

First Element

A CMS approved Accountable Care Organization (ACO) based in Richmond, Virginia, founded in 2012 by Dr. Lerla G. Joseph and associated with Emergent ACO as a POD

Second Element

CVCHIP focuses on delivering primary care to more than 5000 Medicare lives through the collaboration of more than 22 independent providers that retain their identity and ownership

Third Element

CVCHIP has distributed for the past four years more than 2 million dollars in shared savings to its practices in the Richmond, Hampton Roads and the Fredericksburg areas based on their performance related to Attributions, Quality of Care, Engagement and Costs. The 1.5% increase in fee-for-service as a result of compliance with MIPS reporting is noteworthy

Fourth Element

CVCHIP invites others to join at no membership fee as it experiences a growing ROI from its exceptional care with proven outcomes that promote the health status of the Medicare population served
