Principal's Note

"Education is the passport to the future, for tomorrow belongs to those who prepare for it today".

I feel elated to mention that our school is scaling new heights with the sign of progressive and quality education. With team of dedicated teachers, we always aim to create an environment where students eagerly look forward to come to school.

This newsletter is a platform that reflects vibrant talents of our future ready children.

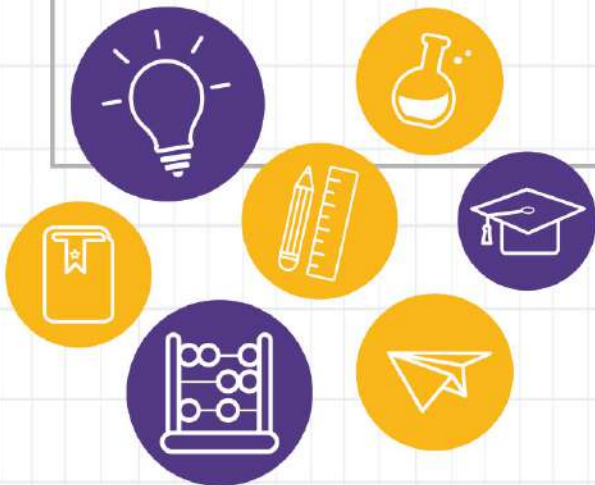

My Heartiest Accolade

My heartiest accolade goes to all my wonderful students who have made this newsletter more meaningful by contributing effectively and making it to the mark.

A "Education is the key that unlocks the golden door to freedom."

B "Education's purpose is to replace an empty mind with an open one."

C "Education is not preparation for life; education is life itself."

FANTASTIC february

Educational Enrichment Initiatives

Nature Paint Brush Adventure: Pre-KG Exploring the Outdoors & Nandini

This NATURE PAINT BRUSH activity of our pre-Kg kids was a great activity to explore many things. Children spent time outdoors, exploring their surroundings. They got to feel and smell natural items they chose as their 'brushes'. They also spent time playing with new textures, patterns, colours, and more!

Sweet Harmony Culinary Fusion - Exploring the Intersection of Math and Tradition in Tamil Nadu and West Bengal Sweets"

In this engaging cooking art integrated activity for students of grade 8, the culinary journey took a delightful twist as they explored and compared the traditional sweets of Tamil Nadu and West Bengal. The students not only delved into the art of cooking but also applied mathematical concepts by understanding the precise measurements and ratios of ingredients.

Students introduced the unique and vibrant sweet traditions of Tamil Nadu, known for its delicious food items such as Pongal, Sesame laddu, Wheat Halwa etc. From measuring the right amount of ghee to balancing the sweetness with precise sugar ratios, students uncovered the Mathematical magic behind these Tamil Nadu sweets.

Moving on to West Bengal, students immersed themselves in the world of Rasgulla, Sandesh, Rasamalai and Mishti Doi. As students embarked on this culinary adventure, they discovered the correlation between mathematical ratios and the mouthwatering results of West Bengal's sweet creations.

Through this exploration, students developed an appreciation for the diverse cultural and mathematical dimensions inherent in the art of cooking

Kindergarten Kids Explore Engineering and STEAM Through Blanket Tents

Tents are fun for kids always. Tent building develops their fantasy too...

Our kindergarten kids constructed tents out of blankets and pillows which they brought to school.

They also dragged chairs together, spread blankets over the top and weighed down the blankets on the outside with pillows to make a tent.

Our children thoroughly enjoyed this engineering and STEAM hands-on activity.

Play tents can encourage children to play together and engage in cooperative play, which helps develop their social skills.

Mathematical Mastery Soars: The Majestic Kite Gala at SNVV school

Math Majestic Kite Gala Our school recently organized a Kite Making Competition, blending creativity with mathematical concepts.

Students enthusiastically participated in the competition, showcasing their creativity and mathematical understanding by creating intricate kites. Participants incorporated geometric shapes, symmetry, and measurement precision in their kite designs, emphasizing mathematical principles.

Students from various grades actively participated in the competition, demonstrating a shared passion for mathematics and art. Judges evaluated the kites based on both artistic merit and the effective integration of mathematical concepts, ensuring a fair assessment of the participant's efforts.

The prize winners from The Power Rangers were duly recognized for their exceptional creativity and mathematical prowess. The Kite Making Competition with mathematical concept integration proved to be a resounding success, encouraging students to explore the interdisciplinary nature of learning while fostering a sense of camaraderie and achievement within the school community.

Celebrating Innovation and Excellence: Triumph at PSG Itech Science Expo 2024

Our school always cultivates a mindset of innovation applicable to real-world scenarios. It fosters a solid foundation for advanced learning, and it provides an opportunity for our children to delve into the realm of Robotics.

As proof of it, our students participated in the Science Expo conducted at PSG Itech and exhibited their projects under various titles like Smart Helmet, Credit-based waste bins, Robotic vehicle for physically impaired people, Smart PC Buddy, Voice Controlled Robot, Fire Fighter and Smart Home.

Out of 46 schools and 1500 participants our students Jagathram. D.M.R, Mohammed Roshan. G.R. Tharun Sanjay. K of Grade 8 secured 2nd position and won a cash prize of Rs.10,000/- Also, Sajith. M.J and Nivith.S of grade 9 won first prize and Aswanth Ram.D and Nithesh.V won second prize in the quiz contest.

Congratulations to all winners and teachers behind the success!!

Gratitude is a powerful catalyst for happiness. It's the spark that lights a fire of joy in our soul

Padhaa pooja is a specific form of gratitude. It is an ancient ritual performed to express thanks to our parents who deserve to be respected and thanked.

Every year, board-appearing students of our school express their gratitude towards their parents through the "Padha Pooja" and get their blessings for a peaceful mind and thought for performing well in the board exams.

This year it was performed by our students with the guidance and blessings of Sivasri. Aaroorar Subramania Sivachariar and our management members.

Children showed their love and affection to their parents and received their blessings through the Padha Pooja

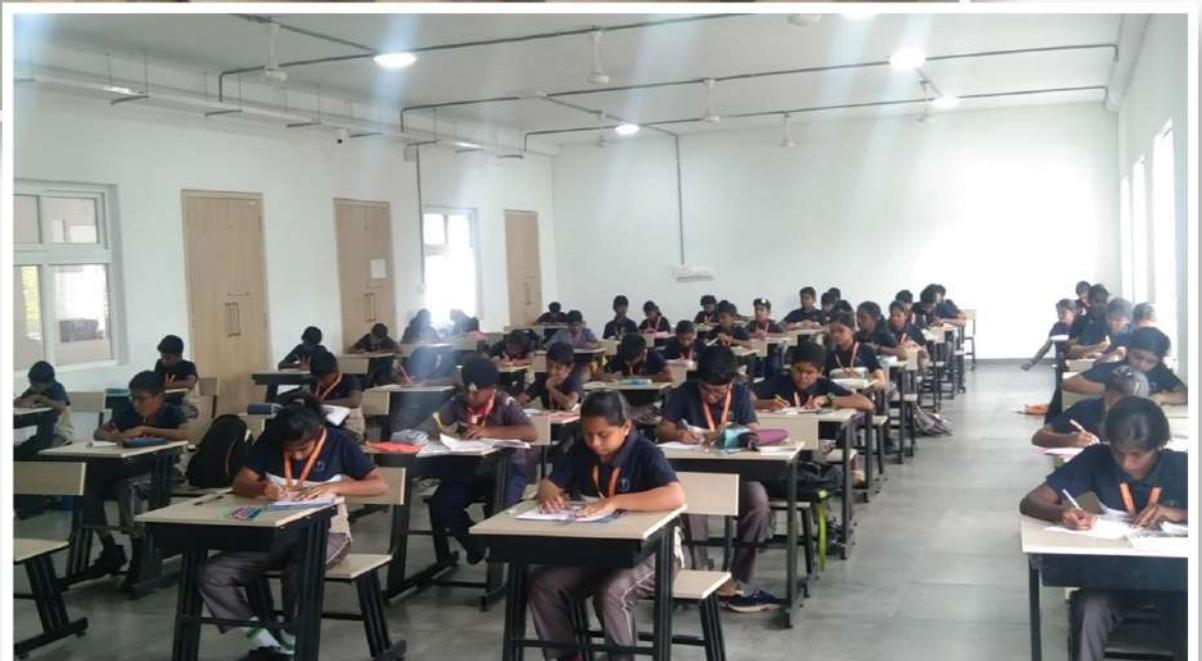

Subject-Specific Sketch Note Assignments:

When a person contemplates the smell and taste of a lemon without seeing or tasting the fruit, he or she engages in imagination.

Keeping this thought in mind, on account of World Sketch Notes Day, our Grade VII students were given a perfect place to indulge in an activity where students have to select their favourite subject and favourite lesson and imagine and represent it in their own ways using symbols and arts.

By giving this activity it was concluded that imagination has “unlimited power of mixing, compounding, separating, and dividing” the ideas of the senses.

Unforgettable Ride by our Nachaamites! Sri Nachammal Vidyavani School Geared Up for Safety on Roads!

Over 250 students from our school participated in a grand bicycle rally on 17.02.2024 to raise awareness on 'Road Safety'. Our Nachaamites had a pedal through picturesque routes, soak in the fresh air, and bond with fellow riders as we embarked on a journey of Road Safety!

Students proudly displayed banners and placards with messages like:

- Eyes on the road not on your phone
- Drive for safety
- Speed thrills, but kills
- Think and drive, stay alive
- No race, no hurry, no worry
- Follow traffic rules, save your future
- Normal speed meets every need and many

It was an incredible opportunity to pedal for a purpose and make memories that will last a lifetime. We heartily appreciate all our students for making awareness towards a safe, healthier and happier community!!

Generations of Gratitude: Grandparents Day 'Thank You' Card Making Activity"

Gratitude is the greatest of virtues and the parent of all others."

To inculcate the habit of thanking everyone in children, a "Thank You" card-making activity was conducted. Grandparents are our incredible source of love, guidance, and inspiration to children.

They show them what it means to live a life of fun, kindness, and generosity. Children should learn to be grateful to their grandparents forever. Children of grade II expressed all their love, affection and gratitude towards their grandparents through the colourful Thank You cards they made

Enigma Escapades: A Journey of Mind and Mystery

Escape room activities, centred around solving logical reasoning puzzles, offer numerous benefits for students.

Firstly, they promote critical thinking skills by presenting complex problems that require careful analysis and creative solutions. Through collaboration and teamwork, students learn to communicate effectively and leverage each other's strengths, fostering a sense of camaraderie and mutual support.

Additionally, these activities enhance problem-solving abilities, encouraging students to think outside the box and approach challenges from different perspectives. The time-sensitive nature of escape rooms also cultivates effective time management skills, as students must prioritize tasks and make quick decisions under pressure.

Furthermore, escape rooms' immersive and engaging nature makes learning enjoyable and memorable, creating a positive and stimulating environment for academic growth. Our Grade VIII Nacha stars developed essential cognitive skills while having fun and building lasting friendships.

Leap & Learn Carnival: A Fun Leap Year Adventure for Grade 6 Students

"We recently organized an engaging leap year fun activity for our grade 6 students, aiming to make learning enjoyable and provide them with a unique and enriching experience.

This activity not only added an element of excitement to their academic journey but also served various educational purposes. The leap year fun activity allowed students to explore the concept of leap years in a hands-on and interactive way.

Through games, puzzles, and creative projects, they gained a deeper understanding of the mathematical and astronomical principles behind leap years. This practical approach to learning not only made the topic more accessible but also fostered critical thinking and problem-solving skills among the participants.

Moreover, the activity encouraged teamwork and collaboration as students worked together to solve challenges related to leap years. It promoted a sense of camaraderie and mutual support, enhancing the participants' overall social and emotional development.

By incorporating fun into the educational experience, we aimed to instil a lasting interest in the subject matter and make learning a memorable and enjoyable process for our students. The leap year fun activity served as a bridge between theoretical knowledge and real-world application, equipping our students with a more holistic understanding of the material. We believe that events like these contribute to a well-rounded education and create lasting memories for our students.

Overall, the activity not only contributed to the academic growth of the participants but also nurtured essential life skills, making it a valuable and beneficial addition to our educational program.

Pin Hearts on Pluto: A Stellar Journey of Learning and Creativity

The Pin Hearts on Pluto activity was an engaging and educational experience for grade 4 students, allowing them to celebrate Pluto Day while learning about the dwarf planet's significance in our solar system.

The activity not only promoted creativity but also encouraged students to share and discuss their knowledge about Pluto, fostering a sense of curiosity and appreciation for the cosmos. Overall, the activity was a resounding success and contributed to the students' holistic learning experience at our school.

Road to Knowledge: Field and Educational Expeditions

EcoJourney: Grade VII-VIII Explores Nilgiri Biosphere Reserve for a Day of Nature Immersion

Our students of Grade VII and VIII were taken to Nilgiri Biosphere Reserve at Coimbatore for a 'One-day nature walk field trip', where children were able to experience acres of greenery to soothe their eyes and get loads of information about native flora that included different indigenous species of plants, different types of butterflies as pollinators and impressions of different indigenous faunas there This trip enlightened them with the awareness of the need to safeguard the environment.

Empowering Minds: A Transformative Experience on Invocation Day at Thirumoorthy Hills"

"You can do anything and everything. Stand up and express the divinity within you" Our Students of Grades X and XII along with their Parents were taken to UNIVERSAL PEACE FOUNDATION, THIRUMOORTHY HILLS, UDUMALPET.

Students were made to meditate inside the Golden Pyramid, Pranavalayam.

Gurumahan Avargal and our Correspondent Shri. Vinayakam. K. Avargal addressed Students, Teachers and Parents on the topic Believe in Thyself. Children gained lots of positivity and confidence to perform well in their board exams.

The trip also comforted our students and provided a chance to ease their anxieties, calm down their restless minds and help them focus on the task at hand.

Hindu Newspaper Plant Tour: Ink, Paper, and Printing Wonders!

A visit to the Hindu Newspaper Printing Plant- Coimbatore was very informative to children. The interactive session conducted by the authorities brought out hidden questioning skills within our children.

Students gained information about the quality and texture of the paper about importing the papers, the colours (cyan, black, magenta and yellow) used for printing, the total number of newspapers printed every day, news allotment pages as per importance, printing and packaging of the newspapers, proofing, working principles of the printing machine etc.

Our grade 5 children had a great informative time on the field trip.

Avinashi: A Divine Melody in the City of Thirupukkoliyur

Thirupukkoliyur, also known as Avinashi, is a place that has earned several accolades for its spiritual significance. Situated in the city of Kasi (Varanasi), Avinashi holds a special place as the abode of Lord Sundaramoorthy Swamigal, the first pontiff of the temple.

The temple, renowned for its exceptional charm and uniqueness, recently witnessed a grand celebration, drawing devotees from far and wide. Our school students, from every grade, participate daily in singing Tamil devotional songs and hymns in this splendid temple, immersing themselves in the divine grace.

Exploring the Wonders: Grade VI's Epic Scientific Journey at Experimenta Science Center

Embarking on a thrilling scientific odyssey like never before! Our inquisitive Grade VI students recently ventured into the captivating realm of discovery at the 'Experimental Science Center' nestled in the heart of Coimbatore.

With minds wide open and curiosity ablaze, they delved deep into the fascinating world of science, unravelling mysteries, and unlocking the universe's secrets.

From captivating exhibits that showcased the wonders of physics, chemistry, and biology to immersive hands-on experiments that brought scientific principles to life, every moment was a testament to the boundless potential of learning and exploration. With wide eyes and eager hearts, our young scientists immersed themselves in a world where questions led to answers and curiosity-fueled innovation.

As they navigated through interactive displays, conducted experiments, and engaged in thought-provoking discussions, they expanded their scientific knowledge, nurtured their innate curiosity, and ignited a passion for discovery that will continue to guide them on their educational journey

Wings of Wonder: Exploring Nanjarayen Lake, Tamil Nadu's Newest Bird Sanctuary

Nanjarayen Lake, Tamil Nadu's 17th bird sanctuary, a protected biodiversity and birding hotspot in the Tiruppur district, is an abode of colourful, vibrant and rare migratory birds.

A muddy green patch on the farthest end of a 440-acre lake is where our children of grade spotted the pelicans, bar-headed geese the migratory bird, one of the world's highest-flying birds from Europe, ruddy shelducks that breed in parts of Europe and Central Asia, painted storks and coots in hundreds, during a walk along the lakeside with enthusiasm and excitement.

Seminars and workshops

Echoes of Innovation: Sri Nachammal Vidyavani's Podcasting Extravaganza with Mrs. Vinitha!

Calling all podcast enthusiasts! Sri Nachammal Vidyavani just turned up the volume with an electrifying one-day workshop on PODCASTING! On 15.02.2024

Mrs. Vinitha, A radio industry veteran, who worked in various reputed organisations like Radio Mirchi, Gana and Spotify, stepped into our school to unleash the secrets of podcast production! From unravelling the mysteries of podcasting to guiding our grades 6 to 11 superstars through the art of crafting their own audio adventures, it was a day like no other!

With Vinitha's expert insights and contagious energy, our students didn't just dip their toes into the podcasting pool – they dove right in! From brainstorming sessions to recording booths buzzing with creativity, our school transformed into a hub of audio innovation!

And the cherry on top? Our students didn't just learn about podcasts – they became podcast pioneers, creating their own masterpieces that'll have you hitting "play" on repeat!

So buckle up, because the podcast revolution has begun at Sri Nachammal Vidyavani, and trust us, you won't want to miss a beat!

Sports Achievements

Triumph and Unity: Highlights from the 11th Annual Sports Day

The 11th Annual Sports Day at our school was a resounding success, filled with exhilarating moments and spirited competition. Students of all ages enthusiastically participated in various events, showcasing their athletic prowess and team spirit.

The day kicked off with an energetic opening ceremony, followed by a series of thrilling races, including sprinting and relay races. Sportsmanship was displayed as participants cheered on their teammates and congratulated opponents. Spectators lined the sidelines, cheering loudly and adding to the festive atmosphere.

Our physical education teachers, non-teaching staff and ECA staff were recognised and awarded with medals and cash prizes for their dedication, sincerity, commitment, hard work and excellence.

Medals were awarded to the top performers, recognizing their dedication and achievements.

Our children gave few drill performances, typically intricate formations with precise choreography and synchronized movements set to music.

Drill performances captivated audiences with their skilful coordination and dynamic displays of athleticism and artistry.

Overall, it was a memorable day that brought the entire school together, fostering a sense of unity, pride, and joy in physical activity.

Junior Athletes Soar with 30 Medals at Tiruppur Sahodaya Athletic Meet

Our school's junior athletes have left an indelible mark on the track and field, emerging victorious with an awe-inspiring haul of 30 medals at the recent athletic meet organized by Tiruppur Sahodaya Schools Complex.

From the starting blocks to the final lap, their commitment, grit, and sheer talent propelled them to greatness, showcasing the true spirit of champions! their relentless pursuit of excellence has inspired us all.

We appreciate these young dynamos for their monumental achievements and unwavering determination!

Thank you

We express our heartfelt gratitude to our students, teachers and parents for their valuable contributions and also for their incredible support to make every event happen in a great manner. Together we make learning and development good, better and best.

Thank You!

Why Choose Us

- 
- Focussing on nurturing happy children
 - 12 Acres learning environment wrapped in nature
 - State of the art infrastructure with A/C Auditorium
 - Warm and friendly teachers with Ideal Student – teachers' ratio
