

# Agia Irini, Santorini

**Santorini is a patch of paradise with some seriously dreamy venues for an utterly romantic and serene wedding, and Agia Irini (also known as the Santa Irini Chapel) is certainly one of the most beautiful.**

This traditional whitewashed chapel has a terrace perched high on the edge of the Caldera cliff tops with magnificent views of the Aegean Sea and volcano, and is one of the most scenic spots to exchange vows. What makes it even more special? You can have a magical sunset ceremony at this pretty chapel. Do note that this is a small venue with a maximum capacity of 50 guests, and with just 30 seated. Located between Fira and Pyrgos village it's suited to those looking for a private and secluded ceremony with a sensational backdrop, ideal for those unforgettable sunset wedding portraits. It's also possible to have a drinks party at the venue, before returning to your chosen hotel for your reception.
