles themselves.

Clipping into Math: Totys Explore Numbers with Cloth Pegs!

Our Totys children explored math concepts using colourful cloth pegs, turning learning into a joyful experience. Numbers came alive as they counted, grouped, and arranged the pegs in patterns, discovering addition and subtraction in a hands-on way.

Tiny hands eagerly clipped and unclipped them, strengthening fine motor skills while grasping mathematical ideas with excitement.

Each peg became a tool for problem-solving, fostering creativity and confidence. Laughter filled the room as they challenged themselves with new arrangements, unknowingly building a strong foundation for future learning. Through play, numbers transformed from abstract symbols into tangible, meaningful connections, making math an adventure rather than a task.

Joyful Colour Matching with Totys!

Our Totys were engaged in a delightful colour-matching activity with vibrant balls, creating an atmosphere of joy and learning. Each child eagerly picked up a ball, carefully observing its hue before placing it in the corresponding colour zone.

Tiny hands worked with enthusiasm, eyes gleaming with excitement as they recognized and sorted different shades. The activity not only enhanced their colour recognition skills but also encouraged social interaction and fine motor coordination.

Grade 5 Students Get Creative with English Alternatives!

Our enthusiastic Grade 5 children shared a delightful video showcasing common English words alongside their alternative counterparts. Each word was pronounced clearly, followed by its alternative.

The children's confidence and creativity shone through as they delivered their words with enthusiasm. reativity shone through as they delivered their words with enthusiasm.

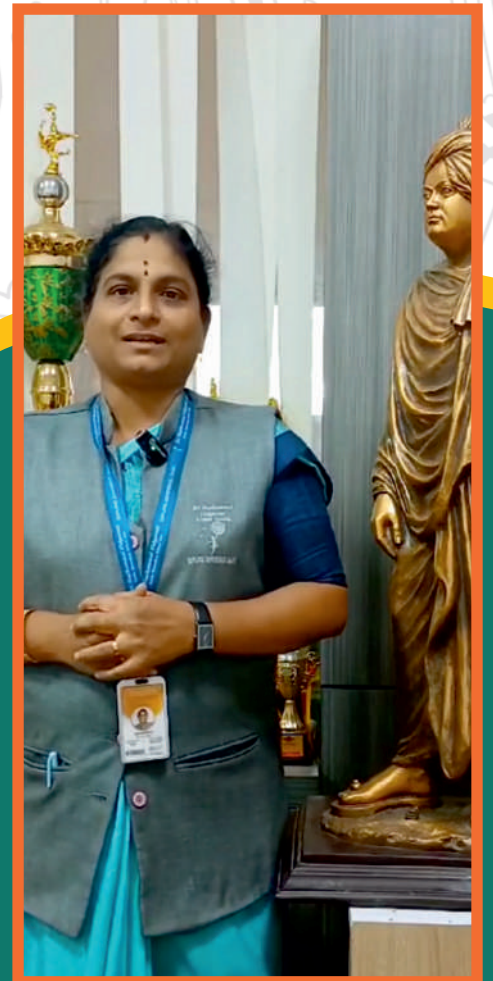

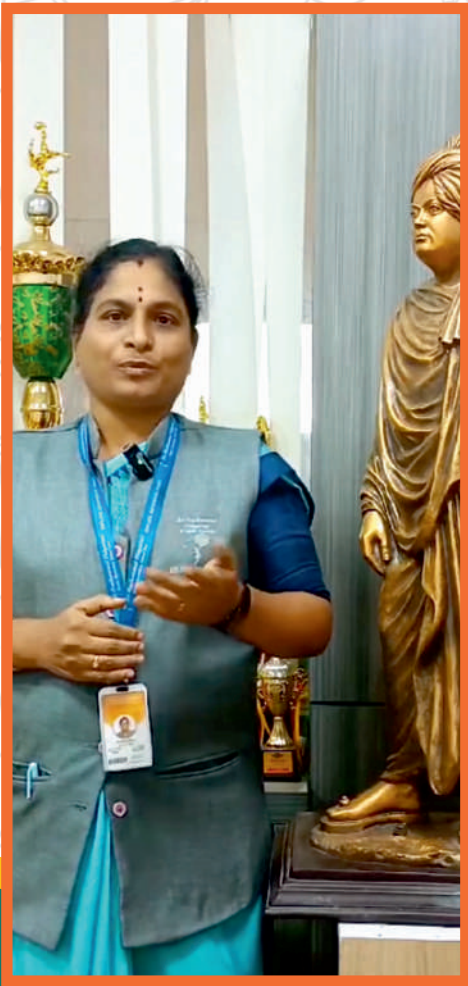

Best Wishes to Our Board Exam Students!

Our school management, teachers, and students extended their heartfelt wishes to the board exam students, hoping for their success and confidence in every step of their journey. The entire school community stood together, sending their best wishes for outstanding performance and a bright future ahead.

Effective Exam Preparation Tips by Tamil teacher, Mr. Maheswari

Our Tamil teacher, Mr. Maheswari, explains key techniques for preparing useful exam notes. She shares effective strategies to help students easily understand, memorize, and write answers efficiently.

Unity Cup: A Celebration of Team Spirit & Togetherness

The Unity Cup was an unforgettable experience for our parents, students, and staff. Their heartfelt moments and reflections are beautifully captured in this video. Watch as they share their joy, pride, and cherished memories!

Celebrating Mahayana New Year with Mini Zen Gardens

In commemoration of Mahayana New Year, Our students of Grade 8 enthusiastically crafted Mini Zen Gardens using recycled and reusable materials, showcasing their creativity and environmental awareness.

These thoughtfully designed gardens reflected the principles of mindfulness and harmony, incorporating elements such as sand, stones, and miniature plants arranged with care and precision.

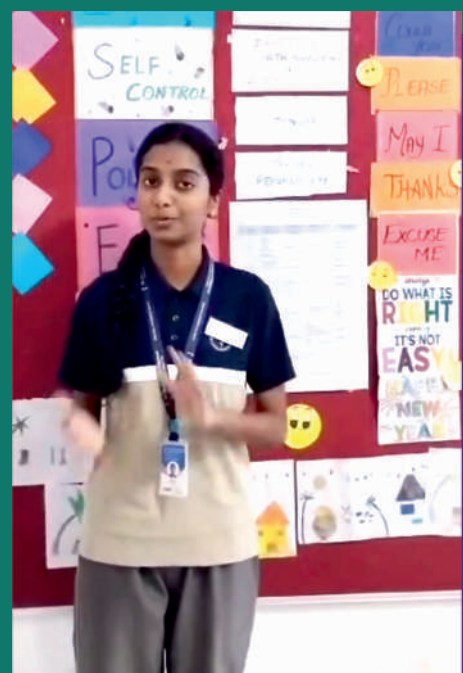

The activity not only celebrated the cultural significance of the occasion but also encouraged sustainability and artistic expression. Each garden became a unique representation of tranquility, symbolizing the children's dedication to preserving traditions while fostering a connection with nature.

Elevating Language: Tanvi's Vocabulary Upgrade!

Tanvi of Grade XI contributed a thoughtful collection of alternative words to replace common ones, enhancing vocabulary with more precise and expressive choices.

Her selection transformed ordinary language into a richer and more refined form, making communication more engaging and effective.

Math in Action: Fun, Learning & Creativity!

Our school's Math Department organized a series of interactive activities for students in grades I to VIII, fostering creativity, collaboration, and a deeper understanding of Mathematical concepts. Engaging games, puzzles, and hands-on tasks like paper plate rangoli, multiplication mazes, and Sudoku transformed learning into a fun and immersive experience.

The vibrant activities enhanced problem-solving skills, teamwork, and self-expression, making math enjoyable and relatable. The event successfully bridged theory with practical application, leaving students with a greater appreciation for the beauty and relevance of Mathematics in everyday life.

ON THE ROAD TO KNOWLEDGE: FIELD AND EDUCATIONAL EXPEDITIONS

A Feathered Adventure: Grade 1 Explores Exotic Birds Park

Our Grade 1 students explored the Exotic Birds Park in Mettupalayam, where a stunning array of macaws, parrots, mongooses, and other rare species left them in awe.

Guided by experts, they discovered intriguing details about the birds' habitats, diets, and behaviors.

An interactive feeding session with friendly birds became the highlight of the visit, creating a deep connection with nature.

The trip proved to be an eye-opening experience, fostering a greater appreciation for biodiversity and conservation while leaving lasting memories of the park's vibrant wildlife.

Grade 2 Explores Amaravathi Dam & Crocodile Park – A Day of Learning & Adventure!

Our Grade 2 students visited Amaravathi Dam and Crocodile Park in Udumalpet. The vast expanse of the dam and the immense volume of water left them in awe. Walking along the bridge, they discovered its significance in water management.

After enjoying a picnic lunch, they explored the Crocodile Park, where crocodiles of various sizes basked under the sun. The visit provided insights into different species and their natural habitats. The trip was both educational and exciting, leaving the students with lasting memories.

Exploring Self-Sufficiency: Grade III Visits Sarvodaya Sangam

Our Grade III children visited Sarvodaya Sangam, an organization promoting Gandhian principles, self-sufficiency, and rural development, to understand its initiatives in social welfare and self-sustaining communities.

Students explored the silk production process, where cocoons were boiled to soften the sericin, and the silk fibers were carefully unwound and spun into threads.

The visit provided insight into the delicate and labor-intensive nature of silk production, highlighting its environmental and economic significance and its role in providing employment, particularly in rural areas.

Velaan Sutrulaa – A Joyful Farm Visit!

Our Kindergarteners had a fantastic time celebrating Pongal season with a special farm visit! This harvest festival was the perfect opportunity for our KG kids to connect with nature and learn about the hard work farmers put in to bring food to our tables.

The kids enjoyed exploring the farm, seeing the crops and understanding the importance of farming in our daily lives. It was a heartwarming experience to witness their excitement as they learned about the traditional ways of harvesting and the values of gratitude and respect for our farmers.

SEMINARS AND WORKSHOPS

Board Exam Orientation: Guiding Our Students to Success!

An orientation session was held for our Grade 10 and 12 students to equip our children with vital guidance for their upcoming Board exams. The session highlighted the significance of diligent preparation, effective time management, and strategic exam handling.

Designed to motivate and inform, it provided our students with practical tips and insights, fostering confidence and encouraging a systematic approach toward academic excellence. This initiative aimed to empower our students to navigate their exams with clarity and composure, setting the stage for success.

UN "Charting a Way Forward" Program: A Path to Peace

The United Nations "Charting a Way Forward" program, organized by the World Peace Department, Nallore Vattam, was a significant and inspiring event hosted at our school.

The occasion was honoured by the presence of distinguished guests, including Thiru T.K. Chandran, Chairman of The Chennai Silks; Thiru K.Vinayakam, Managing Director of The Chennai Silks; Dr. Gill Carr-Harris, Director of the International Gandhi Institute and former member of the UN Development Program; Thiru. Balu, the Chief Coordinator and community members of Nallore Vattam also graced the event.

The program served as a meaningful platform for our school to proudly serve as the venue partner for such a noble cause. Our children also had a great chance to interact with UN members and understand their role in developing peace in the society.
