Huntington Y Prepares For Girls' Softball

3/9/69

Summer softball is just around the corner for the Huntington Township YMCA and all its women and girl players. The Y will again sponsor a women's team in the U.I. Women's Softball League and will run a girls league, "The Batting Babes" for girls fourth through 10th grades.

The women will begin working out indoors at the Cold Spring Harbor High School on Thursday, March 13. Any women, or girls from HS and college over the age of 14, who are interested in trying out for the team, should plan to be on hand on that date, or call the Y, HA 1-4242, for further information.

The Batting Babes will sign up at Cold Spring Harbor on Thursday, March 13, at 7 p.m. The league is divided into two groups, grades 4-6 and 7-10. It is open to all girls from the Township. Tryouts will be held at CSH each Thursday in March. The girls will then be placed on teams and practices will take place in May. League play starts the first week in June and continues through the second week in August.

The Women's team will be returning with a number of veterans. Heading the list will be pitcher Kay Henning, coming back for her 13th season. She is the only member of the club who played the first season under the Y's banner in 1957. Kay won 13 of the team's 20 last summer and hit .306.

Other top vets are outfielder/first baseman Arline Norton, a .402 hitter and top batter, Jane Furphy, a catcher-shortstop who slugged at a .457 clip. Arline has played since 1950 and June 1963 with the club. They will again lead the offense and the defense, wherever they play.

Two girls from Deer Park who played quite a bit with the club last season, should solidify the lineup. Pat Tauriello, a pitcher and third baseman, and Laura Agius at first. Pat hit .397 in 15 games and Laura .350 in 15 for the Y last summer.

Others returning with their 1968 averages are Linda Skidmore, .354; Donna Viorritto, .283; Pat Howard, .260; Gail Lamberta, .241; Linda David, .226; Marion Hendrickson, .186, and Kathy Martilla, .077. There will be added strength from the Batting Babes, moving up plus a few new candidates who have expressed interest in trying out for the club.

Besides the league games starting in early June, the women's team will also make a trip to Pennsylvania for four games in July and compete in the Jimmie Girls Tourney in Schenectady in August. There is also a trip to Bermuda for a week on the planning board for either this June or 1970. The Y will be the guests of the Bermuda Petticoast League for their stay.

Softball Girls Sell Xmas Trees

12/17/70

"Although it is certainly the Christmas season and the halfpinks in the arys have patches of white, rather than green, softball is a real live thing at the Huntington YMCA. The women's team, LI sloppish champs last year, are active in money raising now, with a large, profitable Christmas tree sale.

The girls have their sights set on the Nationals in 1971 which will be held in Florida in September. They may not make it on the field, but they will have their money raised and ready if they can qualify. Optimism is the byword, however, even on the field as the Y-gals return 13 of their 15 members from 1970 and have a number of five additional ready to go.

Heading the list of returnees are Team and team MVP's Arline Norton and Judy Spina. They held down short and third last summer. Also, league and four, key all-stars Evelyn Bozeman, the home-run hitting centerfield, plus Rose Gramb and Judy Albin, a pair of slugging catchers.

Other vets back are first baseman Bonnie Rebeysen, second baseman Lorraine Dugan and Donna Verrillo, pitchers Gail Lamberta and Marion Hendrickson and outfielders Linda David, Laurie Nelson and Laura Aguir.

Among the newcomers who will be vying for starting positions are Kim Schilling, Carol May and Celeste Linkin. Another addition is former all-star Jane Murphy who was out the last year and a half with knee problems.

In addition to defending their title in the LI Women's sloppish league, the

Huntington Y will play in tournaments in Virginia and Connecticut as well as run two of their own in July and August. All of this will be in preparation, hopefully, of going for the National title. It will be a long road to cover and some fine teams to beat, but the Y will be ready.
