For this annual golfing gate pass, it is now required to use the gate entrance pass at least once per month. If you intend to use the pass intermittently, then this pass cannot be issued. You would need to find a sponsor that can meet you at the gate for the periodic times that you would need to enter the installation to play golf.

I will utilize gate pass at least once monthly: _____ (Initials)

FOUO

412 FSS/FSCG Golf Manager and
412 FSS/FSW Flight Chief
