He's hustlin' to  
see what's inside,  
or maybe he wants  
to be first in 63  
to join the good ole  
AC!

Where is he  
going?

Hi everybody - sorry about the delay in reaching you but things have really been popping. Lots of action on the football front for many of our campers, and lots of work at camp before winter sets in. We had to make sure Sunshine and Blacky were well protected for the snow ahead.

Actually, there is no excuse for this late date of arrival - it was simply a case of putting it off, until all of a sudden Christmas was here. Hope you get some enjoyment out of the following pages.

Would like to share a few thoughts with you about this past summer and whats ahead for the Norton AC. We tried to fulfill our promise and teach our campers something about sports and sportsmanship. We feel that we accomplished lots in some cases - in others not to much as yet. What ever we did accomplish, it certainly isn't the maximum - this can only be achieved through hard work on all parts concerned.

One of the hardest things to teach is sportsmanship. This is not just a word, but a practise - one which is so hard to control at all times - one that sometimes bows to temper and emotion. To be a good loser is not enough - to be a good winner is double hard.

The common failing to such a project as this is example. How many of us have bowed to temper and emotion at various events? This is something that is only human. It can not be thrown out the window never to come back. It is rather something that has to be controlled.

Ones emotions have to be let loose at times. It is only natural. But to be able to regret this is a sign of control in the future. To justify it is a sign of regression from sportsmanship. To show by example, each of us has to learn this control. If we don't and let it run wild at the drop of a ref's red banner, or the blowing of a whistle - is to set an example that knocks out any type of sportsmanship training.

Once again - if control can be gained, and steam let off in private, the example can be upped to bigger and more positive heights. Still along the same line - but departing from the fire towards officials - how about this one:

"After going 7 for 9 in the first two games of the 1951 Worlds Series, Monte Irvin of the Giants "Tailed off" to a .583 average. This moved one Giant fan to say, "I knew that bum wasn't a .600 hitter"."

How true this is. Many people can't visualize their hero, whether it be relative or idol, as a human who is no superman. Instead of finding ways to praise accomplishments, they are striving and driving towards a super-human effort. Let be what is to be - with proper encouragement, with help when needed, and with genuine interest, anyone, boy or girl or hero, can reach his own height, provided his effort is also there.

Whatever this height might be, it certainly is worth praise, since we know it could not have been reached without trying. A sign in an Alaskan dance hall read as follows: Don't shoot the piano player, he's doing the best he can". That more can we ask?

Finally, along this line of thought - a quote from Hume:

"He is happy whose circumstances suit his temper; but he is more excellent who can suit his temper to any circumstances"

## Our Staff during the winter months

As usual, JACK HERRIGAN is still going to school. He continues to take courses at Harvard while teaching at Boston U. Jack is an instructor in Guidance and Psychology at the Beantown school. He is working towards his Dr.'s degree too. MARLENE MILLER (MOSS) is now happily married and living on Dewey Street in Huntington. Don't know whether she will be available for next summer yet, or not. BOB RODRIGUEZ is at Ithaca College in upstate New York where he is studying real hard. Bob will go out for baseball in the spring against some rough competition. PAUL LOMBARDI is in his junior year at St. John's. He will be playing basketball for our men's team this winter. AL HEMER is studying music at Fredonia State Teachers School - noted for its fine course in that field. MARGE SCHEIDEGGER is teaching at Wyandanch junior high school and is an avid rooter for her school's football and basketball teams. She is laying 2 to 1 odds on Wyandanch beating South Huntington this year! BETTE ERRIG is busy with all her students at Lindenhurst Jr. High, and still busy making cakes for the Norton AG. She doesn't know it as this is being written, but she is in line to be tapped for the stapling and mailing. PAT LARGE is way out in Illinois going to Concordia College. JEANNE CRUMBLISS is a junior at Miami U., the swinging Miami down south; KAY O'CONNOR commutes between Florida and Huntington, depending on the weather. CAROLYN ZARLING switched schools and is now at Farmingdale after starting her college work at Vermont. KENNY CHAPMAN is a sophomore at Maryland U., transferring from Iowa. He is ready for the tennis season already. NETTIE SEIGELAUB is a field hockey whiz at Glenn HS in Elwood and a rabid fan. She is also quite a party goer - that seems to be her favorite subject in school. Huntington high is blessed (is that the word for it?) with Bonnie GALLATY, Stephani SUSSNER and sports standouts PETE CLARK, BOB OTTEWILL, MIKE NEHRBAS, GARY LAY and CHIP KUHN. Across the Township we find AL WILCOX and BOB WESNOFSKE at South Huntington and JIM HANLON at Chaminade. Other Huntington district students are CHERYL WASSERMAN, JEANNE CHAPMAN and MARGARET MARTIN while ANN RANDAZZO is "south". MR. WALLER is ready for another Sunshine summer and the VALENTINES are "minding the store" until we all get back again in a few months. Can't wait!

#### More yearbooks available

Anyone who wishes another copy of the yearbook, or several others, may stop out at camp to pick them up. Or, if you wish, call or write to us with your request and we will be glad to send them along to you. If you do plan to visit camp to pick it up, make sure you call first so that someone will be there.

#### Don't forget all those trophies

There are quite a few left over from the family picnic. If you weren't able to attend last August, make sure you check the list of prizes awarded that day. If your name appears on the individual lists of winners found elsewhere in this yearbook, or if you were on a winning team, you won a trophy. If you didn't pick it up yet, make sure you call camp and then stop out to get it. If you wish, to save any inconvenience, call or write to us and we will be glad to drop the trophy off for you.

#### Attendance and swim certificates

There were alot of these left over too from the family picnic. We are enclosing them with your yearbook. If anyone doesn't get one, and feels that they should - if we overlooked you - please let us know. Remember - the perfect attendance is for those that were at camp every one of the 39 days we were active. The swim certificates were awarded, judged by the group you qualified for. It was up to you - how many tests you took and where you wound up.

## Camp Orange - 1962

Another thriller-diller trip with lots of fun, lots of food, lots of noise and very little sleep. Those grizzly bear girls (at least that's what they looked like all bundled up in the morning) were real trouble makers this time. They were led by a group of our girl softball players who joined us on the trip.

They certainly got their full "taste" of water though, and it wasn't from a swim. Marge, Ollie, Dee Dee, Teenie, Bev and Pat met their match in football. Gary and Bob were a little too fast for them, but not nearly as rough.

The night on the town was spent at the bowling alleys again. We really take over the place when we arrive. Another town trip resulted in some messed up mashed potatoes. Were those really live grasshoppers in the potatoes Dee Dee?

And of course, we had Henry, the hit of the camp. Poor Hank had trouble at about 5:00 AM one morning, looking for his "nighty-nites". And when that storm struck the first night, all of a sudden Mickey's bunk was very much over-crowded. Jack had a very active weekend. No one can recall seeing him at all during the daytime - except if they peeked into his bunk. Wonder what he did at night?

Here is the list of our sleepless group:

## Trophies for those missing at family picnic

If any of you weren't able to attend our family picnic to close out the 1962 season, and you were one of the trophy winners (These are listed on another page), you may pick up your award at camp. Call first to see if someone will be there to give it to you. The number is An 1-1166. There were many individual awards, and also all the members of a winning team received trophies. Below are listed some of those we know didn't pick their award up as yet: there might be others - check the list to see if you qualify, and then come on up!

Here are the people that we know, we are saving trophies for:

Donna Dukas  
Richard Cappetta  
David Iazer  
Jack Meyer

Mike Kysler  
Ellie Greene  
Bob Shaimen

Lisa Capnetta  
Debi Dukas  
Mike Mill

Cathy Trapl  
Gail Kaufman  
Debi Miller

Also, anyone who has the wrong figure and wants to exchange it, may do so now. You will have to let us know since we don't know who has the subs from the dinner.

## Swimming Program

Our tests and groups follow closely those of the Red Cross, although the titles of these groups are ours. Our program was set up by Bette Errig and here is the final list of groups. Many names are not here, since these campers decided not to take tests:

We had nine different categories. Man Eating sharks was tops and Turtles were the first step up the ladder.

## Swimming Program (Cont.)

Turtles (#1)(Cont.): Vicky Nemeth, Laura Grossman, Elli Greene, Donna Dukas, Ed Strazzulla, John Sainola, Bob Hicks, Ward Henry, Sandy Schwartz, Carl Strazzulla, Steve Schipper, Dave Lazer, Jim Lau, Scott Klein, Gary Jacobsen, Frank Gugliotta, Dave Gleit, Bob Edson, Greg Guiffo, Pete Callas, Tom Britt, Bob Waller, Don Thea, Gary Roffman, Rich Randazzo, Frank Mullen, Keith Miller, Ben Miller, Mike Here, Bruce Mayer, Jeff Mack, Jeff Klein, Rick Johnson, Pete Brust, Greg Conn, Brian Guiffo, Mark DeNigris, Jim Hartley.

One day that we forgot to mention is the time that we entertained the people from the "Older Citizens" of Northport Adult Education program. They spent a day with us and held a little picnic under the fruit trees. They enjoyed watching us at play, and even went swimming themselves, at least a few of them.

Bette staged a water program for them, and everyone seemed to enjoy it quite a bit. We almost got away with a little trick on Bette, until Jack goofed. Mickey, Paul Lombardi and Schi were all in on it and everyone did their part until it was up to Jack - then she discovered the switch in records for the water ballet. We put on a Chubby Checker instead of a waltz!

Those who participated in the water show were:

<u>Ballet</u>	<u>Diving skills</u>
Sally Lobel	Bob Krepling
Jane Nieder	Haye Mayo
Gail Kaufman	Jim McCracken
Lauri Klein	Mike Hylser
Melissa Reichbach	Bob Schroy
Pam Cole	Bob Denton
Cathy Trapl	Keith Migate
Marianne Hemer	Ben Miller

### Last day at camp

Jack made his rounds during general assembly. He stopped to talk to each group, and then the signal went up, and so did Jack. With Paul, Bob Rodriguez, Al Hemer and Al Wilcox doing the dirty work, off went Jack for his first swim of the summer. Following in order were Schi, Jeanne, and assorted counselors and campers. It was a very wet day. To top it off, Paul and the gang also found out that the swim instructor could swim - Bette went for her first swim of the month - but she managed to have company as Paul and the rest followed her in - not willingly!

### Other visitors at camp

We had groups from the Hempstead and Smithtown YICA day camps join us for a day during the summer. We played softball and basketball with them and managed to come out very well.

### Carl Braun Day

One of the highlights of the year. Carl and John Lotz, varsity basketball coach at Berner HS in Massapequa, visited us for a day. They spoke with the boys and girls, put on a clinic, and worked with many individually. It was a fine treat and we will repeat it again in 1963. As you all know, Carl Braun played many years of pro basketball as well as coaching the Knicks for two years.

### "Heow!" holds the spotlight

One of the added features of our 1962 season was supplied by Heow, that noisy little cat. She decided to have kittens about midway through the summer. (Since then, by the way, she has had two more litters - things are never dull at the Norton AC) We held a contest to determine the names of the kittens. Winners were Marjorie Glassman and Leslee Klein. Those entering the contest were Bruce Halpryn, Gail and Larry Perlman, Kim Popkin, Gail Kaufman, Melissa Reichbach, Haddy Boskey, Robin Isser, Van LaFormine, Allison Ames, Gail Schwartz, Ellen Cohen, Linda Meder, Beth Yamuck, Sue Tyrrel, Linda Newman, Lisa Capetta, Donna Popkin. Some of the more interesting names chosen included Hickey (most popular choice), Mooooo, dynamite, Percy, Mimi, Lolita, Pixie, Trouble, Loverboy and girl, Coal and winners Spook and Topsey. Othello and Figaro.

### Fluke Baseball

This popular "restful" game was played during the summer as a break from the more strenuous activities. Each group was a league with each member being a separate team. The "World Series" games at the end of the season produced some thrillers. In the Senior Boys, Tom Joyce edged Bob DeAngelis 1-0 and Harry Waller topped Bob Krepling 7-1 in the semi's. In the final the Waller whippers topped the Joyce Gems, 1-0 in 8 innings.

In the Intermediate boys, Rick Johnson beat Mark Henning 6-0 and Bob Waller defeated Steve Newman 4-1 in the semi's. The Johnson Jewels stopped the Waller Wasps (he likes pigeons, bugs and things like that) 3-0 in the finals.

Junior boys had Scott Klein defeat Frank Gugliotta 7-5 and then top Bobby Denton 5-0 to win the title. In the girls play, Sally Lobel toppled Lee Klein for the crown, 12-4.

### Wrestling

Our wrestling meet for the senior boys was held under the pavilion on a rainy day. It helped kill the morning, also almost some participants. The final team scores were: Group 3 - 30 points; Group 4 - 28; groups 1 and 2 tied at 13 pts.

Winners of the various weight classes were: Bobby Joyce in the 80-95 group; Steve Arbogast in the 95-110 group and Hays Mayo in the unlimited.

To cop the crowns the winners had to defeat the following: Joyce whipped Joe Anziano, Bob Forster, Dennis Anderson and Bruce Kaplan in the final. Arbogast topped Gary Helms, Glenn Dengelles and Harris Knecht in the final. Mayo defeated Mark Grossman, Tom Joyce and Mike Klein in the final.

### Father-Son & Mother-Daughter day with the Nets

We got alot more than we bargained for on August 4. We took two bus loads to the Polo Grounds for the Net-Cincinnati doubleheader. The second game went into many extra-innings and we didn't leave the park until almost 10:00 PM. That a day. One of the buses left after the first game but that hardy band of diehards outlasted even the food at the Polo Grounds. We were there after they ran out of hot dogs to sell. And, amazing as it sounds, the Nets won both games.

## 1962 summer season for Norton AC teams & leagues

We had four baseball teams and two softball teams representing the Norton AC last summer. Four of them did very well - the only exceptions - the men's baseball and men's softball. The remaining four - the Norton AC Kiwanis Grasshoppers, the Tomcats, the Bobcats and the Girl's softball all won their leagues.

The Kiwanis team, managed by Mr. Waller, was led by Harry Waller who pitched, played the infield and caught. They won the American Division title and then defeated Gaetaway in two straight during the World series to gain the championship. Other campers who played for this team were Gord Sussner, Bobby Waller, Mark Henning, Skip Borowicz and Glenn Dengeles.

The Tomcats won the Inter-County Boys Baseball Association Junior title. This was the second year in a row for them to gain top honors. They also whipped the league all-stars and finished second in the Norton AC Baseball tourney at the end of the season. Top man on the Tomcats was Joe Knauer. He hit well over .400 and led the team in runs scored, hits, stolen bases and clutch plays. Other campers on the Tomcats were Gary Knauer, Harry Waller, Steve Arbogast, Bob Deangelis, Skip and Bob Borowicz, Tom Haliker, Dave Petrie, Hyles McLaughlin and part-timers Chris Furbank and Jim McCracken.

The Bobcats made it four in a row in the Inter-County's Senior division as they wound up with a 9-1 leaguer record. Gary Lay was the top hitter for the bigger cats and also led the team in many offensive departments as well as being a fine asset on defense. He played third, short and the outfield. Others from our camp ranks who played for the Bobcats were Bob Otterdill, Jim Hanlon, Bob Wesnofske, Mike Mehrbas, Chip Kuhn and Dale Colovin.

Finally, the girls. It was a fine year for this group. They won the Long Island Women's Softball League championship and also captured top honors in the Rockville Centre tournament. There is a fine story about the girls team and their connection with camp. This story, in "Bats and Strikes", a national softball paper will be sent to you.

Among the counselors on the team were Marge Scheidegger, Bette Errig, Kay O'Connor, Pat Large, Nestie Sengelaub and Jack Horrigan (he was an umpire). Also, some of our campers mothers were prominent members of the team, Mark Henning's mom - Kay, Kirk and Lynn Rocke's mother - Ruth and last but not least, our camp mother - Mrs. Emile Valentine.

It was a fine summer and lots of fun for all those who were a part of the Norton AC's team sport program. Next summer, 1963, we hope to field at least as many teams. Everyone is welcome to try out for the clubs. These dates are announced in the Long Islander in the spring. Those who don't wish to play, can join in the fun by watching and rooting and remaining part of "the family". Hope you will all join us in supporting these teams that actually represent you.

Here is a list of our group members for this long, long ballgame trip: The name of the camper and the number of people in his, or her party:

Fortser 1	Millen 2	Ames 1	Lazer 2	Kuhn 2	Mere 2
Lerman 2	Blanchard 5	Wingate 3	Anzino 3	Ward 2	Lau 1
DuBois 1	Schwartz 1	Klein (Leslee & Scott) 3	Karpowich 3	Henning 5	
Cole 2	Garshell 2	Hallinan 3	Shaimen 1	Waller 1	Rudyk 2
Lombardo 1	McLaughlin 1	Martella 1	Borowicz 3	Halms 2	Peterson 2
Garter 2	Petrie 3	Wesnofske 1	Janion 1	Lay 1	Jack
Mick	Bette				

It's a long way off but this coming summer we hope to plan a night at the new Mets stadium - where we will take about 1 busloads of campers and their parents to a game under the lights - maybe on a Friday night.

While still on the subject of ballgames and trips - we had two others last summer. The very first week of camp we went to see the Yankees play. That was only on the third day of camp. Three buses went to the Yankee Stadium and one went to the Bronx zoo. Some of those on the three buses wanted to go to the Zoo too, but we couldn't take the chance - the Zoo people might not have let them go, thinking they belonged in one of the cages. That's why Jack went to the Stadium.

We had another baseball trip after Camp was over. That was the Aug. 23 trip when we saw the Giants play. Three buses to this one too. We sat next to Mrs. O'Connor, Mark Henning's grandmother at this game. She really comes prepared. She had more food in that little satchel than the whole refreshment stand near us.

### Family Picnic

We really had a nice day for it this year. There certainly were lots of people attending. It is a good thing the baseball field was handy or else who knows where all those cars would have parked.

The hot dogs went real fast. We went through over 800 of them, just like that. Lots of milk too - and the mustard - someone miscalculated - we have enough mustard left over (that is all that was left) for the next few summers.

The parents carnival had a couple of real go-getters involved. Mr. Blanchard and Mrs. Schwartz were out to cop those trophies and they really hustled from one contest to another. The final point scoring for those who turned in their chips was as follows: For the men - LaFerme 18, Joyce 5, Blanchard 33, Schwartz 31, Reichbach 29, Schroy 23, Newman 26, Kaplan 19, Millen 16, Anderson 11, Altshuler 10, For the women - LaFerme 11, Lazer 5, Cole 18, Joyce 5, Schwartz 28, Colovin 6, Isser 6, Knauer 16, Guiffo 11, Roocke 5, Anderson 10, Shaimen 15, Britt 10, Forster 18, Rosenthal 7.

It was lots of fun that day, especially with everyone getting a chance to meet each other. The day was completed with a couple of songs and skits (Peter Pan won't be back next year, we're afraid) and the awarding of the summer's prizes.

### Perfect attendance

This was based on an eight week summer - 39 days of camp - Here are the boys and girls who didn't miss a day - There were certainly quite a few:

Mike Cohen	Bob Forster	Tom Joyce	Bob Joyce	Ben Miller
Steve Rosenthal	Bob Petrone	John DuBois	Coleen Johnson	Mike Mill
Drew Mill	Steve Sainola	Brian Guiffo	Lucas Baker	Linda Newman
Bob Yamuck	Mark DeMigris	Bob Shaimen	Paul DeMigris	Dan Miller

### Perfect Attendance (Cont.)

John Sainola	Robin Isser	Mark Stilwell	Jeff Ross	David Schroy
Carl Strazzulla	Bob Edson	Art Shaimen	Tom Britt	Lynn Rocke
Ray Cole	Larry Perlman	Fred Ward	Rick Johnson	Bob Schroy
Mike Johnson	Carol Blanchard	Pam Cole	Lee Klein	Gail Perlman
Cathy Trapl	Bonnee Field	Gail Kaufman	Diane Sainola	Alison Ames
Kirk Rocke	Dave Blanchard	Keith Wingate	Scott Garshell	Greg Guiffo
Steve Newman	Donna Popkin	Lisa Cappetta	Ellie Greene	

All of these received ( or will receive in this mailing) a certificate for this achievement. We certainly hope they will be back with us in 1963 and can make it two perfect years in a row. For some it is even more than that such as the Rocke's, the Johnsons, the Guiffo's, the Strazzulla's, the Kaufman's, the DeNigris', the Garshell's, the Blanchard's the Edson's, the Wingates' and the Klein's.

### More wrestling

The little guys had a big tourney too. Groups 9-10-11 held a big elimination tourney before getting one winner. He was David Gleit and he really pulled an upset. This was one of the highlights of the summer. Dave stopped Scott Garshell, who had proven himself the best wrestler among the junior boys throughout the summer. But Dave wouldn't quite and after a fine battle between two game contestants, David Gleit won the championship.

In the group 9 wrestle-off, here are the results: Shaimen over Jacobsen, Strazzulla over Karpowich, Schroy over Gugliotta, Laguire over Boskey, Carter over Edson. Second round: Strazzulla over Shaimen, Schroy over Laguire, Carter bye. third round: Schroy over Carter. Final: Schroy over Strazzulla. Schroy winner.

In group 10 it went like this: First round: Britt over Southwick, Schwartz over M.Brust, Hallinan over T.Britt, Rable over Wingate, Garshell bye. Second round: Schwartz over B.Britt, Hallinan over Guiffo (Guiffo stopped Lau in first round) Garshell over Rable. Third round: Schwartz over Hallinan. Final: Garshell over Schwartz. Garshell winner.

Group 11 produced the eventual winner - Gleit. First round: Blanchard over Ward, Gleit over Peterson, Rocke over Rudyk, Lazer over Klein, Reichbach over Callas, Perlman bye. Second round: Gleit over Blanchard, Rocke over Lazer ( in one of the best matches of the day, a 1-0 decision), Reichbach over Perlman. Third round: Reichbach over Rocke. Final: Gleit over Reichbach. Winner Gleit.

In the playoff between the three groups, Gleit defeated Schroy and then Garshell.

### Reunion for the 1962 season

We are doing something different this year. Instead of holding the reunion during the winter months when it is cold and indoors - we will wait until late May. We hope to hold the re-union over the Memorial day weekend perhaps and have everyone join in swimming and outdoor games - including a big father-son and mother-daughter softball game.

We will be in touch with everyone at that time to let you know the time and the date. It will be a good chance to get together and see old friends again. We have lots of slides to show too from the 1962 season. You will be hearing from us about the spring re-union. Hope you all have a nice winter in the meantime.

### Football at the Norton AC

This past fall, the Norton AC had two football teams in action. They played in the Western Suffolk Little Football Conference. The Tomcats finished second in the Midget Division with a 6-3 record. The Bobcats were second in the Pony division with a 6-2-1 mark. Both fine seasons for the first year in the league.

The Tomcats were led by co-captains Bob Joyce and Cord Sussner. Bob was the QB and Cord the pile-driving fullback. Other first stringers from camp were Bruce Kaplan, Bob Petrone and Bob Cohen. Our team was divided into three units, just like Army and LSU. The first and second units were called the "Salts and the Peppers", because they had lots of shake - lots of hustle. The third unit, instead of the Chinese Bandits at Army, were the "Japanese Good Guys".

Key men from camp who were "Good guys", were Fred Ward, Bob Waller, Mark Henning, Kevin Knauer, Mike and Ricky Johnson, Bob Denton, Jack Colovin, Luke Baker and Geoff Ahrens. Bobby Waller scored our last TD of the year and Mark Henning added the extra point in a 21-7 win over Brentwood. Billy Denton was also a prominent member of the team. An injury in the first game put him out of action until late in the season when he took over a spot in the defensive backfield.

The Bobcats had as co-captains, two more campers. Lyles McLaughlin at QB and Steve Arbogast as fullback. Lyles did alot of fine passing and running as well as booting the ball all over the field with a very accurate and powerful toe. Steve was a defensive terror and supplied lots of blocking and short yardage on offense. Other campers who starred for the Cats were Geoff Cohen at tackle, Jim McCracken and Charlie Blanchard at end, Joe Glassman at center, Chris Furbank at guard and Jeff Pettit at tackle. Chris wound up with a 40.0 yd. average per carry. He rushed twice from a halfback spot against Deer Park. He was stopped on one play but broke loose for 80 yards on the other.

Harry Waller was a jack-of all trades for the Bobcats. The lightest man on the team, he played halfback, fullback, QB and end on offense and safety on defense. Harry was one of the best blockers and tacklers on the team. Mike Sullivan and Glenn Dengales were other campers who manned the line for the Cats.

### Basketball at the Norton AC

The Tomcats and Bobcats were joined by two more Norton AC basketball clubs this winter. The Alleycats and the Polecats are the newcomers. They were formed to meet the overflow of candidates.

The Alleycats are a young club made up of first year men. They will play in the Township Midget league on Saturday afternoons starting after Christmas vacation. The games are all at East Northport Jr. High and Cold Spring Harbor HS. Campers on the Alleycats include Captain Kevin Knauer, Bob Petrone, Bob Denton, Fred Ward, Kirk Rocke, Mike and Ricky Johnson.

The Polecats will be led by Captain Chip Kuhn. They will play in the Township Senior League on Wednesday nights and Saturday mornings, mostly at Simpson Jr. High. They are made up of boys to old for the Bobcats. Gary Lay is also on the team.

A possible men's team is in the making. They would be formed if the Town has an adult league. On this team would be Paul Lombardi along with former counselors Bob Badeer and Bob Brush plus John Lotz, coach at Berner HS who was with us at Carl Braun day last summer.

## Basketball at Norton AC (Cont.)

The Tomcats will be led by co-captains Harry Waller and Bob Joyce. They will play in the Township league on Saturday afternoons, same gyms as the Alleycats. Also, they will play in the Inter-County league on Monday and Thursday nights, 7:00 PM at Maplewood gym in South Huntington.

The little cats finished second in the ICBA last winter and won the league the year before when Tommy Joyce was the high man. This winter it will be tough to repeat a fine year. The team is made up mostly of sixth graders and the age goes up to seventh grade so we will have a young team. Joining Harry and Bob from last years team will be Billy Denton, Mark Henning and Bobby Waller.

Other campers on the Tomcats this winter are Cord Sussner and Glenn Dengeles. Also, the Fränkin twins, campers a few years back. Highlights of the year besides the league games will include the annual game at Madison Square Garden - February 28th when they will play between halves of the college games; trip upstate to Middletown for a weekend of swim and basketball; Town tourney end of year and our own tournament in March.

The Bobcats have a completely new team this winter. They won the ICBA last winter and from that team, many of the boys are now playing for South Huntington and Huntington high teams. Tommy Joyce, Bob Deangelis, Steve Arbogast and Jeff Furbank, Chris' brother & c all on the S.Hunt. frosh and JV. At Huntington, Jack Schultheis, Bob Borowicz and others are on the JV.

The bigger cats will play in the same two leagues as the Tom's but in the older division. Moving up from last years Tomcats will be Captain Chris Furbank, Gary Knauer and Mike Sullivan. Other campers on this years team are Joe Glassman and Charlie Blanchard. They will play their league games also on Monday and Thursday nights at Maplewood, but at 8:15 PM.

## Alumni Basketball Game - Saturday, Dec. 22, 1962

While still on the subject of basketball, the Norton AC sponsors and produces the annual Huntington-South Huntington HS Alumni basketball game. This fine attraction is presented each year for the benefit of the National Foundation for Infantile Paralysis, a most worthy cause.

This year there will be a triple header scheduled. The first game will start at 7:00 PM and it will feature the Tomcats against St. Peter's Lutheran Church bantams. Come and watch Harry, Bobby Joyce, Bob Waller, Mark, Bill Denton, Cord and Glenn do battle with the always tough Huntington Station club.

Following this game, an "Old-Timers" battle will take place between the grads of both Huntington and South Huntington, before 1951. Some of the players in this game include Mike and Ricky Johnson's father as well as Bobby Johnson's dad.

In the feature game, a real thriller every year - the more recent grads of the two schools will square off. Huntington has won each year thus far but the games are getting closer each time. Last year it took an overtime for the Blue Devils to win. Heading the list for Huntington Alumni are Charlie Forte, Coach Jon Grace of Harborfields, Bob Badeer, Smithtown HS's head coach and a former counselor at the Norton AC, Bob Brush another ex-staff member, Bill Pettit, Jeff's big brother and Joe Forte, a third former Norton AC staff member. For South Huntington, Paul Lombardi tops th list. He scored 22 points last year. Joining Paul are Bob Weickel, Jerry Iosca, Fred Dauber and many others.

Don't forget the date, Saturday night, Dec. 22, starting at 7:00 PM - all three games - at Walt Whitman HS gym on West Hills Road off Jericho Tpke. A good cause and a fine attraction. Lets see you all there to root for the Tomcats!

A real big extra special for all our campers!

Have any of you ever watched Channel 5 on TV on a Saturday morning?

The show is "Just For Fun" and it is on from  
9:00AM to 12:00 noon.

Guess what - we are going to have a group from the Norton AG  
on the show this winter.

The program features two different groups and the boys and girls involved  
will be pitted against each other in lots of contests, quizzes  
and stunts. Lots of prizes are given out too.

In between all the games and fun, there will be lots of cartoons shown and  
we will be right there to watch them too. Now here is the best  
part - the show is on tape.

That means that we will be able to see ourselves  
a few days later, on TV.

Just For Fun is taped on a Monday. The show is on TV the following Saturday.

The Norton AG will be sending two groups in for the taping. The  
first one, in mid-February, will be a group of 40 boys. They  
will be chosen from our football and basketball teams.

The second group, and this is where you all come in - will be  
chosen from camp. It is for boys and girls, 9 through 13 and  
we will be taking 90 with us.

This is the procedure:

On the bottom of this page is a slip that you must fill  
out. Cut it off and mail it to us. It will be on a first  
come, first serve basis - the first 90 that we hear from  
will be chosen.

Since the taping will be done on a Monday in February - you will have to get  
permission to be excused from school that day - so we hope your marks  
have been good. Two weeks before the date, we will be in touch with  
your principal about the show. You will also have to bring a note in  
from home to school asking that you be excused.

We will all go in by two buses. The meeting place and time will be sent to  
you later. It sounds like a real ball - hope you react fast and send us  
the slip below. Remember, the first 90 will go. The taping is on a  
Monday and the show will be seen on a Saturday. Our group of 90 will  
be going in on March - it will be our second group from the Norton AG.

## Trips taken in 1962

We really overdid last summer with the trips - instead of the usual four, we wound up with the following: Yankee Stadium & Bronx Zoo; Jones Beach; Belmont Park; Jones Beach again; Met-Giant game; Wingfoot Rollerdrome; Movies twice. In addition of course, we had that extra family ballgame with the Mets and the longest trip of all - Palisades.

Some of the highlights were: That second trip to Jones Beach - what waves, everyone was beat after that day; Watching the Mets win two, a most unusual circumstance; the annual "cheating" ballgame against the girls - our rugged boys team went down to defeat by a single run, thanks to our umpires - Kay and Jack, who were treated to a dinner after the game by Schi - but despite the loss, "Fireball" Horton hurled a brilliant game, getting his usual one strike out. He was a terror with the bat though getting three long blasts. (one almost cleared the infield); How about that Elvis - was that a dilly of a picture or was that a dilly of a picture? (it wasn't); and how about the new record Bob Forster set at the Met game - for cup stomping!

And now my friends, a word for you  
lots of joy and happiness too!  
This is our wish, hope it comes true  
Do unto others, the thing to do

A very Merry  
Christmas to all +  
best wishes for a  
Happy New Year -

Mickey

We will be in touch about re-union time, Hope to see you all then. Have  
a nice winter - plan to spend 1963 summer with us again.
