

ALUWORLD FAÇADE PRODUCTS

Company Introduction :

Aluworld was established in 1998. We are an enterprise in the aluminium industry, integrating R&D, design, fabrication and marketing in aluminium windows and doors, as well as glass curtain walls.

Our products are popular in Australia, Southeast Asia, Africa and the Middle East. Being a team that's united and innovative, we persist in scientific management with "Quality, Sincerity and Service" as our core competitiveness, and we strive towards continuous improvement.

We are located in Foshan City - a construction material distribution centre in Guangdong province - covering an area about 28,000 m², about 45 minutes drive to the Guangzhou-Baiyun International Airport. We are close to the ports in Guangzhou, Shenzhen & Hong Kong.

Our Company is made up of more than 300 people, including a senior management team with more than 20 years of experience. Every achievement benefits a lot from this, as well as an excellent production team with over 160 technicians. Last but not least, we take advantage of our fully-certified automatic production and Quality Management System like ISO and 6S.

Company Culture :

Your quality Our priority.

Service Assured.
