MCITTA Spot Report 20251120

Date: November 20th, 2025
To: All MCITTA members

Hello all,
I have a few items of interest to pass on.

1. Our Annual Gathering for 2025 was a great success and the minutes of our business meeting can be found here.

2. Dates have been selected for our 2026 Gathering in Jacksonville, NC: **Thursday, 10 September 2026 – Monday, 14 September 2026**. Joe Hough is our coordinator/host in Jacksonville and he is continuing to plan the details and arrange for the hotel. We will disseminate updates as they come available.

3. The location for our 2027 Gathering has not been decided yet. If you are willing to help coordinate/host the Annual Gathering for 2027 in the area in which you live, please let me know.

Semper Fidelis,
Curtis R. Ferrell
