 - Add if not shows and
 - Include copy of insurance card with specimen

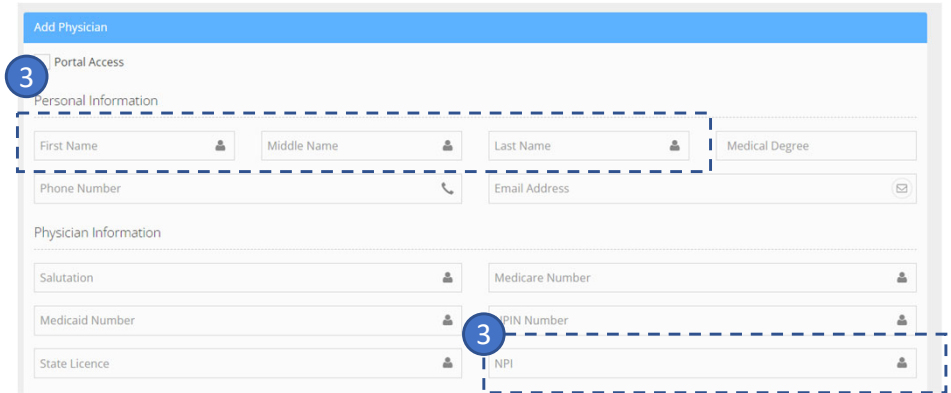

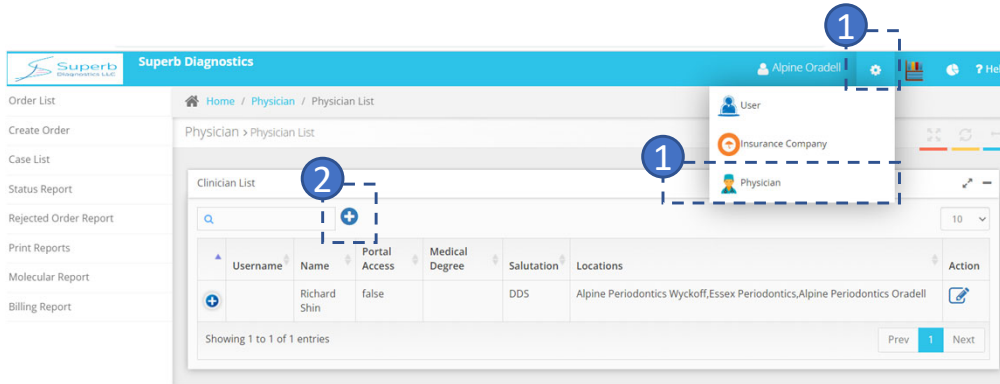

The screenshot shows the 'Create Order' page in a web portal. The interface is divided into several sections, with numbered callouts (1-7) indicating key areas:

- 1:** The 'Create Order' link in the left-hand navigation menu.
- 2:** The 'Patient & Clinical Info' section, which includes fields for 'Select Patient', 'Medical Record #', 'Date Collected' (pre-filled with 08/01/2023 12:00 AM), 'Test Type' (set to Molecular), 'Volume', 'Temperature at time of collection', 'Collector' (Alpine Oradell), 'ICD Code', 'Allergies' (Select allergy), 'Prescribed Medicine' (Select a drug), 'Last Dose' (mm/dd/yyyy), and 'Logged in By' (AlpineUser1).
- 3:** The 'Ordering Physician & Location' section, featuring dropdowns for 'Primary Physician', 'Location', 'Secondary Physician', and 'Cc Physician'.
- 4:** The 'Test (Compound)' section, including a 'Compound Profile' field and a 'Comments' text area.
- 5:** The 'ICD 10 Code(s)' field, which is part of the 'Patient & Clinical Info' section.
- 6:** The 'Sample Type' section, which includes a 'Molecular Sample Type' dropdown menu.
- 7:** The 'Insurance' section, with radio buttons for 'Primary' (selected), 'Secondary', 'Tertiary', 'Worksmen', 'Self Pay', and 'Client Bill'. There is also an 'Add Insurance' button and a note 'No Insurance Data Available'.

A 'Submit' button is located at the bottom right of the form.
