### **FAQ**

#### **Does Simulator time actually count towards flight time?**

Yes and the time you have logged never expires if you keep the records!

#### **Is there an age limit?**

There is no age limit to learn to fly in a Flight Simulator. However, we recommend at least 8 years of age and older.

#### **Can I bring a camera?**

Yes! You can bring a camera to take pictures or video.

#### **Can I divide my time with one other person?**

Yes but there will be an extra charge of \$10 if they wish to have a log book and Certificate.

#### **Why should I learn to fly in a Flight Simulator?**

It's more affordable than flying a plane

The safest way to learn

Repetition builds knowledge and muscle memory

Master (and avoid) any type of weather

This is how the professionals train

#### **How long is the gift certificate good for?**

Two years from date of purchase.
