Presidents comments:

SOCIALIZING

Webster defines Socialize as “so-cial-ize – (sōSHə, līz) – verb – to participate actively in a social group”. Sometimes it is hard to start a new conversation or break in to an existing group, but there are tricks. I attended a training session that used the acronym F-O-R-D (forgive me Chevy fans, but as old car enthusiasts, we should be able remember those four letters).

F-O-R-D is acronym on conversation starters so that we can socialize. F for Family. O for Occupation. R for Recreation. D for Dreams. To start a conversation, pick F, O, R, or D and ask about one of those topics. If that one letter fails to start the conversation, pick another one and keep on trying.

Mid Mo Old Car Club members should have it easy to find a topic of discussion as our Recreation includes old cars and our Dreams, probably, include old cars as well. Once you make the connection with an old car enthusiast, encourage them to attend MMOCC events and invite potential members to events as well.

The next few meetings brings us a great opportunity to socialize and talk about old cars. Bring your friends, neighbors, and grandkids to the Bondo-B-Que, scheduled for Thursday, May 24, with meal at 5pm and meeting at 6pm at Ron and Dorothy Bandelier’s at 108 Route T in St. Martins (Highway 50 to St. Martins, north on T to 108 Route T on the right, just north of Business 50). Bring a side dish to share AND your old car. This is a great MMOCC tradition, an opportunity to socialize, a chance to bring a fellow enthusiast, and a perfect time to check out each other’s cars in a beautiful setting.

The June meeting is another socializing opportunity as we meet on Thursday, June 28, arriving as early as 4pm, meal about 5, and meeting at 6:00pm at Kenny Braun's Lake Pavilion at 9404 Route B / southwest of Wardsville, past the Route B/Route E intersection. Bring a side dish to share.

Socializing helps us realize that Old Cars are Cool!

MMOCC President Lyle Rosburg

Secretary’s note: Chevy fans may forgive you, but you may have issues with the Chrysler folks.

Great Times!

The April 26th MMOCC meeting/tech session was fun as we heard some Missouri traveling stories from John Robinson and experienced the cutting, buffing, polishing, and waxing skills of our own Bob Peitzmeyer.

On April 21, THE (not so) GREAT RACE was a grand success with 30 attending and 12 cars participating in this fun Rally. Roger Baugher and Ron Bogg did a great job with the route, logistics, trivia, and observations! With some guidance from Roger and Ron, Lyle Rosburg and Billy Bonnot are working up another Rally, themed: “A Sunday Drive”. More to follow, but you can probably guess what day of the week it might be held.

It was great to see so many MMOCC folks at the Capital Mall Cruise on April 28. It was nice to see Dennis Smith's MOPAR limo, Peg and Norm Hick's 1930 Model A Sport Coupe, Ron and Linda Bogg's 1931 Model A, Virgil and Cathy Borgmeyer's 1968 Dodge Charger (owned since 1969), both Bob Peitzmeier's Javelins, and to witness the ever-vigilant car salesmanship of Jim Martin as he promoted the sale of his 1948 Lincoln Continental. Hope to see you and your car at the mall on May 26.

MMOCC has had lots of events, so check out the website photos of our recent activities at midmooldcar.club, then go to Club Pictures and Events and scroll down to see some past activities.

Did you know...

- Ron Clark's first car was a 1951 Studebaker.
- Dan East's dream car is a 1931 Model A truck that has not been through a fire.
- Rusty Baldwin's favorite car is a 1949 Anglia.
- Tina Aquino's dream a car is a 1956 Thunderbird.
- Mike Schaefer's favorite car and dream car is a 1957 Chevrolet (Might be the one in his garage, but it is currently a work in progress. Retirement might see even more progress on the car.).
- Nathan Fuller's first classic car was a 1967 GTO convertible.

Brent Scott is organizing a MMOCC trip to Bo's Hollow near Salem.

TENTATIVE DATE is Saturday, June 9, so pencil that on your calendar. Details being worked out.

Bo's Hollow includes a nostalgic village as well as a Model A Restoration Facility. See website and Facebook below.

Obviously, old cars are welcome on the trip (a bit too far for mine), but modern cars and a tour of the place is worth the trip regardless of the means of transportation. Carpooling expected.

Great opportunity to coordinate the Club's signature event.

Seeking one or two members to learn the ropes in 2018 and 2019 and take over in 2020 and beyond.

Position requires time and effort, but has excellent mentors and willing MMOCC helpers.
