

Gold Pumpkins for the Cure!

Sept. 22nd - Oct. 31st

2022

GoldPumpkins.org

GOLD PUMPKINS FOR THE CURE 🎃 participants use their creativity to decorate pumpkins with the color gold. Little Hero Foundation pledges \$1 for every gold pumpkin made to children's cancer research, up to \$10,000 for 10,000 gold pumpkins.

Little Hero Foundation is a nonprofit dedicated to spreading awareness and raising funds for novel pediatric cancer treatments — with the objective of creating the brightest future possible for our young heroes.

Little Hero Foundation

Help fight childhood cancer.

1. Decorate

PAINT pumpkins incorporating the color GOLD for Children's Cancer Awareness. Check out GoldPumpkins.org for ideas!

The color gold represents the resiliency of childhood cancer heroes. Like Cinderella's pumpkin carriage: once impossible things are happening everyday for better cancer treatments. Gold Pumpkins demonstrate that together we can make more miracles possible through advances in Children's Cancer research.

2. Share

POST photos of your Gold Pumpkins for the Cure on Social Media (Instagram or Facebook).

Tag #GoldPumpkinsFORtheCURE and @Little_Hero_Foundation on posts—feel free to share your "why"! Social media helps further promote Children's Cancer Awareness by spreading the word!

-or-
EMAIL your photos to
GoldPumpkins@LittleHeroFoundation.org

3. Display

DISPLAY your beautiful Gold Pumpkins for all to see—you make the difference! Gold Pumpkins for the Cure can be displayed as Fall decor, inside or outside your home.

Feel free to donate your decorated Gold Pumpkins to local schools, townships or retail shops for public display to further spread the word about Children's Cancer Awareness.
