Bio

Victoria BC Ska and Reggae Society says

"The mighty maestros of mischief, the juggernauts of jungle funk, APEX BREAKS. Every time that Apex Breaks takes to the stage, their legend grows exponentially. Priding themselves on being one of the more fun, more unpredictable, more engaging band on the west coast right now. Apex Breaks lays down heavy funk with hits of hip-hop, soul, rock, dub and a big slopping plate of psychedelia.
