

SPONSORSHIP TIERS

\$250

PARTICIPATION & ENTRY SUPPORT

Purpose: To support access and reduce basic financial barriers

- Meet all baseline eligibility criteria (30 & under, Indigenous, eligible pathway)
- Demonstrate financial need appropriate to the level of support requested
- Are participating at a recreational, school, or early-development level
- Do not require full funding to continue participation

Applicants in this tier may be exploring sport or education pathways but are not yet on a defined elite or post-secondary track

\$500

DEVELOPMENT & CONTINUITY SUPPORT

Purpose: To help individuals continue progressing in sport or education

- Demonstrate financial need and require meaningful assistance to continue participation
- Committed to development through education, competitive sport, coaching, or mentorship
- Require financial assistance to remain active or consistent in their pathway

Applicants may be preparing for higher-level opportunities but are not yet at an elite or professional threshold

\$750

ADVANCEMENT & PATHWAY SUPPORT

Purpose: To support individuals actively moving toward higher education or elite competition

- Demonstrate substantial financial need and progression toward higher-level opportunities
- On a defined path toward post-secondary education or elite/professional competition
- Require funding for necessary advancement opportunities

Funding at this level is considered when the request is necessary to continue progression, not optional

\$1000

ELITE & HIGHER EDUCATION SUPPORT

Purpose: To provide critical support where the financial barrier directly threatens progression

- Demonstrate significant financial need and that the funding is essential to remain on their pathway
- Actively pursuing elite, professional or post-secondary academic pathways
- Can clearly show that the requested funding is essential to remain on that path

Funding at this level is not automatically granted and priority is given to applicants with no alternative means of support

Financial need levels are guidelines only and do not automatically determine tier eligibility. All applications are reviewed holistically, and funding amounts are based on demonstrated need, pathway alignment, and the specific amount required.
