According to Jenn Pettit , Vice President of the Mid Mo Muscle Club, the car cruise is one way for the organization to give back to their community. Pettit also said it gives residents something to look forward to each year.

"We're just a little local car club that a bunch of guys like to race and stuff. They like to drag race and we just like to give back to the community whenever we can with an auction and a meal and stuff like that and we raise a lot of money for our beneficiary on that one," said Pettit.

The club will host their next poker fundraiser on October 8, 202. To learn more about the Mid Missouri muscle club and how to donate visit [facebook.com/MidMoMuscleCarClub](https://www.facebook.com/MidMoMuscleCarClub)
