

Vertical Rack Rail

THIS MANUAL APPLIES TO THE FOLLOWING SKUs:

00600308	00600310	00600312
-----------------	-----------------	-----------------

Thank you for purchasing the Vertical Rack Rail Pair Kit from RackPath. Every effort has been made to ensure the accuracy of the information in this product manual.

Important Safety Instructions

Please call or email us if you have any concerns about the installation or use of your product. Please inspect the product for any missing or defective components. Ask RackPath for help if any component is broken or missing. If the product has been affected, do not try to install or use it. To prevent harm during assembly, place the product contents on cardboard or another safe surface. Improper installation or use of this product can result in product damage, other damage to equipment, or personal injury.

It is advised that the installation be performed by a professional installer. RackPath cannot be held liable for equipment damage or physical injuries resulting from inappropriate product usage or installation. Please ensure that the equipment stored/mounted should not exceed the stated weight capacity.

Limitations of Liability: RackPath Network Equipment (Yunnan) Co. Ltd will not be responsible for any injury or damage, whether direct or indirect, special, punitive, incidental, or consequential damages (including, but not limited to, lost profits or revenue, loss of use, lost business opportunities, or loss of goodwill), or the costs of procuring substitute products, arising out of or in connection with the use of the product. In no case can seller's gross accumulated liability, arising from all causes of action and theories of liability, exceed the total sums actually charged by customer to seller under the order giving rise to any liability hereunder.
