Principal's Note

"Education is the passport to the future, for tomorrow belongs to those who prepare for it today".

I feel elated to mention that our school is scaling new heights with the sign of progressive and quality education. With team of dedicated teachers, we always aim to create an environment where students eagerly look forward to come to school.

This newsletter is a platform that reflects vibrant talents of our future ready children.

My Heartiest Accolade

My heartiest accolade goes to all my wonderful students who have made this newsletter more meaningful by contributing effectively and making it to the mark.

A

"Education is the key that unlocks the golden door to freedom."

B

"Education's purpose is to replace an empty mind with an open one."

C

"Education is not preparation for life; education is life itself."

Joyful JURNE

Summer Holiday Activities for Adventurous Young Minds

Unleashing Creativity and Connecting with Rock Art

Our grade 6 students enthusiastically participated in a rock painting activity during their summer holidays. Through this screen-free endeavour, they unleashed their creativity and expressed themselves on rocks of various shapes and sizes. This engaging activity not only nurtured their artistic skills but also allowed them to connect with the spiritual and social importance of rock art. It fostered teamwork and camaraderie, creating a memorable experience for our young Nacha buds.

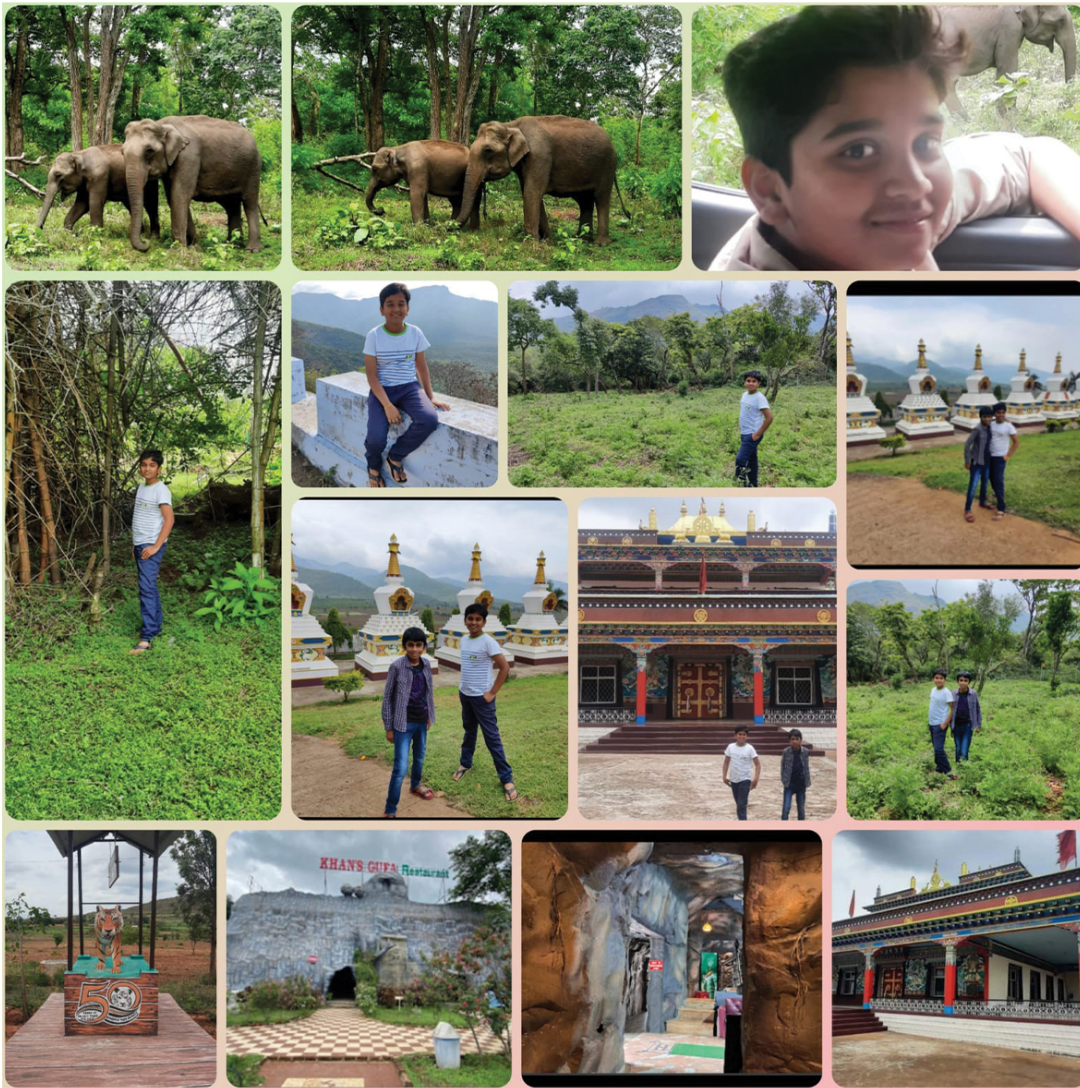

Boosting Inference Skills and Sparking Imagination: Nownika's Comic Book Journey

Nownika, a talented Grade IX student, embarked on an exciting venture during her summer vacation by creating her very own comic book. This captivating medium not only fueled her imagination but also honed her inference skills. As she delved into the colourful pages, Nownika learned to "read between the lines," extracting meaning from both the images and the narrative. Through this creative endeavour, she honed her storytelling abilities, weaving captivating tales that showcased her unique story concepts. Nownika's comic book became a testament to the power of comics in fostering imagination and empowering young minds.

Exploring Nature's Treasures: Aswanthvel's Adventure at Sathyamangalam Tiger Reserve

Grade VII student, Aswanthvel, embarked on an unforgettable journey during his summer break, venturing into the enchanting realm of the Sathyamangalam Tiger Reserve. Amidst lush greenery and vibrant wildlife, he created cherished memories that will forever hold a special place in his heart. From spotting majestic tigers to witnessing the harmonious dance of nature, Aswanthvel's experience showcased the immense treasure of time that happy childhood memories can be. His visit to the reserve not only fostered a deep appreciation for nature's wonders but also provided valuable insights into the importance of conservation and preserving our natural heritage. Aswanthvel's adventure serves as a reminder of the irreplaceable joy and knowledge that can be gained from exploring the treasures of our natural world.

Harnessing Creativity through Filmmaking

Grade IX student, Sajith, embarked on a captivating journey by delving into the basics of filmmaking. Armed with newfound knowledge and boundless imagination, he skillfully crafted a short film with a powerful message for society - the urgent need to save water. Through his artistic lens, Sajith not only showcased his creativity but also highlighted the importance of conserving this precious resource. His film serves as a poignant reminder that every individual has the power to make a positive impact on our environment. By empowering young minds to express themselves through filmmaking, we equip them with the tools to spark change and bring their ideas to life. Sajith's thought-provoking creation inspires us all to take action and protect our most valuable natural asset - water.

Aasiyah Mariyam: A Mastermind of Captivating Comics

Meet Aasiyah Mariyam, a talented young writer who has mastered the art of creating captivating comic book stories that enchant readers of all ages. With her exceptional storytelling skills, Aasiyah weaves tales that transport readers to extraordinary realms filled with rich characters and exciting adventures. During her summer vacation, she delved into her imagination and crafted a remarkable comic book that showcases her boundless creativity. Aasiyah's stories captivate and inspire, leaving readers eagerly turning the pages in anticipation. Her comic book serves as a testament to her skill as a writer and the power of storytelling to ignite imaginations. Through her words and illustrations, Aasiyah Mariyam invites us all to embark on thrilling journeys within the pages of her extraordinary creations.

Reunited & Recharged: Dynamic Activities on School Reopening Day

Brushes United: Nachammalians' Creative Collaboration Unveiled

Grade VIII students at Nachammal School embarked on an awe-inspiring journey on the reopening day as they collaborated in an exhilarating activity called "The Big Picture." With brushes in hand, they united their artistic talents to create a breathtaking scenery painting that showcased their combined creativity and teamwork. Guided by a spirit of unity, the students worked diligently and efficiently, ensuring the completion of this captivating artistic challenge within the given time frame. The activity aimed not only to awaken their inner artists but also to foster enduring team-building bonds through the power of art. As the vibrant masterpiece came to life, it served as a testament to the incredible talents and synergy of the Nachammalians. This remarkable endeavour allowed their individual creativity to flow freely, resulting in a mesmerizing artwork that will leave a lasting impression on all who behold it.

Spider Web Adventure: Students Weave Skills & Confidence

On their first day of school, the enthusiastic students of grade VII eagerly participated in a captivating spider web activity. This engaging exercise not only provided a refreshing start but also served as a fantastic way to enhance their motor skills. With careful precision, the students navigated their way through the intricate spider web, developing their gross motor skills and dexterity. As they faced the challenge head-on, they sharpened their problem-solving abilities, boosting their confidence with each successful manoeuvre. Additionally, the activity fostered effective communication among the students, as they collaborated and shared strategies to conquer the web. This immersive experience served as a testament to the power of hands-on activities in promoting skill development, teamwork, and self-assurance among our young learners.

"Word Play: Name -Noun connection"

On the first day of school, our grade VI students embarked on a refreshing activity that ignited their creativity and language skills. Through a dynamic exercise, they memorized each other's names while adding descriptive adjectives. This interactive experience not only facilitated name recall but also reinforced the use of nouns and adjectives in their daily lives. With sharpened pencils and refreshed minds, the students embraced the opportunity to enhance their language proficiency and practice applying descriptive language. This engaging activity set the stage for a successful academic year, empowering our young learners to confidently express themselves and forge connections through the power of words.

Nachammalians Rally for Water

Droplets of Hope: Nachammalians Leading the Charge to Preserve Water

Students are the generation that will face the maximum impact of the current problems emanating from them and that pose a threat to the environment. Coimbatore Sahodaya hosted the G 20 Rally on June 21, 2023. Around 60 schools participated in the rally. Our Twenty students from various grades enrolled in the rally to spread the message 'Save Water'. Students made five unique and attractive placards based on the exclusive theme and colour code. In a great way, with pride, our Nachammalians exhibited their concerns about water deterioration.

International Yoga Day Celebration

Embracing Unity and Harmony

On June 21, 2023, the ninth International Yoga Day was celebrated with great enthusiasm at Nachammal School. The event commenced with a keynote address by our correspondent Mr. K. Vinayakaya, who emphasized the importance of yoga in our lives. The occasion was graced by the presence of Dr. K. Madheswaran, the founder of Royal Care Hospital, and an expert in naturopathy. They both extended warm greetings to the gathering. Representatives from the Universal Peace Foundation, Thirumurthi Hills, and World Ambassador of Peace, Guru Mahan Paranjyoti Munivar, also attended and delivered inspiring speeches. The theme of "One World, One Family" resonated throughout the event, as participants of all ages came together to practice yoga and embrace the concept of universal peace. The event concluded with the presentation of 2,000 saplings as a token of appreciation to students, their parents, and the general public who participated in the yoga session.

Yoga Math Adventures: Discovering Fun, Health, and Learning

KONASANA

Kona =Angle; Asana = Pose/Posture. Relating Mathematics with Yoga. Learning in a fun-filled way helps children develop an interest towards the subject.

Yoga offers physical and mental health benefits for people of all ages. For anyone going through an illness, recovering from surgery or living with a chronic condition, yoga can become an integral part of the treatment and potentially hasten healing.

It oxygenates the whole body, keeps the brain brisk, increases listening skills, and observing skills, and makes the children filled with FUN & HAPPY.

“Enlighten yourself by performing yoga regularly”.

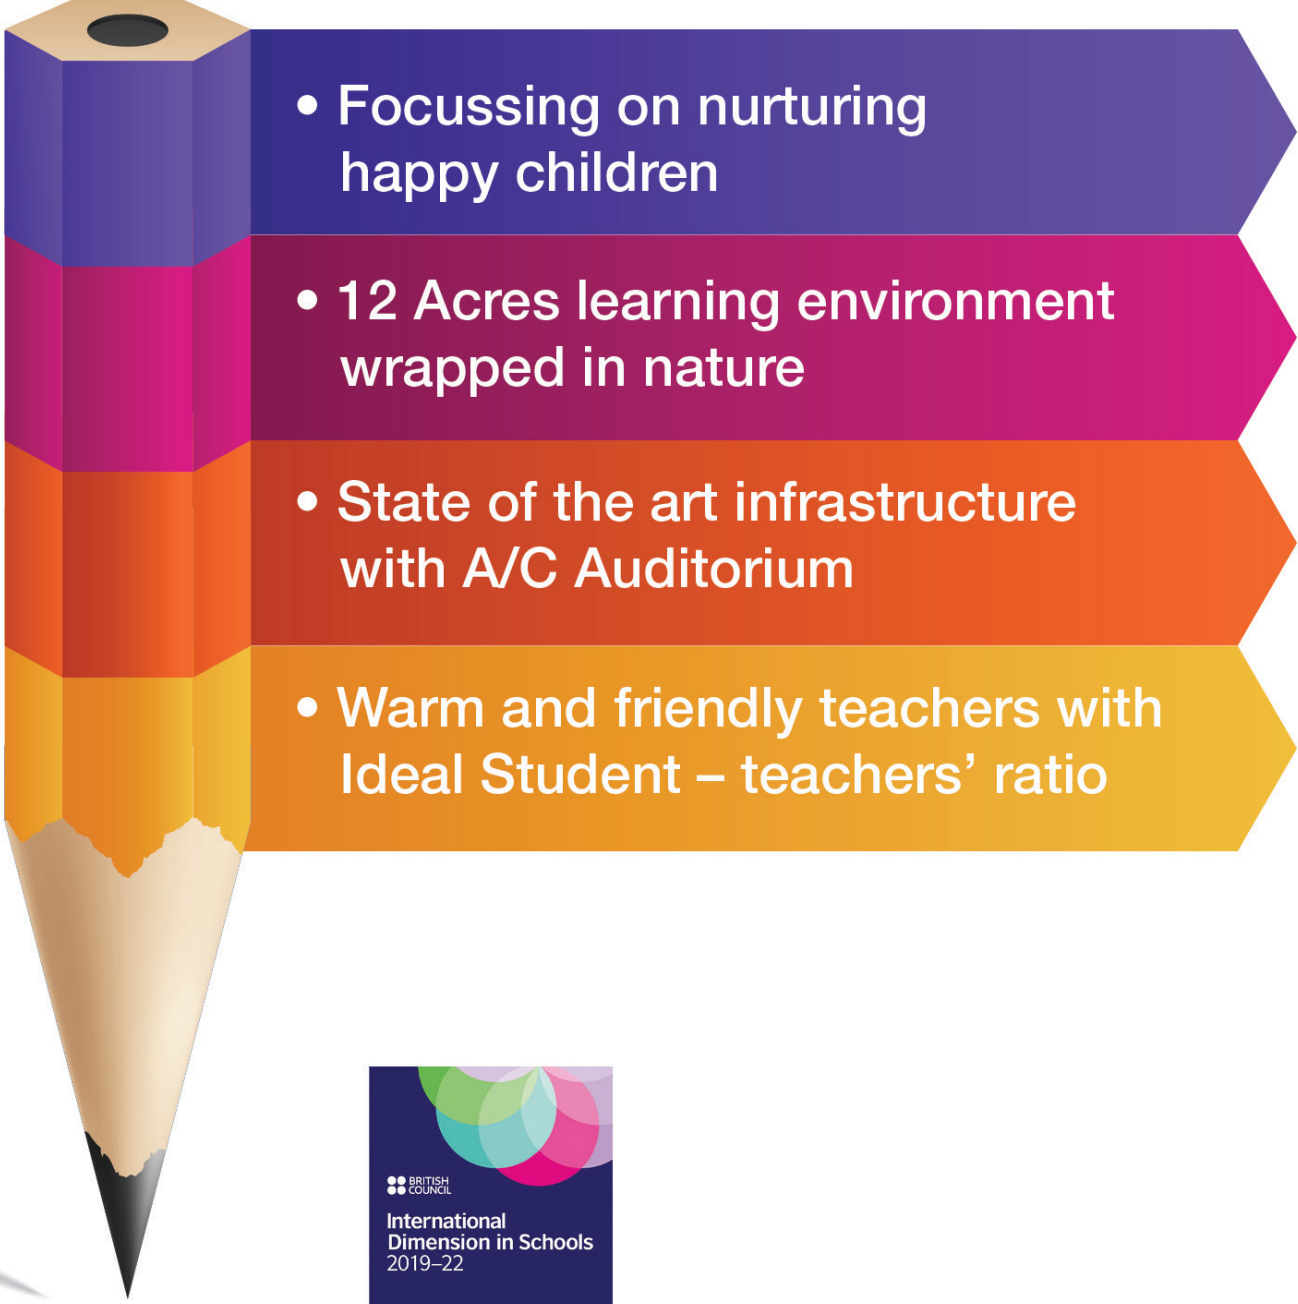

Thank you

We express our heartfelt gratitude to our students, teachers and parents for their valuable contributions and also for their incredible support to make every event happen in a great manner. Together we make learning and development good, better and best.

Thank You!

Why Choose Us

- 
- Focussing on nurturing happy children
 - 12 Acres learning environment wrapped in nature
 - State of the art infrastructure with A/C Auditorium
 - Warm and friendly teachers with Ideal Student – teachers' ratio
