

Inaugural Event

**Best of the Southeast
Track & Field Invitational**

April 30, 2024 • Wellston High School

On behalf of the Wellston Athletic Department, SEO Timing and the Athens Track Officials Association, welcome to the first annual Best of the Southeast Track & Field Invitational. The meet is an Ohio Athletic Association (OHSAA) State Meet Qualifying opportunity for the 7th and 8th grade athletes and is made possible due to tireless efforts of the supporting organizations, Wellston Athletic Boosters, and volunteers too numerous to mention.

Wellston High School is serving as the host site and SEO Timing is providing meet timing and scoring services at no cost. You can follow the meet live results on MileSplit.com. The officials for today's events are donating their time, and all proceeds from the meet will go to the Athens Track Officials Association's new member mentoring program, in addition to scholarships for children and grandchildren of track officials and families.

The top 8 winning athletes and relay teams will be recognized and receive medals presented to them while standing on the awards stand that is currently used for the OHSAA State Track meet. The top three winning teams will also receive trophies in addition to the high point female and male athlete.

We hope you enjoy today's competition as these young athletes compete to make it to the OHSAA State Track meet.

Sincerely,
Mick Harris, Meet Manager
