

CORE COMPETENCIES

- **ACEE® Workforce Enablement:** Cleared Agile teams trained in Scrum, SAFe, and DevSecOps, enabled by our ACEE® framework for legacy modernization and delivery excellence.
- **Agile Coaching & Training:** Empowering teams through hands-on coaching, Agile framework adoption, and tailored training to enhance delivery and team performance.
- **DevSecOps & Compliance Automation:** CI/CD, IaC, and built-in compliance ensure secure, rapid delivery across hybrid and cloud environments.
- **Low-Code/RPA Solutions:** Rapid, cost-effective development using Salesforce, Unqork, and Power Platform; RPA streamlines workflows and reduces manual effort.
- **Enterprise Systems Integration:** Interoperable deployment of COTS/GOTS and cloud systems for secure, scalable mission support.
- **508 Accessibility Compliance:** Trusted Testers embed Section 508 compliance from design through remediation for accessible, inclusive solutions.
