President Trump: Prelude Before the Feast of Trumpet

December 6, 2018

The Question Presents: What is Trump’s Relation to the Feast of Trumpet

Irrespective of religion, the question of humankind’s ultimate destiny persists. For Christians, the Holy Bible contains answers, knowing the Bible is the only book on planet earth that tells a coherent story about humankind’s past, present, and future. Jesus is the central focus in the lives of Christians Israelites and the Gentile Christians, because he brings salvation—freeing us from the domination of sin.

Still, with a burning desire to know future events, countless numbers of people through history have used the Bible to predict a range of events including the end times, and there are those who use extra biblical resources to predict the future. Indeed, the LORD has revealed and given information to many different persons, regardless of religion, at different times in the course of history for his purposes. Even so, the true congregation of Israel, sometimes referred to as Jerusalem, remains history’s guideline for the end time.

In keeping with history’s guideline, I am proceeding from two classes of evidence inferring a specific outcome for the latter day; one being prophesies within the Holy Bible; the other one is direct interaction with the LORD of hosts particular related to the second exodus and the tribulation period.

Donald Trump is a reference point for end time’s prophecy. There is no question about this biblical fact. The question to be answered: what is his actual purpose?

My examination proceeds from the theologic perspective of tribal Judah of which I am a member. Since all major end times’ milestones are known in the Bible, seekers of the truth should obtain scriptural clarity over and against biblical perversions by working backward from each milestone. For example, the Christian community for centuries, still, to this very day, tells us that the reason for Noah cursing Canaan is due to implied sexual misconduct: “cursed be Canaan.” I am the only one who has advanced the correct view, revealing the mystery. There was no touching or physical contact.

In the first place, the LORD blessed Shem, Ham, and Japheth because their genes were not contaminated. They were married and had no inclination toward sexual perversion. It follows therefore, that Canaan, Noah’s youngest son—not Ham’s son—conduct is in question.

Canaan came into the territory or tent of Noah after seeing Noah acting with such delight and thanksgiving after consuming the highest quality of wine, attesting to the LORD’s promised to bless the land and the fruitfulness of the holy family to multiply. Noah was in his house and did nothing wrong by taking off his clothing to relieve body heat produced from the wine and being filled with the spirit of joy. He was in communion with the Holy Spirit as illustrated when Jesus turned the water into wine at a marriage held in the land of Canaan.

It is very sickening to listen to Christian people thinking that Noah did something wrong. What I have found out in my limited interaction with this expressed thought is that the people possess traceable amount of perversion within themselves.

After walking into Noah’s house, he came out and told his brothers. No, he did not make fun of his father. Please note Canaan was born into a new world—post flood. The crux of the problem lies in the fact that Canaan went out and told his brothers what he saw implying a sense of wrong. The implication of wrong associated with the righteous is at the heart of Canaan’s worldview. Canaan stood in violation of fundamental privacy rights, a flaw in this character and those who possess his character trait, a peeping Tom of sorts in our modern day society.

When God designed the Garden of Eden, he established universal privacy law. The Serpent entered the Garden with insinations of Eve being held back, and Eve acted. The institutionalization of privacy law is of the viewpoint of looking in from the outside. After Adam and Eve’s expulsion, angels, Cherubims, were placed at the east end of the Garden with sword swings in all directions preventing entry onto private property, the Garden of Eden.

Judah of Alabama: The Executive Body of Israel  https://thetempleof144000.com  David Wilson  V-2 1
Preventing Canaan from re-entering Noah’s house, Shem and Japheth walked backward into the tent and covered Noah with the clothing made by the LORD for Adam and Eve. With spiritual enlightenment, Noah immediately knew that Canaan possessed the disembodied spirit that induced Eve to sin, Cain to kill his brother, and the fallen angels crossing the line (disrespecting private boundaries) by teaching sin and forming personal relationship with women leading to the flood. Noah knew from reading and understanding the full text of Enoch that Canaan would be the prototypical immoral pervert, hence the divine decree that Canaan would always be a servant under constraining conditions for all times imposed by Shem and Japheth.

Indeed, the Canaanite gods caused Israel to sin as a continuation of implied logic to be like gods. The Canaanites committed inhuman acts to please their demons by burying their children alive as a common practice among many evils. In practice, the Canaanites’ gods are still being worshiped today in the US and around the world.

Mystery of the last trump

To date, many biblical prophecies in their seasons and according to their mathematical dates have reached fulfillment. For this reason, no one has questioned the validity of events foretold by the prophets or the servants of the LORD. At one point in history, a few deceivers came forward to question the timing of Daniel’s writings because of its accuracy. Their assertion being that Daniel’s written account of an event took place after the actual event occurred. They were closed down by the evidence and absolved by history, time continued to flow hitting sequential target dates foretold by Isaiah, Daniel, and many other prophets.

I am mindful of Isaiah’s instructions on how to study the Bible: precept upon precept, line upon line (do not take things out of context), and study relational circumstances.

51 Behold, I shew you a mystery; We shall not all sleep, but we shall all be Changed. 52 In a moment, in the twinkling of an eye, at the last trump: For the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed. 1Corinthians 15:51-53

“The last trump” means two things: Mr. Trump is identified by his election victory. Secondly, it tells of the actual period for the Feast of Trumpet. Apostle Paul accurately characterized the historical moment giving rise to Trump. Literally, at the spur of the moment and at the last two and half hours before the polls closed, I supported Mr. Trump. There are many explanations in the public domain telling why and how Mr. Trump won against all odds. I will not contest any explanations; however, the real purpose of his victory accounts for my voting. He should know this fact, not for expressing personal gratitude. Nothing else matter because ultimately what he does comes down to him.

The name Trump relates contextually to the Feast of Trumpet. Two thousand years ago, Donald Trump, President of the USA, was called circumstantially by name. I understand perfectly why it is extremely difficulty for many to comprehend our historical season at present. That said, Apostle Paul gives a brief synopsis of the character transformation after Trumpet and during the Day of Atonement noted in Revelation.

A point of caution, there is nothing in this acclamation suggests moral judgment or opinion. The only order at hand is assessing the particular role of President Trump’s relation to the Feast of Trumpet.
The interpretation
The last trumpet, the great day of the LORD, the beginning of tribulation, and the feast of Trumpet all carries the same meaning (see *). A number of judgments are going to take place in sequential order. The entire planet is going to shake (a pole shift), earthquakes, and at some point expect asteroids hitting earth.

* 15 That day is a day of wrath, a day of trouble and distress, a day of wasteness and desolation, a day of darkness and gloominess, a day of clouds and thick darkness, 16 A day of the trumpet and alarm against the fenced cities, and against the high towers. 17 And I will bring distress upon men, that they shall walk like blind men, because they have sinned against the LORD; and their blood shall be poured out as dust, and their flesh as the dung. 18 Neither their silver nor their gold shall be able to deliver them in the day of the LORD’S wrath; but the whole land shall be devoured by the fire of his jealousy:

I am separating myself from others who are into time speculations. My priority focus is on the wilderness agenda. After all, there is nothing that man can do about God’s judgments.

“TWINKLING of an eye.” Indeed, all the polls showed Hillary winning the election. “The last trump” is equated with the actual Feast of Trumpet. On the great day of the LORD, the children of Israel will arise from unconsciousness to a state of incorruptibility because the domination of sin would have been overthrown. The host of heaven will give immortality to Judah. To a limited degree, both spiritualized characters are interchangeable and apply to the righteous Gentiles regardless of skin color.

Mystery Babylon = Babylon the Great

Unveiled
I have solved the riddle! Precisely fits the White House and Semiramis. Every four or eight years a new president enters the White House. This is what she says at the departure of each U.S. president:

“I sit a queen, and am no widow; and sorrow I shall not see.”

...because she is the queen over the District of Columbia. The city-state of Washington D.C. is mystery Babylon. 18“ And the woman which thou sawest, is the great city, which hath kingdom over the kings of the earth.” Revelation 17: 18

The city-State of Washington D.C. in prophecy. After Napoleon subdued Pope Pius VI and VII with the support of the Jesuits, the first Beast-system was killed. The Act of 1871, the constitutional time marker of the dragon, engendered the District of Columbia, the seat, of the Second Beast-system. The major difference between the First and Second Little Horn or Beast-systems is that the Jesuits sit at the top of policy control over the Pope. The Second Beast-system incorporates the Jesuits, the elite class of global bankers interlocking with all major global corporations, and a legal dynasty supporting the U.S. Constitution.

Washington and the District of Columbia were carved from the states of Virginia and Maryland from properties owned by a Jesuit family.

As a nation, like all nations, monuments, shrines, and symbols are reflective of its single character, telling the world of its composite moral value system, or the lack thereof.

The District of Columbia became a city-state mirroring the most telling architectural designs of Rome Italy. The Capitol building is like St. Peter Basilica, the temple of Zeus is similar to the design of the White House, and the Egyptian Obelisk in Rome is similar to the Washington Monument. Tribal Benjamin and
Judah were the two major tribes of Israel that built the Capitol building and the White House. The Jesuits’ hands guided the construction of all aspects of the Beast-system. The Jesuits, not all, are from the tribe of Dan and given the power to judge the true Israelites by the LORD. In noting, tribal Dan denounced his tribal association with the full house of Israel thousands of years ago. Again, not all Jesuits are members of tribal Dan.

The Jesuits’ mission charter tells us about the Order’s policies that have not changed in spite of the fact many people come and go. (Read the book Protocols of the Learned Elders of Zion).

Continuing, the state of Washington takes its name after President George Washington, a Freemason, who was the first constitutionally elected president of the United States of America. The District of Columbia is a ten miles area that expanded into ten square miles for the state of Washington.

Columbia is a feminized name derived in part from Christopher Columbus. Bear in mind we are living in the country of tribal Ephraim owing to Joseph directly transplanting the children of Israel from Egypt to North America under his reign. This historical fact has the duality of deception. When Europe colonized America, the dominate culture of Europe supplanted the nation Ephraim. Columbus, therefore, served as the historical foundation for claiming land ownership rights for Rome. Columbus possessed a direct family tie to a high-level church official in Rome Italy thus establishing an organic connection between Rome (Vatican) and the District of Columbus, a unified system of administration.

What about Columbia? ia = Semiramis, the queen of heaven that practice her tenets as the mother of prostitution. There might be a little confusion regarding the names Rome and Babylon. Foremost, Babylon developed into the super-kingdom of gold during the period of Judah’s 70-year exile. Daniel and his three companions who served as the Three Executive Managers formed the super-state of Babylon from which all kingdoms on earth are derivatives forms. The Roman Empire is still with us, as the Vatican is the eastern seat of power, and the District of Columbia is the western seat of power.

As a whole, both locations rest firmly on the governing tenets of ancient Babylon accredited to the 3-Executive Managers of tribal Judah having reverse engineered the Ten Commandments commercially within the pre-established framework of Nimrod’s disobedience to the LORD. Hence, the executive, legislative, and judicial branches stand in the District of Columbia as a caricature of the three Executive Managers of Babylon. The White House (the palace) a caricature of Daniel’s counseling to the three branches of national government.

There is more. On top of the Capitol building stands the statue of a female holding a sword and a shield, a realization by congressional authorization. Who is she? Her name is Lady Freedom! Still, we are without contents and meaning; in search, let us look inside the building to find the answer. The Capitol houses the Democratic and the Republican parties, controlled by big money, fighting each other over differing philosophical policies over budgetary allocation.

Still, falling short of real contents, we must go outside the Capitol building in order to determine contents and meaning. Holding true to Rebecca’s prophecy of two nations existing within her boarders, the shield exemplified Pentecost– the shield of covenants to Israel. Specifically to Ephraim, 400-years of bondage. On the other hand, the Gentile’s sword is symbolic of conquering through Jacksonian’s U.S. imperialism.

There is more. The Lady Liberty or the statue of Liberty depicts a specific named man who was a cross-dresser. Deceptively, Lady Liberty is a composite representation of all aspects of sexual deviations. However, she primarily stands for goddess Ishtar. The truth in plain sight! In distilling her spirituality,
Americans are encouraged to explore their sexuality without limits. Alternatively, at least, give voice support for all forms of sexual expression—pansexualism.

- And their bodies shall lie in the streets of the great city, which is called spiritually, Sodom and Egypt, where their Lord also was crucified. Revelation 11:8

For sure, Washington D.C., London, and Rome match Sodom and the whole of the USA matches Egypt. This is a biblical certainty of truthful interpretation. Further, Nat Turner hanging took place in Jerusalem Virginia now part of the state of Washington. Holding true that the District of Columbia is the western seat of Rome’s authority, then, it should be easy to see Jesus’ crucifixion took place within the administrative system of Rome.

COMPARATIVE CHECK LIST
President Trump: Prelude Before the Feast of Trumpet

December 6, 2018

Cyrus
Isaiah prophesied concerning Cyrus 200 years into the future by calling him by name. As the king of Persian, he issued the edict:
• All exiles were free to return to Judea.
• The Judeans were under the obligation to construct the Temple.
• Money for the construction would from the royal treasury.
• All the vessels and treasures taken out of the Temple by Nebuchadnezzar were entrusted to Zerubbabel.

King Artaxerxes confirmed the edict of King Cyrus because he was compelled to do so in the face of major opposition against rebuilding the Temple.
• He issued an additional decree noting in details items to be given to the project with stipulation to honor additional requests from Zerubbabel.
• A copy of the decree was given to Ezra. Officially, this would be the date of going forth for building the Temple.

King Darius confirmed Cyrus and Artaxerxes’ decrees in face of ongoing opposition from Samaritans and the Ammonites.
• He issued an additional decree that no taxes should be assessed against the Temple.
• If continued opposition against the project and if harm comes to anyone, he would destroy the perpetrators and their property.
• All requested items by Zerubbabel must be delivered each day and on time to the project.

Trump
Prophesied 2000 years into the future by Apostle Paul calling Trump by name indicating a time for the Feast of Trumpet. As a qualifier, unlike Cyrus who was called to perform a specific task for Pentecost by drafting the outline for rebuilding the Temple, Trump enters the historical timeline solely through material conditions that engendered his election win. This means we must focus exclusively on the condition in order to define his purposed.
• He was elected exclusively through Judah’s relation to the land of Israel.

Complexities are associated with Trump regarding different time-lines for Israel’s development. This is what we know.
• The state of Israel came into creation in 1947 based on an agreement, in principle, to create the state of Israel in 1917.
• In December of 2017, President Trump announced moving the US Embassy to Jerusalem.
• On the same day of the announcement, 12-6-17, Gabriel sent me a message directly that I, tribal member of the real Judah, would invalidate all initiatives made by the current government now in Israel.
• On July 27, 2018, the blood moon appeared over Jerusalem and the rest of the world except for the USA. No one has accurately stated the true meaning of this sign.
• It was a bold announcement to the world that the spirit of Elijah has returned.
• The 400-year exile period is over. Ephraim and Judah of America will return first to the promised lands.

Based on the elemental data points above, Trump has no obvious assignment. Maybe he does!

16 “A day of the trumpet and alarm against the fenced cities, and against the high towers.”

Biblical mysteries come as riddles to ensure the integrity of prophecy for the Israelites to comprehend fully and in season. Satan is a masterful imitator and a deceiver. He loves to manipulate conditions in order to cause confusion. Comparatively speaking, Jesus spoke in parables about his kingdom and had no need to give riddles about time-coded events because he represents fully the end time. Jesus represented himself and spoke the plain truth about himself to his disciples and to the world.
**Trump Hotel in Chicago**

Starting at the bottom is the only way to solve this riddle. I applied for work at the construction site of Trump’s Hotel in Chicago when the construction phase was at the foundational level on the eastside and at the first floor level on the westside and told to go to an unknown street address—a running round. I saw hundreds of workers that appeared to be illegals. Weeks later, I returned seeking employment and was told no hiring by a Chicago policeman and don’t come back.

I cannot think of any city in the USA other than Chicago historically rooted in cliquishness, highly fenced around political and financial subgroupings. Trump is known for real estate investment of high-rise building with inclusion of deal making agreements with different levels of government. Hence, fenced cities are translated into interlocking of business interest within groupings and subgrouping. No, I am not implying any wrongdoing. Business is business.

Overall, I have a direct association with “fenced cities and high towers,” which is the code within the mystery that points to Trump.

“TWINKLING of an eye,” there are no words found that best describe Trump’s election win. Everyone including Trump was astounded. God’s prophecy cannot be misdirected regardless of man’s best efforts. When I voted, God’s hands arranged for Trump’s election win, for the documented evidence seen by the two witnesses give validation of Trump’s win is tied to tribal Judah of Alabama, Israel’s government in exile.

There is more. On 12-6-2017, President Trump announced the move U.S. Embassy to Jerusalem from Tel Aviv. Going back to the beginning of the week to December 3, my floor rug by my bed moved from its fixed position. The 4‘ by 3‘ (rounding off the numbers) rug always maintained its position once placed after floor cleaning. This has been the case for years. On the week of the third, I notice the rug had moved. I placed it back into position. On the fourth it moved again, I decided to see how far it would go. Again, the next day it had moved. On the sixth, I got up between 2 and 3am to go to the bathroom. I notice precisely the location of the rug before leaving the room. When I returned, the rug had moved again. I prayed for meaning, then, my eyes were opened and I saw the connections.

**Two or three years** before 12-6-2017, I took a daytime nap for 20 minutes. When I awoke, I went to the bathroom. Upon entering the room, I saw an unexplained completely soaked rug. Without question, I made a thorough investigation. One thing that stood out, there was no water on the floor surrounding the rug and there was no water underneath the floor rug. I put the rug in direct sun light where it dried out after five days. Of course, I knew it was a message. God reveals his message in time. With the movement of the rug in 2017 and the soaked rug, the LORD anointed tribal Judah in the correct historical context and in the right season for Trump.

Of all of my interactions with the hosts of heaven, I have neither said God gave me a dream nor have I relied upon others and their prophesies. For this time in history, the LORD tells us explicitly:

>“Let not your prophets and your diviners, that be in the midst of you, deceive you, neither hearken to your dreams which ye cause to be dreamed. For they prophesy falsely unto you in my name: I have not sent them, saith the LORD. Jeremiah 29: 8-9

Biblically, there is nothing incorrect about the US Embassy’s relocation. No question, Israel will never become a two-state territory. By making the announcement, many in Israel falsely associated President Trump with Cyrus because of his action. From this situation, President Trump now has a theoretical association with Cyrus. Minted coins of Cyrus image on one side and on the other side Trump’s image.

Gabriel disrobed the deception with the truth through the rugs symbolically stating the remnant of tribal Judah has yet to make his appearance. Being mindful of chess moves, the third temple now ready to start construction is not about Jesus, for his sacrifice was a one-time decree, a onetime deal in offering salvation. Jesus put an end to animal sacrifices when he went to Calgary.
President Trump: Prelude Before the Feast of Trumpet

December 6, 2018

Cyrus was a Gentile with the specific instruction to shepherd the construction of the Temple in Jerusalem and nothing more.

At this point, I want to repeat: events that have been foretold in prophesy will take place, nothing else can be added or subtracted. There is an inherited tendency in humanity to come up with rationalizations when failure to grasp in part or in whole what Scriptures have recorded on particular topics.

After the Babylonia exile, the LORD said he would send once again Israel and Judah into captivity. Only one people on earth fulfilled this captivity prophecy. The major tribes being Judah, Benjamin, and the Levi along with small numbers of other tribes. The Arabs slave trade started in the seven century lasting over 1,500 years claiming the lives over 140 million. Next, the transatlantic slave trade claiming 90 million.

In keeping, when Israel became a nation in 1947 and moved into the land of Israel in 1948 as foretold by Daniel, the clock started to run regarding Jeremiah’s prophecy of 70 years.

10 For thus saith the LORD, That after seventy years be accomplished at Babylon I will visit you, and perform my good word toward you, in causing you to return to this place.” Jeremiah 29:10

What is next?

There are two points: one, President Trump has an option. a) Do nothing. b) Execute the directives given by Judah of Alabama for setting up exodus transport centers in selected states*. Two, I have been given to see pairs of numbers. I saw 25 within a context (I am omitting the first number that came before 25). December 25, 2018 is the day for the Great Day of the LORD. This is what to expect on that day followed in subsequent years:

First, a number of things can happen as has been detailed. For sure, the day will be the real day of Trumpet. Total darkness will cover the earth. I expect turbulence in the heavens to the degree where the children of Israel will awake and prepare in earnest for the exodus just like in the days of ancient Egypt wherein the body of authority in Egypt became meaningless and nowhere to be found out of great fear because death had visited their houses. Days after the Trumpet, the house of Israel will be secured, then, those left behind will expect a life unimaginable until they are rubbed out by plagues. Some will survive until the end of the tribulation period depending on location.

“For that day is great, neither is there the like to it; and it Is the time of tribulation to Jacob, but he shall be saved out of it. 8 And it shall come to pass in that day, saith the Lord of hosts, that I will break his yoke from off thy neck, and will burst his bands: and strangers shall no more rule over him: 9 But they shall serve the Lord their God, and David their king, whom I will raise up to them. 10 Therefore fear thou not, my servant Jacob, saith the Lord, neither be dismayed, O Israel: for behold, I will save thee from a country afar off, and thy seed from the land of their captivity; and Jacob shall return, and be at rest, and abound with all good things, and there shall be none whom he may fear.” Jeremiah 30:8-10
