Greetings

February 5, 2019 Comes as the First Anniversary
Date for Warning and for Repenting

The Eastern Greek Orthodox Christian Church received in January 2018 the deadline date February 5, 2018 to acknowledge the 144,000 Purified Congregation Movement (144kPCM), which is an ad-hoc movement for mobilizing to facilitate the rapture within the Christian church. Contrary to the general accepted notion, the rapture occurs relationally to Judah and Israel rebirth. Inconceivable and not even practical, the church’s rapture cannot occur without being subject to the external condition of Judah at the appointed time pursuant to the covenant that God made with Abraham regarding his descendants returning to their lands after 400 years of servitude.

The 144kPCM has the aim to move the righteous Gentiles in alignment with Israel’s feast days. The movement is not about doctrinal issues requiring belief styles adoption for salvation. The 144kPCM presents the Calendar of Events 2018-2023 for Christians to use as pushing tools for separation from the established corrupted church system. Even so, the Gentiles and the Israelites will share the Day of Atonement on different days in respect to different blessings each having received.

There is a benefit for having a direct association with the 144kPCM; namely, in the eyes of the LORD he will show mercy during the first half of the tribulation period.

The invitation to join the 144kPCM when out to all Christian denominations that participated in Selma’s Civil and Voter Right movements in 1963-1968. Selma’s incorporation was pre-sanctified by the LORD, a place from which end-time events have been prefigured; including, the birthplace of Judah typed-cast, David Wilson.
In recognition of Archbishop Iakouos of the Greek Orthodox Church denomination, a special invitation went out to the Eastern Orthodox Church because its religious traditions reflect the true Apostle Era, not the Roman Catholic Church.

Jesus tells the Greek Church in Revelation that due to having kept the religious practices of the Apostles Era the Byzantine Empire endured for over a thousand years and through the Empire Christianity expanded around the world through trade and charity, including trade with Ephraim of North American particularly with Manasseh in the South. The Byzantine Empire fell because the Eastern Orthodox Church literally failed to maintain the link between Church traditions and actively fighting the enemy each step along the way.

Knowing of this eventuality, Jesus tells the Church of this present age to remember the height from which you fell and repent. Timely, I reminded the Church of Jesus' living words. In a deliberative process with an angel of heaven, I engaged in discussion with the Greek Orthodox Church pointing out the reasons they abandoned their mission consequently fell into subjugation under the heavy hands of Islam.

A few dates were discussed for the deadline date, finally, selecting February 5, 2018, concluding that after hundreds of years of studying their own history there should be a positive response in short order; otherwise, Jesus’ summation would stand as being final! Indeed, the turnaround time was immediate.

2:1 Unto the angel of the church of Ephesus write: These things saith he, who holdeth the seven stars in his right hand, who walketh in the midst of the seven golden candlesticks: 2:2 I know thy works, and thy labour, and thy patience, and how thou canst not bear them that are evil, and thou hast tried them, who say they are apostles, and are not, and hast found them liars: 2:3 And thou hast patience, and hast endured for my name, and hast not fainted.2:4 But I have somewhat against thee, because thou hast left thy first charity. 2:5 Be mindful therefore from whence thou art fallen: and do penance, and do the first works. Or else I come to thee, and will move thy candlestick out of its place, except thou do penance. 2:6 But this thou hast, that thou hatest the deeds of the Nicolaites, which I also hate. 2:7 He, that hath an ear, let him hear what the Spirit saith to the churches: To him, that overcometh, I will give to eat of the tree of life, which is in the paradise of my God. Revelation chapter 2.
Within three minutes after midnight February 6, 2018, a major earthquake hit Taiwan. Only 17 people were reported killed. Clearly, the earthquake sent a message, though God was not very pleased with the response, the message to see in the aftermath: a time extension has been granted for more people to repent.

UPDATE

Judah of Alabama being the Executive Body of Israel in exile has a defined role in the wilderness days, or the days of tribulation. Everyone has a performing role during this period. Stay informed and weekly check for updated messages.

The Executive Body is mindful of the living God is not to be played with; unlike at any time in human history, we are living in the final generation before the return of Yehushua/Jesus. This post comes as a creditable reminder of the discussions and order of priorities stated in 2018 for years to come. Going forward, check weekly for posted messages on the website at judahalabama.com.

In 2018, I gave the timeline for Christians to embrace the 144kPCM and the Calendar Events that still hold good. Moreover, for the first time during the exile, 2017 and 2018 established the right dates for the Israelites to respect feast days again. The feast days were given for the Israelites to know timely events on earth that are in synchronicity with the opening of cosmic gates in the universe. For the record, the Executive Body is not Gentile and as such neither wishes nor hopes for a set tribulation date. God is sovereign and can act according to his will. Nevertheless, a certainty, President Trump has been given as the signal for the feast of Trumpet, the days of tribulation.

Thus, the pattern of events of 2018 indicates a major event in February (not on the 6th) and in May. In the second week of January 2019, I received a physical demonstration of the coming wrath of God by fire as in Sodom and Gomorrah and darkness over the land.
