# Principal's Note

*"Education is the passport to the future, for tomorrow belongs to those who prepare for it today".*

I feel elated to mention that our school is scaling new heights with the sign of progressive and quality education. With team of dedicated teachers, we always aim to create an environment where students eagerly look forward to come to school.

This newsletter is a platform that reflects vibrant talents of our future ready children.

## My Heartiest Accolade

My heartiest accolade goes to all my wonderful students who have made this newsletter more meaningful by contributing effectively and making it to the mark.

A

"Education is the key that unlocks the golden door to freedom."

B

"Education's purpose is to replace an empty mind with an open one."

C

"Education is not preparation for life; education is life itself."

# Educational Enrichment Initiatives

## Moonlit Magic: A Night of Laughter, Learning, and Lasting Memories

The new Moon is an auspicious time for a fresh start. The moon is the reflection of our heart and moonlight is the twinkle of our happiness.

Our Grade VII & VIII children had a chance to enjoy the moonlight gathering with their friends and teachers on our campus.

The afternoon started with Movie time in our auditorium followed by evening Appetizers laughing therapy and a moonlight dinner which were filled with a lot of enjoyment.

Our Nacha champs enjoyed a pleasant moonlight night stay that will always be cherished in their memories.

## Igniting Potential: Grade 8 Fitness Assessments for National Healthy Weight Week

You got to keep your Body Active to prepare your mind for greatness" Fitness assessments were conducted in our school for Grade 8 students regarding the 'National Healthy Weight Week'. It helped us evaluate our students' physical health, wellness and fitness levels.

The objective of the assessment was to identify strengths and areas for improvement in each student's physical capabilities, encouraging a lifelong habit of regular physical activity.

The components of assessments covered key areas like Aerobic Capacity, Muscular Strength, Endurance and Flexibility.

## Nurturing Wisdom: Reflections on Our School's Honesty Stall Initiative

Honesty is the first chapter in the book of wisdom. The Honesty Stall organized by our School was a commendable initiative where children actively participated with sincerity.

This event served as a valuable educational experience, instilling the principles of honesty in the young participants, and fostering a positive learning environment. Our management is grateful for introducing innovative ideas that contribute to the student's character development.

Conducting an honesty stall serves multiple purposes, including Character Development of an individual - it promotes the values of honesty and integrity.

It provides a practical and experiential way for children, to understand the importance of honesty in real-life situations.

## Bunny Club's Backward Fun Transfer: A Playful Twist for Motor Skills and Coordination Development

The passing game is always fun. It's more entertaining when it is done backwards. Children of the Bunny Club played the 'Fun Transfer' activity with their friends.

This activity helped children improve their motor skills, concentration and hand-eye coordination.

## Cultural Harmony in Action: National Dress Up Day Unites for a Cause

National Dress Up Day was organized to celebrate cultural diversity, promote unity, and foster a sense of national pride.

It provided an opportunity for students to showcase and share their heritage and appreciate the richness of different cultures within our Nation. Additionally, it was a fun and inclusive way to build community spirit and strengthen social connections.

Our fifth-grade students marked National Dress Up Day by embracing diverse cultures and donating money. The funds raised were used to support underprivileged children in government schools, allowing them to purchase essential stationary items.

## Grasping the Importance: The Opposable Thumb Experiment

An opposable thumb helps humans by grabbing things because, without it, it is difficult to have a firm grip on anything. Humans and primates have what are called “opposable thumbs” which makes doing certain tasks much easier.

Our Nacha stars of Grade 11 were involved in a short activity to determine the importance of the opposable thumb to humans. This activity involved students taping their thumbs to render them useless while they proceeded to do an everyday activity. In the end, students reflected on why the opposable thumb is an adaptation important to humans.

## Fostering Educational Achievement through Emotional Guidance: The Nachammal Approach

Teachers at Nachammal always ensure to provide a strong, supportive relationship to the students with effective emotional guidance helping them to step out of their intellectual 'comfort zone' and explore new ideas and ways of thinking, which is fundamental to educational achievement.

Emotional Well Being of Student

Emotional Well Being of Student

## A Joyous Affair: Kindergarten Graduation Day at SNVV school

Our school's Kindergarten Graduation Day was celebrated with great pomp on 20th March 2024. The Kindergarten band troop welcomed the Chief Guest to the dais with their heavenly beats.

The programme began with the ceremonial lighting of the lamp by the Chief Guest Smt. Minu Sakthi Priya, Director of The Chennai Silks and Sri Kumaran Thangamalgai (Gajaananda Group), our Secretary Smt. Agasya Vikram and by Parents who graced the occasion with their presence.

During the ceremony, the bright and cheerful Senior Kg students were seen holding their certificates in their hands, walking with great confidence on the stage, and humming the lyrics of the song, "Thank You for Everything".

It was an innate feeling of pride and accomplishment for the teachers as the students walked across the stage to receive their graduation certificates. The brilliant performances by the Junior KG students bidding farewell to their seniors left the audience spellbound. The event culminated with the National Anthem sung by the school choir subsequently parents enjoyed the refreshments being served.

## Little Seniors' Garden Picnic: A Day of Nature and Nurturing Bonds

Everyone needs a picnic to reconnect with nature and loved ones.

Children of Little Seniors enjoyed their picnic in our school garden along with their friends and teachers. Picnic helps in the better mental development of the children and in setting tradition & memories. Children shared their favourite snacks with their friends and enjoyed the day

## Innovative Tug of War: Building Teamwork and Coordination in Grade 2!

Tug of War was organized for our Grade 2 children, and the activity was tried in a different way where we set up four teams in four directions, with each team holding a separate rope that converges to the centre. The objective was to pull the centre point towards their team's designated boundary line. This variation added a strategic element to the game and allowed for more participants to be involved. Through the game, children learned about coordination, synchronizing movements, unity, teamwork, strength training, etc.

# Passport to Cultures: Grade VIII's Global Exploration

Exploring cultures, unravelling mysteries!!!

Students of Grade VIII created a passport to the world. Each child made a blank passport which exactly looked like an authentic passport and named it "A Passport to the World". As they participated in different activities related to a country and completed it they also collected stamps with a country's name for learning about that country and its unique cultures. The activity helped to build enthusiasm and awareness about different cultures around the world by honouring the past, embracing the present, and imagining the future through the lens of anthropology. Students understood that every culture is a masterpiece of human creativity and resilience.

## Bubble Wrap Stomp Sensory Fun for Little Seniors

Bubble wrap activity always brings a lot of fun and happiness to little children. Kids from Little Seniors got a fun sensory experience through bubble wrap activities. Children touched and felt as they popped out bubble sheets on their hands, walking on toes and jumping on bare foot. This activity enhanced the strengthening of the feet, improving eye-hand coordination and even children who don't like toe walking enjoyed it a lot.

## Strings of Imagination: Exploring the World of Puppetry at Bunny Club

A day spent with a puppet is always a day well spent.

Playing with puppets will improve language skills, boost confidence and also help in emotional development. Children of Bunny Club unleashed their creativity through their own stories with puppets. Puppet play also helps to stimulate children's imaginations and encourages creative play and discovery.

## Road to Knowledge: Field and Educational Expeditions

### Safe Adventures: Grade II Explores Road Safety at Children's Traffic Park, Coimbatore

Children of Grade II were taken on a field trip to Children's Traffic Park at Coimbatore. The field trip was organised to introduce them to basic road safety rules. Children got an opportunity to interact with the authorities, who patiently explained every road safety rule in detail using a PowerPoint presentation. The children visited this enchanting and picturesque place as a part of the school curriculum.

The Traffic Park is equipped with traffic signals, road signs, and road crossings, and thus the children enjoyed learning about the various aspects of road safety in a play-way method.

## KG II Farewell Adventure: Exploring Ooty's Wonders!

The more places you go, the more you learn!!

Children of KG II were taken to Ooty for a farewell trip as they are moving to Grade I from Kindergarten.

They were excited to learn the history of Kurusady Cave Church and surprised by its Architecture. Kids loved visiting the boat house and enjoyed the toy train ride. Finally, they got peak enjoyment in the Botanical Garden with their friends and teachers.

Undoubtedly this would be a memorable trip for children.

## Exploring the Cosmos and Indulging in Flavors: A Day of Discovery at Ooty

The Students of Grades IX and XI visited the Radio Astronomy Centre at Ooty. This Radio Astronomy Centre (RAC) is purely a Research organization engaged in Research and training PhD students in the field of Radio Astrophysics and it operates the Ooty Radio Telescope (ORT). The students viewed a video show on the radio telescope and the basics of radio astronomy. They were taken to the telescope site to learn about the radio telescope's working process. Students also visited Benchmark Tea and Chocolate Factory and viewed the process of tea and chocolate manufacturing. This trip was very informative and gave our students a fantastic learning experience.

## A Day of Wonder and Exploration: Junior KG Field Trip to Kookyland's Enchanting Bird Park

Our Junior Kg children were taken for a field trip to Kookyland, a unique bird park which has 15 varieties of exotic birds, 7 varieties of exotic rodents, iguanas, bearded dragons, ball pythons, etc. Children got excited as they were able to see the birds that were not caged. Instead, they live freely in a man-made habitat set up in a natural environment, along with mist chambers and an artificial fountain.

On entering the park, children fed a plate of sunflower seeds, corn, watermelon, etc., to the birds. The birds are well-trained to be friendly with children and children had a good time handling all the species over there.

## A Journey of Spiritual Discovery: Exploring the ISKCON Temple in Coimbatore

Our Grade 4 kids were taken to the ISKCON (International Society for Krishna Consciousness) Temple at Coimbatore. It was a spiritually enriching experience. Located amidst serene surroundings, the temple is renowned for its architectural beauty and religious significance.

Our visit to the ISKCON Temple was a memorable and enlightening experience for our children as it offered them a glimpse into the rich spiritual heritage of India. Children were also fascinated to learn about the history and philosophy of ISKCON.

## Embarking on Adventure: Exploring Nature and Culture"

Adventure starts with daring oneself to try something new. It's about embracing every opportunity and living life to the fullest!" – With this thought students of Grades VI, VII and VIII were given an opportunity to participate in a 5-day adventurous trip from Tirupur to Mangalore - Dandeli. Nearly 54 students grabbed the opportunity and were taken to various famous locations.

Day 1 - Pilikula Biological Park and Panambur Beach to increase their knowledge of flora and fauna followed by relaxation.

Day 2 - Udupi Sree Krishna temple, Malpe beach, Murudeshwar temple for bringing peace and understanding of the culture

Day 3 -Miranjan Fort, Yana caves to understand our Indian history

Day 4 - Adventurous activities in Dandeli - Students started their morning with trekking followed by Kayaking, Swimming, Rain dancing, water zorbing, boating, archery, swimming and many which made them unlock their potential and find fulfilment.

Day 5 - With all those beautiful fun-filled activities, the children enjoyed their trip back to Tirupur travelling by train with their friends and playing various card games. This trip helped our children to learn lots of social rules, and ethics and to be cooperative with others.

## Seminars and workshops

### CONTRIVA 2024: A Showcase of Innovation at SNVV School

Our school hosted an electrifying event that captivated the minds of students, teachers, and parents. The annual Robotics and Science Expo cum Competition, CONTRIVA 2024 was held on 02.03.2024. Students from Play Group to Grade XI eagerly participated in the Expo. A cash pool prize of Rs.14000/- was announced for the best project under various categories.

Our Correspondent Thiru K. Vinayakam Avl and Chief Guest Dr.K.R.Valluvan, Controller of Examinations, Vellalar College of Engineering and Technology, Erode inaugurated the expo. Dr. Senthilkumar, HOD - Department of Aeronautical Engineering and Dr. Maheswaran, HOD - Department of Mechatronics Engineering from Nehru College of Technology, Coimbatore graced the event as Guests of Honour.

The expo featured a dazzling array of STEM and Robotics projects. All the exhibits of our students showcased their ingenuity and passion for innovation. One of the event's highlights was the Robo Race, where students showcased their engineering prowess by designing and programming robots to complete a series of challenges to finish the race. Spectators marvelled at the precision and agility of these machines as they navigated obstacle courses and solved complex tasks.

ICT Projects of our students showcased their Coding skills and creativity. Impressive projects like animated creations and game development using Java programming, web pages crafted using HTML received well-deserved appreciation from the visitors. Before the closing of CONTRIVA 2024, Dr. Senthilkumar, Founder and CEO of CSK Drone Tech, Coimbatore, performed a fantabulous demonstration of various types of drones. It was a treat to the knowledge of all the Expo Participants.

Our Joint Managing Trustee Shri. Vikram Narayen. K joined in the closing ceremony and appreciated students for their participation.

## Sports Achievements

### Totys, Little Juniors, and Little Seniors: Champions in Action!

Sports are known for producing the most remarkable athletes, influential leaders and memorable heroes. Through their dedication and determination, athletes become role models, inspiring others to chase their dreams and believe in their own potential.

Our little champions from Totys, Little Juniors, and Little Seniors showcased their skills at the Kids Athletic Meet conducted by Tirupur Sahodaya's Schools Complex. Bringing home a total of 13 Gold, 5 Silver, and 5 Bronze medals, our children truly exemplified the spirit of sportsmanship. Congratulations to all the participants and winners!

## Nachaa Stars Shine: Football Glory at State Level!

Our school's football stars have done it again! Victory is sweet, and our school's football team knows it best! With skill, strategy, and sheer determination, they have emerged as champions once again in the Jethel Sports Academy 5A Side State Level Football Tournament held on 03-03-2024 at Subbiah Central School, Tirupur.

Huge congratulations to our talented students for their hard work and dedication! A special shoutout to our Football Coach Mr. Karthi for his exceptional guidance and leadership, earning him the well-deserved Best Coach Award.

**Our School has once again proved a magnificent success.**

**Under 8 Girls - 2nd position**

**Under 10 Girls - 2nd position**

**Under 10 Girls (B Team) - 4th position and**

**Under 12 - 2nd Position**

**Under 8 Boys - 3rd Position**

**Congratulations to all our ever-shining Nachaa Stars**

# Thank you

*We express our heartfelt gratitude to our students, teachers and parents for their valuable contributions and also for their incredible support to make every event happen in a great manner. Together we make learning and development good, better and best.*

**Thank You!**

# Why Choose Us

- 
- Focussing on nurturing happy children
  - 12 Acres learning environment wrapped in nature
  - State of the art infrastructure with A/C Auditorium
  - Warm and friendly teachers with Ideal Student – teachers' ratio
