# Principal's Note

*"Education is the passport to the future, for tomorrow belongs to those who prepare for it today".*

I feel elated to mention that our school is scaling new heights with the sign of progressive and quality education. With team of dedicated teachers, we always aim to create an environment where students eagerly look forward to come to school.

This newsletter is a platform that reflects vibrant talents of our future ready children.

## My Heartiest Accolade

My heartiest accolade goes to all my wonderful students who have made this newsletter more meaningful by contributing effectively and making it to the mark.

**A**

"Education is the key that unlocks the golden door to freedom."

**B**

"Education's purpose is to replace an empty mind with an open one."

**C**

"Education is not preparation for life; education is life itself."

# Achievements

## "Mastery of Logic: Celebrating Chess Triumph by Pranav Vikas"

Chess, the exquisite fusion of art and logic, unfolds as a captivating masterpiece. Within its intricate design lie the harmonious symphonies of science and strategy. Delving into this enigmatic realm, one discovers the mastery of nine essential skills, each a brushstroke on the canvas of effective play. In a heartening tale of achievement, our Grade 6 student, Pranav Vikas, embraced the essence of these skills. With fervour and dedication, he ventured into the arena of the Tiruppur Sahodaya Schools Complex competition. As his nimble mind danced across the board, he emerged triumphant, clinching the third prize in the Under-12 category. In this moment of victory, we celebrate not only Pranav's accomplishment but also the profound connection between intellect and strategy that chess fosters. His journey epitomizes the artistry of logic, a testament to the indomitable spirit of exploration and mastery. As Pranav's name graces the podium, it resonates as a beacon of inspiration for fellow chess enthusiasts, a reminder of the boundless horizons that unfold when art, science, and dedication intertwine.

## "In Pursuit of Excellence: A Trailblazer's Journey"

In the hectic world that is running in search of new things..... glorifying the world's most hidden Thirukkural ... reading...Iniya has achieved a world record through the Kalam World Record Organization by reciting 100 Thirukkuralas in five minutes and 27 seconds in his unchanging sweet voice.

She participated online in the 10-minute challenge organized by the Jockey Book of World Records in Sirkazhi and achieved a record of reciting 135 Thirukkuralin in ten minutes. Iniya's achievements are commendable.

## Interesting Student Activities

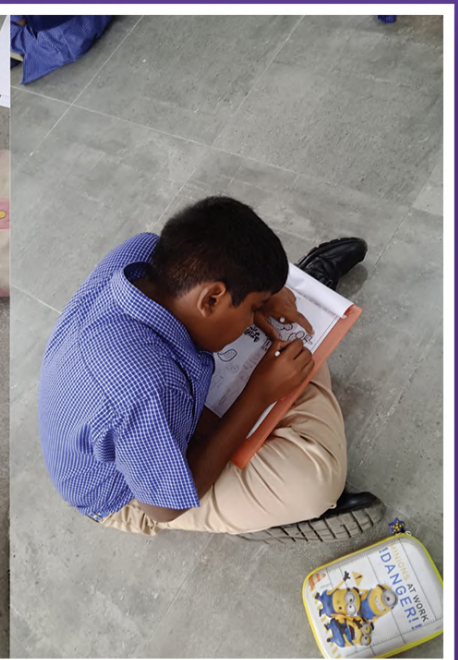

### "Harmonizing Mind and Body: Exploring the Benefits of Hula Hoop Moves for Kids"

Discover the captivating synergy of Hula hoop moves, seamlessly bridging the gap between mind and body, making it an inclusive activity for children across ages and abilities. Our engaging Hula Hoops session, tailored for grade 5 students, brilliantly fuses simplicity with enjoyment, igniting calorie burn, muscle fortification, and coordination enhancement. Amidst the joyful whirl of hoops, a profound transformation unfolds, as each twist harmonises muscles, fostering various physical benefits. Beyond the laughter, this seemingly uncomplicated activity unveils a hidden dimension of motor skill refinement, etching the significance of movement and health in the minds of our young participants. The Hula Hoop becomes more than a plaything; it evolves into a conduit for holistic well-being, knitting a seamless tapestry between brain and body.

## "Inspiring Change: Fostering Creativity and Environmental Consciousness through Poster Making"

Empower your actions with purpose by engaging in meaningful endeavours. Our Community Reach Club orchestrated a captivating Poster Making event for Students, delving into the expansive realm of 'Save Nature'. Witness the brilliance of our young minds as they channelled imagination and skill into poignant posters and impactful slogans. Beyond artistic expression, this activity serves as a catalyst, nurturing creativity and fostering environmental awareness. Through the art of visual storytelling, our children not only honed their creative faculties but also ignited a spark of change in their community.

## "Blossoming Creativity: Nurturing Environmental Awareness Through Grade 1 Showcase"

The students of Grade 1 showcased their creativity and understanding of the importance of plants in our environment. It was truly a delightful and educational experience for both the participants and the audience. Students learnt about the significance of plants while fostering a connection with nature and promoting environmental consciousness.

The costumes worn by the Grade 1 students were commendable. They were age-appropriate, and comfortable, and allowed the young participants to showcase their creativity and individuality. The choices of plant-related characters and elements were well-suited to their understanding.

The students' costumes effectively represented various aspects of plants, such as flowers, trees, and pollinators. The use of vibrant colours, props, and accessories enhanced the visual impact and made it an engaging experience for the students. This event not only provided entertainment but also effectively promoted environmental awareness among the young participants. On the environmental day celebration one of our students took the initiative to give a sapling seed as a gift..it raised awareness among young participants to plant seeds

## "Breath of Fun: Igniting Focus and Joy with Blow the Ball Activity"

Incorporating exhilaration into the Happy Hour Period, the Blow the Ball activity emerges as a splendid fusion of excitement and skill. With eager anticipation, students embraced the challenge of orchestrating their breath to guide a ping pong ball gracefully from cup to cup, each brimming with water. Aiming to conquer the aquatic obstacle course, this game weaves together entertainment and precision, captivating young minds and enhancing their concentration. As laughter mingles with determination, participants discover the art of controlled breath, a technique that not only propels the ball but also nurtures the ability to focus and achieve desired outcomes. Amidst the glee and splashes, a subtle symphony of growth takes place, making this activity a captivating and educative delight.

## Tirupur Thuppuravaalan Foundation - Promoting Waste Management for a Sustainable Future

The land that our ancestors cherished, the Earth, is being deteriorated due to exploiting its resources for our convenience. To live harmoniously with our surroundings and ensure the well-being of our future generations, we must take appropriate actions.

Tirupur Thuppuravaalan Foundation strives to preserve and protect natural resources, reduce plastic usage, promote cleanliness, and initiate reforestation efforts. Through these eco-conscious activities, the organization aims to restore the ecological balance and promote sustainable living. The foundation organizes events and awareness programs at Avinashi Sri Nachammal Vidhyavani Higher Secondary School for staff members, students, and other employees to promote environmental consciousness and responsibility.

## Radiant Reds: A Colourful Journey of Learning in Kindergarten 'Red Day' Celebration"

The Kindergarten 'Red Day' celebration blossomed into a delightful learning endeavour, nurturing cognitive prowess as children engaged in sorting and classifying objects adorned in the vibrant hue. A charming symphony of red dresses filled the air, each child a beacon of cuteness. Classrooms transformed into crimson wonderlands, unveiling the magic of the colour red.

Eager minds delved deeper, exploring an array of red shades, each unveiling its unique charm. A captivating craft activity unfolded, as tiny hands fashioned vivid red paper hats, simultaneously refining fine motor skills. Laughter and enthusiasm echoed throughout, crafting a tapestry of both learning and play. As the day drew to a close, cheers and smiles lingered, a testament to the profound impact of a day steeped in the vibrant world of red.

## "Whimsical Wind Exploration: Kindergarteners Embrace the Breeze"

In a whimsical Wind Day activity, our Kindergarteners embarked on a delightful journey with paper fans, unravelling the secrets of the wind as they fluttered and soared. A seemingly simple endeavor sparked a profound connection to nature, as our young learners began their enchanting voyage into understanding wind.

With paper fans in hand, they watched in awe as the wind breathed life into tree branches, danced with kites, and playfully tousled their own hair. An interactive experience awaited as they felt the wind's power firsthand, racing against it while clutching their paper fans. Through this playful experiment, they grasped the concept of wind's force, distinguishing the before and after with and without their trusty fans.

This captivating activity transformed curious minds into avid wind-watchers, and daily interaction with the elements ignited a newfound fascination. As paper fans met the breeze, a symphony of discovery unfolded, enveloping our Kindergarteners in the boundless embrace of the ever-mysterious, ever-present wind.

## "Celebrating Healing Hearts: Honoring Doctors with Kindergarten Movie Time"

In a heartwarming tribute to the unsung heroes of health, our school marked National Doctor's Day with a special celebration. Kindergarteners embarked on a cinematic journey, as an enlightening movie about doctors unfolded in the auditorium. This thoughtful initiative aimed to shed light on the profound contributions of medical professionals to our society.

With eager anticipation, our young learners embraced this unique learning experience. Amidst giggles and gasps, they absorbed the essence of a doctor's service, comprehending the invaluable role they play in fostering wellness and nurturing communities. As the screen came to life, a tapestry of appreciation was woven, highlighting the importance of doctors and their dedicated efforts. The movie time not only entertained but also enlightened, planting the seeds of awareness and gratitude within our Kindergarteners' hearts. Together with friends and teachers, they revelled in the joy of cinematic exploration, an experience that echoed the impactful journey of doctors in our lives.

## "Balloons and Laughter: Fostering Joyful Learning in Grade 4 A's Happy Hour"

In the realm of SNVV's jovial Happy Hour, an air of excitement is further inflated by the whimsical touch of balloons. Among the myriad moments that sprinkle delight, Grade 4 A embarked on a playful adventure with a balloon caterpillar race, encapsulating not only amusement but also valuable life skills.

As vibrant balloons transformed into imaginary caterpillars, young minds embarked on a journey of teamwork and coordination. The racecourse became a canvas for learning, where the threads of cooperation intertwined seamlessly. Each step was not just a movement but a lesson in social interaction, as laughter and camaraderie blossomed.

In the midst of this jocular escapade, Grade 4 A unearthed the essence of collaboration, coordination, and the art of bonding. Balloon caterpillar racing wasn't just a game; it was an intricate dance of skills and joy, an ode to the profound magic that unfolds when education and enjoyment intertwine.

## Field trips and educational trips

### "Conquering Fear: Unveiling Bravery Amidst Adventure"

In the echo of Alex Honnold's wisdom, our Grades X and XII students embarked on a profound journey at the "Turning Point" adventure camp in Coimbatore. Echoing the sentiment that fear is an inevitable companion, our young adventurers learned to navigate its presence. With every heart-pounding moment, they discovered not how to escape fear, but how to confront and conquer it.

As they embraced activities that tested their limits and stretched their boundaries, our students discovered the hidden wellspring of courage within. The adventure camp became a crucible of growth, where nerves intertwined with excitement, forging an unforgettable experience.

Amidst challenges and triumphs, fear evolved from a hindrance to a catalyst, propelling them to newfound heights. In the heart of Coimbatore, a turning point of bravery and self-discovery awaited, forever etched in their memories.

## Exploring Law and Order on an Enlightening Field Trip"

In a quest to amplify the potency of education, a field trip to the Thirumurugan Poondi Police Station was orchestrated. Brimming with curiosity, the Senior Kindergarten students embarked on a journey of experiential learning on June 23rd, 2023. Welcomed with warmth, the police officers unveiled the tapestry of their daily routines, unravelling the intricacies of their roles.

From the reception to the control room, and even within the confines of the prison walls, the students ventured into the diverse realms of the police station. Understanding the art of filing a complaint, they glimpsed into the essence of maintaining law and order. Witnessing the human stories within, they stepped into the shoes of real-time heroes and conversed with the officers, weaving a connection that transcended textbooks.

As a token of appreciation, the students received refreshments and mementoes, a gesture of gratitude for the insights gained. In turn, they paid homage to these guardians of society, recognizing the valiant efforts of the police force. This field trip was more than just an outing; it was an immersion into the realm of justice, igniting a spark of understanding and respect within our young learners.

## "Chandrayaan-3 Launch: A Landmark Moment for ISRO and Inspiring Visit to Sriharikota's Space Museum"

India celebrated a significant achievement as the Indian Space Research Organisation (ISRO) successfully launched Chandrayaan-3, its third lunar exploration mission. Students who witnessed the launch firsthand were filled with pride and inspiration. They also visited the Space Museum at Sriharikota, where they immersed themselves in fascinating facts about India's space research. The mission's success and educational experiences sparked curiosity and ignited the dreams of these young minds. Chandrayaan-3 symbolizes India's commitment to pushing the boundaries of lunar exploration and inspiring future generations to embark on their own extraordinary journeys of exploration and innovation.

# Thank you

*We express our heartfelt gratitude to our students, teachers and parents for their valuable contributions and also for their incredible support to make every event happen in a great manner. Together we make learning and development good, better and best.*

**Thank You!**

# Why Choose Us

- 
- Focussing on nurturing happy children
  - 12 Acres learning environment wrapped in nature
  - State of the art infrastructure with A/C Auditorium
  - Warm and friendly teachers with Ideal Student – teachers' ratio
