ARCTIC CHALET DOG BOARDING CONTRACT

Dog Boarding contract between Arctic Chalet Ltd.

and the Owner Client named here: _____

We will not accept dogs that show any **aggression towards any humans**. This is to minimize the risk of injury to Arctic Chalet staff who will be caring for the dogs. Also we will not accept dogs that **bark excessively** during the day or that bark at night. This is to ensure peace and quiet on our property for our staff and guests staying with us.

Dogs **may not** be brought to our kennels or picked up outside of business hours which are from 10 am to 6 pm Sunday through Friday. If a dog is picked up after hours or on a Saturday when we are closed there will be an extra charge of \$60.

The Arctic Chalet Ltd. agrees to exercise due and reasonable care to keep the premises clean. Our Dogs will be walked daily or as often as possible or put into a play pen to play either alone or with other dogs. Incoming dogs are to have current Town of Inuvik dog tags if the owner resides in Inuvik. All dogs are boarded and cared for without liability to Arctic Chalet due to sickness, disease, running away, sudden death, fire, theft or injury to other people or dogs or other unavoidable causes. If any dog becomes seriously ill, the owner will be notified in case no particular veterinarian has been designated. If the owner does not inform regarding measures to be taken, or if the state of the dog's health reasonably demands urgent attention, the kennel will have the right to call the vet or administer medication or give other advisable attention, within discretion and judgment of Arctic Chalet Ltd.. Also **if your dog damages our kennel facility by chewing on wood or other materials please be prepared to cover the estimated repair costs**. Such expenses will be paid by the owner upon receipt of the said dog. If Arctic Chalet Ltd. is not contacted within two weeks of expected date due back, the dog will be considered abandoned and Arctic Chalet Ltd. will charge a \$500 fee for rehoming or euthanizing the dog in addition to the accumulated boarding fees and dog food costs. The owner is required to supply a generous amount of food in a suitable container to keep their dog on its accustomed diet. Your dog's brand of dog food should not be changed within a few days of arrival at our kennel as this will cause diarrhea and we do not want to deal with that.

I agree to the above conditions.
