## OUR DIFFERENTIAL & KEY ELEMENTS OF SUCCESS STORY WORKING IN VALUE-BASED CARE (MSSP & ACO Reach Models)

---

- Emphasis on providing person-centered care for individuals in need regardless of race, color, gender, gender identity, country of origin, or socioeconomic status is a key priority. The growth of CVCHIP, LLC is closely tied to its commitment to inclusivity, excellence in practitioners, innovative practices, and the strategic use of technology and resources. These efforts are aimed at guaranteeing accessible, high-quality, and cost-effective healthcare services for Medicare beneficiaries.
- **NATIONALLY BASED & NATIONALLY RANKED ACO**  
**MOST COST-EFFECTIVE IN 2023**
