I have engaged the services of Gloria for party planning and decorations. My experience for the past four years has been amazing. She has made every single event unique based on the child's preferences. She understands and diligently uses the perfect color theme chosen by my children for their graduation parties. Gloria is intentional, meticulous, and creative with her designs in terms of decoration, food, menu items, colors and understanding her audience expectations. It is always exciting working with her.

I approached Gloria with the idea of a 75th birthday party to be held at my home. After a thorough review of my location and food desires; the Storage Room Key staff made the celebration one that is still being talked about 3 years later! I asked Gloria to transform my backyard into a party place and it went above and beyond my expectations. Gloria was creative with the visual layout of table arrangements. The area was so decorated that it showcased the classy and elegant flair I had hoped for. The food presentation was amazing and delicious. Lastly, it needs to be noted that Gloria possesses an extraordinary artistic talent that is highlighted in her catering endeavors. She exhibits a standard of excellence as she fulfills each catering event.

It's good to hear from you. Praying all is well with you and your loved ones. We are well. Please find the statement you requested below.

Ms. Gloria Johnson and her staff provided the decorating and catering for our 50th Wedding Anniversary. We were very pleased with her services. Especially noteworthy was the careful attention paid to our requests. The balloons and table decorations were simply beautiful and done quite tastefully. Ms. Johnson also provided us with a lovely personal sign commemorating our Special Day. It was quite a delightful keepsake, which was appreciated very much.

The food was absolutely delicious. The Buffet decoration and food presentation was outstanding. Many of our guests commented on the elaborate, plentiful Charcuterie board, as well as the additional Buffet items. The staff was pleasant and efficient. They made sure that everything was done professionally and met our expectations. We will certainly use Ms. Johnson for our next catered event. I rate her catering service a 10 out of 10.

Blessings to you and your family,

Richard and Melody Baker
