

MCITTA Spot Report 20260721

Date: July 21st, 2026
To: All MCITTA members

Hello MCITTA,

I want to inform everyone of a slight adjustment to our Annual Gathering schedule this September. Instead of traveling to Camp Lejeune for the 2d Intel Bn presentation, the presenters will now come to us in the hotel conference room.

We made this change to avoid potential delays at the Camp Lejeune Visitor's Center. Although submitting paperwork ahead of time helps, waiting to receive physical passes can still take up to a couple of hours.

This is the only change to our schedule, and everything else remains on track.

Semper Fidelis,
Curtis R. Ferrell
