# Principal's Note

*"Education is the passport to the future, for tomorrow belongs to those who prepare for it today".*

I feel elated to mention that our school is scaling new heights with the sign of progressive and quality education. With a team of dedicated teachers, we always aim to create an environment where students eagerly look forward to come to school.

This newsletter is a platform that reflects vibrant talents of our future ready children.

## My Heartiest Accolade

My heartiest accolade goes to all my wonderful students who have made this newsletter more meaningful by contributing effectively and making it to the mark.

A

"Education is the key that unlocks the golden door to freedom."

B

"Education's purpose is to replace an empty mind with an open one."

C

"Education is not preparation for life; education is life itself."

Jovial  
*January*

# EVENTS

## Nacha Market Day

Marketing is the Science and Art of exploring, creating, and delivering value to satisfy the needs of a target market at a profit ". Our Grade VIII students participated in the Nacha market and learned the art of selling things and how to obtain profit from it. 50% of their profit was given to charity, which added significant value to their deeds.

This is the form of education that helps children learn by doing, having clear goals and values that make them fit to survive in future with a solid deep, rooted Indian culture.

## Annual sports meet

Sport develops a sense of friendliness among children. It helps them to develop mental and physical toughness. Our Annual Sports Meet for Juniors started with a colourful parade followed by the torch relay. Parents were mesmerised seeing various drills and energetic performances like Gymnastics and Yoga displayed by our children. Our sincere thanks to Subedar. Arokiya Rajiv, Indian Sprinter and Arjuna Award Winner, for joining us as Chief Guest of the event and motivating our students.

## ACTIVITY

### Kitchen waste compost activity

Nature demands a gift for everything it gives us, so we must keep returning to the soil, and then we will also have a return cycle. The kitchen waste compost-making activity conducted for grade IX students was the time for the kids to learn the easiest method of making kitchen waste compost at home so that they could use the waste and convert it into useful compost. The activity also aimed to make students understand that it is one of the most powerful actions we can take to reduce trash and build healthy soil.

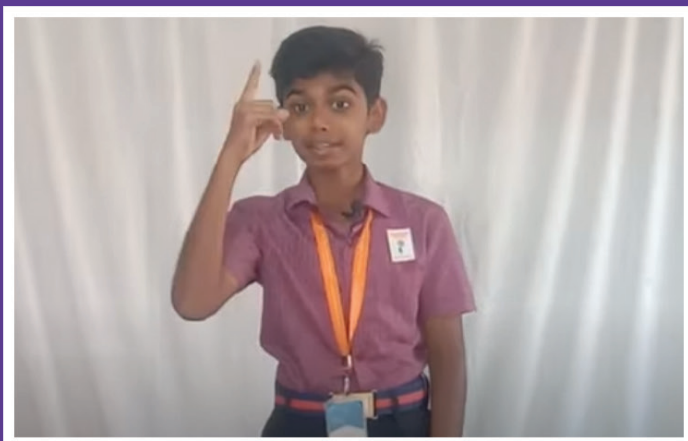

## SPECIAL SESSIONS

### Post-pubertal change session by Dr. Devi.

People are little different from one another, so it makes sense that they don't develop in the same way. Puberty education programs are essential, as they provide crucial knowledge to children to navigate the physical, emotional, and interpersonal changes of puberty with positive outcomes. It helps them understand that no two people exactly at the same stage go through puberty, and everyone changes at their own pace. Thanks to Dr Devi Ramachandran from AKVN Charity Hospitals for providing a session on Post Pubertal Changes to our grade IX to XII girls.

## Session on entrepreneurship by Mr.Aravind

Entrepreneurship is living a few years of your life like most people won't, so you can spend the rest of your life like most people can't. To inculcate the importance and advantage of entrepreneurship, we organised a session for our Grade XI students with Mr Aravindan, CEO of Vijay Sweets. Vijay Sweets is India's first vegan sweets and snack brand operating worldwide. They supply to international markets like US & Europe. The brand has received 90 - plus awards. It was an excellent platform for our children to learn about opportunities available for entrepreneurs, challenges faced by them and various supports available for them in the society for startups.

## FESTIVAL ACTIVITIES

### Salute note by student Mohammed Roshan for Pongal

Let us salute the farming and the farmer. Look at the agriculture business that feeds the world. Let us lend our hands to raise the praise. Mohammed Roshan from VII B makes us realise that through his speech.

## Pongal celebrations

Celebrating Pongal with rangoli & making Pongal with the students & teachers of the school. Let happiness flow like an overflowing Pongal, worshipping God, tradition will not be forgotten, everyone together celebrates the Pongal festival happily.

# SPECIAL DAY ACTIVITIES

## World Braille Day

Even without sight, there is still a vision. World Braille Day is all about inclusion and diversity. It is important that children are aware of others' differences and gain an awareness of varying needs and requirements. Keeping this in view, our school conducted a Braille activity, Drawing without seeing for Kindergarten children. The kids were blindfolded and given a pencil and paper to create a drawing. This activity was fun, and also they understood the importance of eyes.

## Human rights day

“Fruit Trees only produce one specific fruit, but a magical human rights tree can produce various fruits”.

On account of Human Rights Day, our school organised an activity on the theme ‘Curate a Human Rights Tree’. For this activity, students used craft supplies to create a one-of-a-kind fruit with a specific human right written on it. This activity aimed to promote awareness about human rights among the students and to realise Dignity, Freedom, and Justice for all.

Celebrating Human Rights Day reminds us that human rights cannot be taken for granted and that safeguarding requires daily commitment.

## Republic day speech by student Ridahanya

Ridahanya, 4th Grade A Division, efficiently expresses information about Republic Day through her beautiful speech as the crop is known in the early sprouts.

# FIELD VISIT

## Visit to Post office

Today's savings... The security of tomorrow ...Our kids' post office trip. It is an undeniable fact that information technology has reduced the growth and speed of the postal department! our children went directly to the post office. They acted postmen for one day to learn about the post office and the postal department' s excellent service.

We should allocate 10 per cent of our monthly savings to save money. Today's savings will benefit for present and future needs. How to save money in the central government Which account to start? Our children who realised the importance of savings, have started a new postal Savings Account today for tomorrow's needs. We express our greetings and thanks to the postal staff on behalf of our children.

## INFORMATIONAL VIDEOS

### Healthy meals provided by the school

Our canteen provides delicious and Healthy meals. The video shows the whole process with the canteen & food provided to the school children within the campus. The teacher also describes the details of how they prepare food like it's for their own kid. There is spinach, fried rice, and noodles prepared without adding any food colours, soda etc. so that the children are healthy.

### Happy parent of a happy school

Happy Parent of a Happy School, Mrs Renita. M, M.A, B. Ed shares her gratitude for the school. She is the Mother of Alphin. P. R, Grade IX-A.

# Thank you

*We express our heartfelt gratitude to our students, teachers and parents for their valuable contributions and also for their incredible support to make every event happen in a great manner. Together we make learning and development good, better and best.*

**Thank You!**

# Why Choose Us

- 
- Focussing on nurturing happy children
  - 12 Acres learning environment wrapped in nature
  - State of the art infrastructure with A/C Auditorium
  - Warm and friendly teachers with Ideal Student – teachers' ratio
