Full biography

Yosra Gmar - Co-founder and CEO of AIHeart

Yosra is the co-founder and CEO of AIHeart, a start-up devoted to leveraging smart technologies to improve heart healthcare.

With a bachelor's degree in mechanical engineering and an ongoing master's degree in biomedical engineering, Yosra has discovered a passion for health technology.

Her ultimate mission in AIHeart is to make healthcare more accessible to patients and reduce the burden on healthcare professionals. This will be possible through the use of artificial intelligence and deep learning in AIHeart products.
