## **UNDERSTANDING CVCHIP d/b/a JerichoREACH**

- CVCHIP d/b/a JerichoREACH, Physicians Drive and Thrive in Healthcare Payment Transformation, and Change How Healthcare is Provided
- Take the Lead Position in Healthcare Transformation
- We are working with forward thinking physicians to establish an integrated, physician-led and governed ACO REACH program in select urban and rural markets
- Places patients at the forefront of care and empowers physicians to assume a pivotal role in enhancing the quality of care provided to Medicare beneficiaries. This enables better management of care-associated risks and allows active participation in the financial advantages stemming from this CMS payment framework.
